

TO YOU – OUR SELECTED WITNESSES

Attached or below are **100 DIRECTED ENERGY AND NEUROLOGICAL WEAPONS, AND ORGANISED STALKING TORTURE AND ABUSE CASE SUMMARIES** FOR YOU TO WITNESS AND RECORD.

YOUR AUTHORITY/OFFICE/ORGANISATION HAS BEEN CHOSEN TO BE “A SELECTED WITNESS” to these massive and horrendous CRIMES AGAINST HUMANITY – unimaginably terrible in themselves – coupled with the ORWELLIAN/KAFKAESQUE secrecy and denial of any support at all that we are experiencing, makes them even more horrendous.

Some of these DIRECTED ENERGY AND NEUROLOGICAL WEAPONS TORTURE AND ABUSE CASES detail the most extreme and totalitarian violations of human rights in human history, including the most horrendous incidences of psychological torture, rapes, sexual abuse and other mental and physical mutilations. There are many others, all over the world, who are being subjected to similar torture and abuse.

We have contacted thousands of Government Representatives, Government Officials, Government Agencies, Military, Security, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media all over the world - over and over and over again – and have had our appeals for justice, protection, assistance and/or publicity almost completely ignored and/or suppressed.

Some TARGETED INDIVIDUALS have been attempting to gain justice, protection, assistance and/or publicity about these crimes since the 1990s - and even earlier - this extends as far back into the history of illegal "scientific and medical" testing and experimentation as MKULTRA and the DUPLESSIS ORPHANS - and further.

WE ARE STILL COLLECTING CASE SUMMARIES from TARGETED INDIVIDUALS all over the world, and we have also advised them to send them to you – **“THE SELECTED WITNESSES”** - TO WITNESS AND RECORD.

Later these records should become an information source - such as the INTERNATIONAL TRACING OFFICE one set up to record the fates and whereabouts of Jews (and others?) after WW11. The information collected can then be used by the appropriate people for LEGAL, MEDICAL, WELFARE, HISTORICAL etc. records.

We are also still encouraging TARGETED INDIVIDUALS all over the world to keep sending their CASE SUMMARIES/PETITIONS to other AUTHORITIES, OFFICES AND ORGANISATIONS so that:-

- A. We can be sure that as many people as possible know about these horrendous crimes
- B. We can be sure that these AUTHORITIES, OFFICES AND ORGANISATIONS are either trying to uphold the rule of National, International and Human Rights Law, and that we will, sooner or later, be protected by these laws
- C. Or that we can be sure these AUTHORITIES, OFFICES AND ORGANISATIONS are complicit and/or acquiescent to these CRIMES AGAINST HUMANITY and that National, International and Human Rights Law no longer apply - in which case our task will be to get the rule of these laws restored.

As well as being illegal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - so we will also be demonstrating to all of these people and AUTHORITIES, OFFICES AND ORGANISATIONS the huge disconnect between their professed Principles and Values and the reality. We will be puncturing their Doublespeak Doublethink bubble of ignorance, stupidity and/or hypocrisy.

IT IS OUR RESPONSIBILITY TO RECORD AND ALERT THE WORLD TO THESE HORRENDOUS CRIMES - AND THE EXTREME DANGER THAT THESE TECHNOLOGIES AND POWERS POSE TO HUMAN RIGHTS, LIBERTY, DEMOCRACY, PRIVACY AND THE HUMAN MENTAL AND PHYSICAL FREEDOM, INDIVIDUALITY, INTEGRITY AND HEALTH OF ALL PEOPLE – IN ALL THEIR “INFINITE?” RICHNESS, DEGREES, ASPECTS AND DIVERSITY.

BEWARE OF THE NEURONAL PHRENOLOGISTS/DETERMINISTS/REDUCTIONISTS, AND THE THOUGHT POLICE/CULLERS/DELIMITERS AND PROSECUTORS WHO ARE ALREADY LITERALLY AND PHYSICALLY ACTIVELY AT WORK AMONGST US!! BOTH BRUTALLY AND CRIMINALLY, AND ALSO FAR MORE INSIDIUOUSLY.

PLEASE WITNESS, RECORD AND OPPOSE THESE CRIMES, AND ASSIST US URGENTLY!!

WHEN WILL YOU OR YOUR AUTHORITY/OFFICE/ ORGANISATION PUBLICALLY ACKNOWLEDGE, DENOUNCE AND OPPOSE THESE CRIMES AGAINST HUMANITY??!!

Sincerely
John Finch

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments, security agencies and/or shadowy organizations - involving the use of DIRECTED ENERGY AND NEUROLOGICAL WEAPONS on defenceless people.

I can confirm that the technical abilities and powers to:-

1. place a human subject under continuous surveillance, no matter where he/she is, from remote locations.
2. continuously monitor a human brain from remote locations, including thought, reaction, motor command, auditory event and visual image reading
3. continuously input directly into a human brain from remote locations, including the ability to override, control and alter consciousness, and to introduce voices, noises, other disturbances, images and “dreams” into the brain
4. directly interfere with, abuse, torture and hit bodies - including performing advanced medical procedures - and objects - from remote locations
5. directly interfere with, alter, insert etc. data, files, communications and legal evidence from remote locations - even during transmission
6. make live TV, and other screens and monitors, two-way – for surveillance, invasion of privacy etc..
7. control the flow of information and orchestrate the media – worldwide.

ARE ALREADY IN EXISTENCE AND ARE ALREADY BEING ABUSED!

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse – some of us are being subjected to the most extreme and totalitarian violations of human rights in human history.

As well as being inhumane and criminal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - and yet our appeals for justice, protection, assistance and/or publicity to Government Representatives, Government Officials, Government Agencies, International Organizations, Human Rights Organizations, Universities, Scientific and other Institutions, and the International Media have been almost completely ignored and/or suppressed.

For anyone at all concerned about human rights, liberty, democracy, privacy, the rule of law and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this uncontrolled and unacknowledged technology and torture and abuse is intolerable!

Your attention and assistance is urgently needed to halt these atrocities, control and regulate the use of these technologies, and to bring these extremist elements to justice.

Please assist urgently.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sir

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I have the honor to direct me to his distinguished person for the following reason:

I Fernando Arakaki Miranda been born in Brazil, and am nationalized Bolivian. To have Japanese ancestry trip to Japan where I have exactly lived from 1de June on 1992, until the 1998. In that time interval which I was living in Japan I was used with the technology cybernetics but outpost, through you implant of cerebral microChips against my will, without my consent.

These you implant have the capacity to gather, to keep, to transmit the thoughts, sensations, feelings I have inclusively can see through my eyes, with the technology cyborg but called outpost SOUL CATCHER 2025, with this artificial telepathy can speak to me directly to the brain, controlling until in my dreams. This means that I have been used as laboratory rabbit and now arms of electromagnetic radiation estan trying to destroy my brain using that is cerebral torture, forming groups of people to harass day and night to me being treated to silence and that this crime is unpunished.

These criminals live, work single to destroy the human beings. These cruel acts do not have excuses, are without God nor law. Also they use the lie deceiving people with calumnies in my against trying to isolate to me, is the form to create to the schizophrenic paranoid and for this aim there are counted twenty six crimes of which I am being victim, between which we have:

Threats, criminal association, blackmail, insults, psychological attempt of homicide, damages to the health, damages, discrimination, levelling, robbery, etc.

These are some of the crimes that are using to conceal this subjugation in the city of Santa Cruz of the Mountain range. I am being studied by universities of this country as a rabbit of Indians by the newness of this implants of the technology outpost that much people ignore in countries of third world, are violating my human rights in all its magnitude. Sir as you can see deals with vejamen, lesa humanity and these injustices is sanctioned by the Organization of United Nations (O.N.U), and the Human rights of the entire world, so that the human being has right to the life, the freedom, and the rights to look for his happiness. This does not mean that this against the science, if not that to the human being is due to respect in its physical integrity, mental, it seems that they are forgetting God and its principles. This denunciation that I do publishes is thinking about the victims who have been silenced cruelly and those crimes have been unpunished. Sir I wait for you you include/understand my situation, I need its collaboration to do I publish east upsetting and thus to be able to arrive in an international opinion with justice, being requested compensation of damages with a right indemnification through the legal routes.

Dear Person of Conscience:

WE SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

The last 13 + years of my life, my family of 7, have lived on a major roller coaster ride. Most days, weeks, months, even years have been low points. In 2006 I was in bed ill 161 days out of that year, could not even stand up to go to the bathroom . All of this, I attribute to ORGANISED STALKING, DIRECTED ENERGY WEAPONS and PSYCHOTRONIC WEAPONS TORTURE AND ABUSE. We have all suffered a great deal and continue to suffer more and more till this day. This harassment has taken a great toll on us. No man, woman or child should suffer like this. I wouldn't wish this type of torture on my worst enemy. My life has been wonderful for 25 years before this all started. Now to say my life is a living Hell, is a gross understatement.

My name is Daniel Morgan, I am 40 years old own my own home and have had a decent education. I live in El Dorado Hills California, with my wife of 14 years Lorna, and our 5 children. Nicole is 15, Patricia 14, Christopher 13, Dylan 9, and Avery 16 months old. Not only have I been going through this but my entire family has suffered right by my side. We have all experienced the same type of harassment on different levels. We have all suffered the same symptoms, while this harassment was going on. Some of our physical symptoms include severe tooth decay and vision loss. Unexplained rashes and burns, sever headaches, mood swings, anxiety, thyroid problems, high blood pressure, heart problems, vision loss and

cancer. The list also includes botched surgery, premature labor and birth of 2 of my children, ADHD and the death of my father to cancer. Other family members who do not reside with me are also victims. Our pets are even affected on certain levels. We have all had many levels of harrasment. We are followed by people (gangstalking) and get a high rate of air plane and helicopter activity. Our computer and telephone are being monitored and manipulated.

Two of my children were born premature which I attribute to this. Our son Dylan, now age 9 was born very premature. He was born at 31 weeks. During her pregnancy with Dylan we were being targeted more so then other times. At the delivery there were "weird" men walking and waiting around the hospital. Right out side our delivery room window there was a white cargo van parked with two suspicious men inside. They were there the entire labor/delivery. Our son had to be transported to another hospital 45 mins away- when arriving to the toher hospital those same men and van were present. For the next several weeks a helicopter would be over head as we made our trip to visit our ill son. This last pregnancy was the "hardest" for my wife Lorna. She kept going into premature labor after a few days of torture. While this was going on she alarmed me that the "baby" was not moving like it should. Frantically, we did everything we could to "wake" the baby up. This happened over and over again all while I exhibited signs of being tortured.

In 2001, my father died of cancer. Not knowing what was going on with me he often came to me to complain of his "ill" symptoms. This happened at the same time I was being hit hard and targeted. He also said that on his daily errands he had people following him. Sadly, my father died a very horrible and painful death. I attribute this to the torture he endured while living in our home. My family genetics is very sound and very strong. There is no history of cancer. They simply died of old age- most of my family lives into their late 90's often into their early 100's. Three of my children have sever rashes that have not been explained by several doctors. These rashes have been present for several years at a time. If interested I will gladly furnish you with detailed photos of the rashes. Our infant daughter, at 3 weeks old was diagnosed with Lerner's Syndrome. This was after a severe rash appeared on her body after a few days of torture. We were told by a couple doctors to take her home and "Love Her and spend the rest of the time we have with her".

They told us she would ultimately die from this Syndrome. Thank God that Lerner's Syndrome was not what affected our daughter. Doctors are still dumbfounded by her rash and symptoms. Sadly we know that her symptoms were effects from the torture this poor innocent 3 week old baby endured. Recently, I lost complete vision in my left eye. This was after a few hours of being outdoors with guests. Air traffic was greatly increased that day. I recall seeing flashing lights like beams coming from the sky. At the same time I exhibited the flashing lights my 9 year old son Dylan complained about the lights. You will often hear that vision is something that is greatly affected with this type of torture. Our family had their vision has deteriorate at an alarming rate. I have also had botched surgeries. Aside from physical symptoms, My entire family are victims. As hard as it is to understand, this is not mental illness or depression. I have spoken to many doctors over the years and have no mental illness of any kind. Please feel free to come to us with any questions you might have. I have several years worth of hard evidence, I will gladly share with you.

I am a member of a Human Rights Interest Group interested in encouraging persons of conscience to speak out on behalf of victims of unwarranted surveillance and victims of unregulated electronic and electromagnetic technologies.

People in rising numbers are complaining about being subjected to unreasonable surveillance. We have reason to believe that current surveillance practices are so oppressive as to be terrorizing and inflicting serious injuries, damages and distress. There is a great deal of information available which describes the types of surveillance/ security devices currently being developed, tested and used by government agencies and contractors on the general population. These offensive technologies are now widely accessible, legally and otherwise. We believe that there is an entire genre of crime which is

thriving due to the absence of accountability permitted by the USA Patriot Act. This legislation, now cross-referenced with FISA provisions, surrenders the public helpless to the authority of defense/intelligence agents, and, empowers agents to "recruit" private citizens without their informed consent. Also, The Patriot Act allows for technology industry expansion without appropriate oversight. Ultimately, the Patriot Act authorizes federal and local law enforcement, and their contractors, as well as their representatives, assigns, licensees, transferees, etc., to utilize resources intended for national security, at their own discretion. All over the country, local community leaders and activists are receiving, with disturbing frequency, complaints about frightening surveillance experiences and a variety of other actual injuries, some of which are listed below:

- a) violations of human, civil and constitutional rights
- b) technology that causes burns, memory loss, rashes, vision problems, softening bones/teeth etc.
- c) forms of direct energy to the heart, face, head and genital areas
- d) surveillance so invasive that it follows you to the shower, bathroom and bedroom causing severe and permanent loss of dignity, privacy, consortium and family relationships

A number of victims have reported that the Air Force admits to performing tests on subjects which cause pain and burns. The Air Force claims that if the energy is directed for no more than ten seconds that there is no permanent damage. However, there is no protection to the population regarding use of these devices. The potential for abuse of electronic surveillance and weapons is a real and serious threat to our civilization. Quite a few victims have lost employment and have even become homeless due to their physical injuries and damages to their reputation and character. The victims

have been grossly discredited and are often treated with anti psychotic drugs. This, of course, relieves the surveillance industry of any responsibility or liability.

The secrecy blanket that protects the government from accountability renders private citizens helpless. As granted under FISA and The USA Patriot Act, there are no provisions to assure that law enforcement/intelligence agencies substantiate that their targets are associated with terrorism. Complainants do not know why they are being victimized. There appears to be vast personal abuse of the system by government and corporate entities. Contact with anyone that would be perceived as a terrorist. the FBI several years ago.

We believe that our health and welfare is as strong and stable as the United States Constitution. We understand that the Bill of Rights was made a part of the Constitution so that inalienable rights would be guaranteed rather than recommended. The intent was to prevent the rights of citizens from being usurped. In order to specifically prevent this, the Constitution of the United States contains specific language to guaranty the right to due process and access to one's papers; rights to freedom of thought and speech; protections from unreasonable search and seizure, involuntary servitude and cruel and unusual punishment.

We the victims and the members of the Human Rights Interest Group thank you for your time and interest in these, the most crucial matters of our time.

WE DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

**Very truly,
Daniel j. Morgan

My whole family and I are Targetted Victims of DIRECTED MICROWAVE WEAPONS AND MINDCONTROL TORTURE

WE SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

From the first days on of our residence in Germany (January 1993) , we had strange events and occurrences in our apartment. The television set, our washing machine started to vibrate. Telecommunication was often disrupted , strange voices and undefined noises in the telephone. All members of our family began to feel an influence, an exposure to an unknown source , which caused us strong pains and many other problems. Me, personally, I felt a strong irradiation of my brain, ears, neck, heart, stomach, kidneys, spine, abdomen and genitals, legs, hands and shoulders. But other internal organs and other parts of the body were also exposed. The exposition to this irradiation caused nausea, vomiting, insomnia, itching and skin irritation, as well as pictorial and auditory hallucinations (voices) in my head. These voices awoke me at night and motivated me to go to the woods or to the river. Consequences of these exposures were strong and sometimes unbearable headaches. Sometimes I even lose consciousness, I faint. Often I have a strong pain in the neck and in the ears and in the evening I feel a severe burning in the head and in the temples.

In 2002 I had a very great problem with the spine, and I was temporarily paralysed. Now I often have swollen hands and feet, pains with spasms in the stomach, pain in the kidneys, in the heart, pains in the thigh and in the genital area. Sometimes I have asthma – like suffocation, dizziness, vomiting, and a sharp decline of eyesight and hearing. A hyperfunction of the thyroid gland and a tumor in my breast were also detected.

My husband ,too, steadily complained of some sort of irradiation of the brain and his internal organs. The exposures to these irradiations caused strong headaches, pain in the hip, the nausea, vomiting, spasms, weakness, nose - bleeding, diminution of eyesight. Later at a medical inspection of my husband, the physicians found skin cancer. Also, my eldest son Sergei, sensed an exposure of the brain and the internal organs. As a result of these exposures to irradiations followed strong headaches, memory-losses, allergies, nausea, spasms, diarrhea, vomiting, weakness, pains in the kidneys and in the bladder. There are tumours of the skin in the form of birthmarks, which have to be removed surgically each year.

Also my youngest son Dmitry has the sensation to be exposed to irradiations of his brain and internal organs by someone he can not see. As a result of these exposures he also suffers from very strong headaches (before usually graphic and auditory hallucinations start and he loses consciousness, faints), the pain in the abdomen, spasms, diarrhoea and problems with eyesight. The pains were such that pain killers and analgesics do not help. Several times we tried to move , so as to get rid of this exposure and the pain, but failed. Doctors were unable to ascertain the cause of the sickness. I wish to draw your attention to the unusually high frequency of accidents mostly road accidents, which occurred to the members of our family after moving to Germany :

In 1993 our eldest son Sergey fell under a tramway. In 1994, 1995, 1996, 1997, 1998, 1999, 2003, 2006 - we constantly had car accidents. In 1998 Mrs. Schulze from Warburg run over my son with her car on his way to school, and fled afterwards from the scene of the crime. Also in 2006 – Mr Ruber from Grötzingen tried to run down my younger son Dmitry with his car.

In Germany live thousands of victims of electromagnetic terror, who complain to the law enforcement agencies (police, criminal police, Ministry of Justice and Ministry of Internal Affairs, the Office of the Public Prosecutor). Unfortunately, the law enforcement always rejects our complaints or do not even take them into consideration.

These experiments are kept secret and performed under the control of the German special services. We consider our whole family to have become a proving ground for these secret services, everyone of us is one of their guinea pigs.

WE DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

Swetlana Schunin August 8, 2007

CASE SUMMARY/PETITION: DIRECTED ELECTROMAGNETIC NEUROLOGICAL WEAPONS & MILITARY BLUNT IMPACT WEAPONS CRIMINALLY USED ON INNOCENT AMERICAN CIVILIANS

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

There is extreme criminality being conducted by the United States Government through related agencies; I fear the security agencies in particular are deeply involved in crimes against the American civilian population.

I know this, because I am a victim of repeated rape, beatings, torture, experimentation by injection, attack by military experimental weapons and a myriad of other abuses. I am an American Citizen with no criminal history.

After being rendered unconscious by my attacker, I woke suddenly, opening my eyes to witness my neighbour Timothy O'Brian using the DIRECTED ELECTROMAGNETIC NEUROLOGICAL WEAPON from my window outside my home against me. At that time I had no understanding of what the "box" was that he had pressed against my window with red laser beams emanating from it. It was only later, after much research, I found he was directing a war weapon at me, and that this DIRECTED ELECTROMAGNETIC NEUROLOGICAL WEAPON could do great harm to me and even kill. Also, I later found this activity was a war crime and already three states (ME,MA, MI) had severe felony punishments for any criminal using these weapons on American civilians which included heavy fines and many years of imprisonment.

I am one of the few "lucky ones" who actually saw my tormentor who is responsible for the multiple rapes and horrendous bruises and injuries across my body which I have endured over the last 15 months. Those bruises and injuries, captured in photographs taken by friends, and a chief deputy sheriff, are

currently in the hands of a judge, an attorney and a chief deputy sheriff. As well as the PSYCHOTRONIC WEAPONS (both long and short range he uses on me) he is now using the MILITARY BLUNT IMPACT WEAPON on me while I work in my gardens and care for my animals.

I consider Mr. O'Brian to be a war criminal and his criminal use of these weapons on me are causing the following effects:

1. Severe Tinnitus
2. Severe visual disturbances, periods of blindness, hoarseness of voice and esophageal discomfort.
3. Radiation poisoning (my home is being bombarded with radiation)
4. Moderate to severe pain to nerves of my body.
5. Reading my thoughts remotely (finding hidden research papers, cameras, film and other things I hide as theft and vandalism of my property he continues as usual over the last 10 years)
6. Remote manipulation of my body parts from space causing pain and discomfort.
7. Constant harassment from "goon-stalkers" he has hired to follow me.(I am followed and harassed by as many as 30 or more at a time).
8. Control of my sleep patterns (waking me from deep sleep with severe muscle cramps when I am out of town).
9. Complex control of my brain (short term memory gone, severe confusion. All returns to normal if I can avoid being rendered unconscious by O'Brian's weapon for a day or two- which means no sleep for days at a time).
10. Huge, severe bruises on my arms, legs and over my back.
11. Muscles and tissue which feel "torn" and are terribly sore after the beatings I sustain while unconscious.

Massive ignorance by those not being attacked and massive secrecy by criminals perpetrating this activity against Targeted Individuals (TI's) is astronomical. Victims or "Targeted Individuals" are being subjected to uncontrolled and unacknowledged torture, mental and physical destruction by these criminals who carry out once illegal programs (eg "MKULTRA"). These programs, once banned by the United States Government by law, have now been overturned by the Bush administration, loosing savage criminal elements to prey upon innocent American civilians.

Until recently, this violation against the Constitution has remained completely unreported and undiscussed publicly. Now truth is leaking out from both corporate and alternative press as to these activities by the Bush administration which I consider TREASONOUS AND SHOULD BE HANDLED AS SUCH.

Your attention is urgently needed to assist halting these atrocities, protect the hundreds of thousands of victim-TI's and bring these extremist criminals to justice who were once elected to protect our Constitution and Bill of Rights.

Since my life has been threatened, first verbally by my tormentor, then by his own actions which I have both witnessed and endured, and knowing other Targeted Individuals like me whose lives are endangered, I would consider my plea an EXTREME EMERGENCY.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Please help us.

To Whom it May Concern,

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I have been a 'TARGET' of some type of long distance sensing device, that is an invasive and cruel 'energy' apparatus, direct or otherwise since at least 2002. It is very real and not caused by an organic malfunction of my brain. I have lived with my mind and body since birth and know the difference between my dreams, my ideas and my thoughts. This has been unbelievable but unfortunately for me and others very real.

I am insulted and dismayed that the United States Government has permitted such barbaric tools to be used against peace loving and caring individuals, whether at a true time of peace or a time of war.

I could go into the details of my experiences but at this time am petitioning for AN INVESTIGATION INTO THIS WRONG-DOING, AND WHO IS RESPONSIBLE.

I am doing research to try and find for my behalf information that may pertain to at the very least the reality of the mechanisms, whether they are in space or on land that are used to invade, manipulate, torture in various ways and means and cause mental and emotional stress. Hopefully soon I am able to present to Congress and Senate and the Press information for my

A. mental defence

B. legal aide

My rights have been intruded upon.

I can tell you, FOR sure that what i am going through now (October 2007) is 'mild' [tho still invasive] compared to when i was here in 2004.

still, my privacy and body being manipulated is a crime for sure.

NOW that I AM able by experience, NOW hold down a job, which i HAVE TO because i refuse to become tied to the welfare system [as dirt poor as it is] HERE in this country. besides I was denied. "Healthy to work" which i had a HARD TIME trying to get MY daughter to understand! YES, i was given a DSM label BUT I am STILL mentally okay. [all other stated or unstated 'issues' aside]

I don't know if you experienced 'it' yet, but there will be sporadic hours and then a day when the pain stops. sometimes in my case earlier this summer the 'rotary club'. it will be 'annoying' when the pain returns. last night was the first time in a few weeks when i had the 'zap' to the head experience. tho this time instead of right to left or left to right across my head from ear to ear the sensation stopped short, about 'halfway' and ceased. why? I don't know.

I am NOT happy with what i am reading in the rhienshold book BUT it seems in it's own way explain whith out modernity and current machines 'methods'. as far as haptic, possible on some occasions, tho i still doubt my 'program' is literally manned by a human 24/7 [?]

I get disheartened because no ONE seems to want to LISTEN, EVEN without me mentioning "EH" "i got clonked in the head" -the replies have been: "sure" "so what" "to bad, we're at war" "get a shrink" "you changed, i can't take to you anymore" and worse, from long term 'family' and 'friends'

NOW i have to hang around TOTAL strangers, keep my mouth zipped [forever?] and FIND A WAY OUT OF THE SHELERS. I do not want to end up on a street corner filthy and dying as my daughter suggested. [laughing, I WAS KIND TO HER WHILST RAISING HER!!!!!--poop on mommy!]

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Please READ THIS:

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am an American Citizen who has been subjected to criminal abuse at the hands of the F.B.I. since 1994. Their crimes include thought reading, physical torture, verbal abuse broadcast at me and a take-over of my dreams at my expense. Because I became aware of my abuse by their verbal broadcasting of my thoughts to me, their scripted taped responses, the comments of the Agents on shift in response to my thoughts -- or to augment their abuse, and dream manipulations, I have followed their agenda pretty much since it's conception. Mostly through T.V. and a little through newspapers. Until recently, information on the method of their verbal broadcasting (which can be heard by the victim, but not by others in the same vicinity) has been kept secret. The August 5th, 2002 edition of Newsweek has an article "Hearing is Believing" (written by Jamie Reno and N'gai Croal) that explains the manipulation of sound waves to isolate a target to hear what others around them cannot. Please note that this technology was developed over a decade ago at MIT. The system that the government is using to broadcast at me is definitely not limited to a 100 yard broadcast field. In a like manner, the outrageousness of claiming that thought reading technology exists and is in use currently by the government will be exposed in the future. Time Magazine reported in it's October 12, 2002 article by Jeffrey Kluger "There are experimental -- and controversial -- sensors that analyze a suspect's brain waves and determine what he knows and what he doesn't." Further in the article under the paragraph heading "Tapping into a Suspects Brain Waves: Can your brain waves reveal whether you're telling the truth? ... Developed by Larry Farwell, 53, a Ph.D. in biological psychology, brain fingerprinting ... looks for electrical responses, common to all of us, that the brain emits when we see a familiar image."

These two technologies are currently introduced are weaker versions of the technologies that allow the broadcasting virtually word for word of my thoughts to me that the government has and is using. My

guess is that the government is introducing these technologies in court cases so that legal precedents can be established to be used to support the introduction of thought reading in criminal investigations and trials. The technologies are probably not exactly like the powerful ones used on me, so that even if these current ventures into the legal system fail, the government can ignore the courts and try a different approach to the problems of legalizing thought reading. As it is, they are ignoring the Kyllo ruling in Oregon, when the judge ruled that new, even yet undisclosed more invasive technologies must at least be treated by the strict guidelines placed on less invasive technologies in regards to warrants, and the like. (This ruling was restrictive to the use of thermal imaging randomly of people's homes.)

The government has taken advantage of the fact that this technology is not known to the public or the press, so people like me claiming to be victims have been considered lunatics by those we contact for press coverage, legal help or law enforcement against this crime. If you take the time to read the Newsweek article I mentioned above and to follow the case being prepared to submit to the Iowa Supreme Court on brave wave reading, you will see that the political manipulations I describe below and my targeting by the F.B.I. is believable based on the current administration's now announced interest in these technologies.

I have written letters about this crime since 1995 on a consistent basis. I self imposed a moratorium on my letters when George W. Bush was elected, a year and a half ago. The only time since then that I have written was July 26, 2001; when Bush made a big show of having Attorney General John Ashcroft take charge of the private investigation into the actions of the F.B.I. This was in response to our Senate making mumblings about investigating the F.B.I. themselves. The reason that the government gave was because of the attack on American on Sept. 11th. The real reason is that this secret thought reading technology is known by many members of the government has been for years. The F.B.I., under the Clinton Administration, used 'domestic' terrorism as a reason of excuse for their abuse of power. The reason some people like me were chosen to be pure victims, unused in any crime prosecution, was in case the thought reading technology's use by the F.B.I. or Justice Department was exposed. They didn't want to bring into contention any convictions that were won by Feds during its use. They wanted a fail safe, "Yes, we committed an unreasonable crime" defence to hold off any great review of Federal Court Cases (a political sacrificial lamb).

President Clinton and Attorney General Janet Reno wanted this secret technology (thought reading) to be made acceptable legally in the United States, but knew that they first had to set up a propaganda machine to try to over-ride the expected negative reaction from the public. Because they ultimately wanted to use it in law enforcement, they gave this technology for use in the United States to the F.B.I. Because they expected a backlash from the citizens, they kept this technology mostly secret. They started to manipulate the public about certain groups within the United States so that they could control the public in the future. Clinton courted Black Americans. This was because Black Americans are already a solidified group who have a legitimate voice in America. Any dissent from them could be major trouble for the Federal Government because they are already organized through their civil rights pursuits. Clinton and his regime wanted to make sure that the Blacks trusted Clinton as one of the only American Presidents who has taken the time to recognize Blacks and their spokespeople. They would be easier to control.

The Clinton Administration and Reno also wanted to neutralize any small group that could attract a bigger middle class following if the middle class decided to organize against the use of thought reading technology by law enforcement in America. That is when militia groups and splinter religious cults were satanized. Ruby Ridge and the Branch Davidians were deliberately targeted by the Justice Department and their downfall was deliberately made into a media event, rather than by handling the situation in any less dramatic way. The government wanted Mom and Pop middle class to see the destruction wrought by fighting authority. Plus, they added to the repulsiveness or picked the Branch Davidians to highlight

admits allegations of child sexual abuse. Something that was sure to turn off the American public, and accentuate that anyone that goes against the status quo will die a violent death and is associated with predatorial sexual perversion. The movie "Terms of Engagement" suggests that verbal broadcasting of an abusive nature was used by the government during it's siege of the compound. This is similar to the verbal abuse that I have endured since 1994 (previousto the Branch Dravidians confrontation). Keep in mind that there was active thought reading being done by at least the same organization (F.B.I.) that controlled the raid. Couldn't thought read technology have informed the Federal Agents involved of where the children where, when it might be the best time to attack without threatening the lives of the young? Or even, what negotiation technique might have kept the violence from happening? But at that time, Janet Reno wanted a showcase. Not only the media and civilian propaganda of what happens to individuals who would join any organized group against the government, but also of the complete power and control of the F.B.I. And that, no matter how broadcast the event was, people were puppets who would not speak up.

Plus, Oklahoma Federal Building bombing: there was a fairly large spread rumor via the Internet, that Timothy McVeigh stated that he had had a chip implanted so that the government could know what he was up to. Was anyone speaking out about being thought read to be put under the suspicion of being possibly violent? It could have been used after the fact as a dividing factor. Plus, the Oklahoma Federal Building was bombed long after I became victimized by thought reading ability. It was on 60 minutes that a woman informant told F.B.I. officers prior to the event that something big was happening at the extremist group that Timothy McVeigh was visiting. And nothing was done. While repeatedly going before the Senate to justify their non-disclosure of their technology and their use of it based on their testified knowledge of threats to America by domestic terrorists, the F.B.I. was furthering proof of these threats by politicizing their investigations to encourage the appearance that domestic terrorism was a real threat. Even to the point that a brother agency, Alcohol, Tobacco and Firearms issued a daring public statement that the F.B.I. deliberately delayed the findings from the in flight explosion of a TWA jetliner on the East Coast to advance the belief that domestic terrorism was a real threat; even though the F.B.I. had themselves concluded that the accident was caused by a gas explosion in the cargo bay.

At the same time, Janet Reno and the Clinton Administration had spread to privileged circles that this technology existed and was in use. Though the general American population still isn't aware of this technology, some in powerful positions who were in the know were disagreeing with the secret use of this technology, it's unconstitutionality, and the fear of personal reprisal politically if the secret use of this technology was exposed. Plus, there was a gut fear reaction to the extreme measures that Clinton and Reno were purposing be used to force Americans to live with their thoughts being read. Just as splinter groups (such as militias) where expected to get more members, there was expected to be a movement toward the underground for some Americans who wished to protest. A gray area, where last names where not known in order to protect third party information from being privy to the listening ears of the government. Janet Reno went on national television to propose DNA sampling at the time of arrest. This was to be stored in a huge, national DNA databank so that any individual that the government wanted to know the identify of could be ascertained upon detention. Most adults realize that it is not difficult to be charged with a minor offence, one that is customarily dismissed before trial. It is hardly ever challenged when the DA drops charges due to lack of evidence. But, if DNA samples where taken and stored upon search (i.e. arrest, regardless of innocence), they could be matched up anytime in the future to identify anyone the government had become interested in via thought reading and wanted to identify.

At the same time, it was being proposed by Reno and the Justice Department that professional military troops be used to guard our borders. Senator John McCain took the time and trouble to officially respond in writing to Ms. Reno to state his opposition to her proposal. It was posted on his official web site. He stated a fear of the confusion in roles is the military was used to target civilians. Reno was proposing this military law action as a dry run to show that, if necessary, martial law was workable against the American

civilian population in order to force U.S. citizens to accept her radical proposal that thought reading was constitutional. When the Generals comprising the Joint Chiefs of Staff of our armed forces addressed the Senate (I saw it on C-Span) and pointedly stated that they could not win a war on two fronts they were not talking about the U.S. fighting two different countries, but fighting any other foreign entity and fighting the governments proposed civil war against it's population. It was an extraordinarily public gesture by men more accustomed to remaining distant from the politics of the day, but necessary to these elder warriors when faced with the private agenda of the last administration.

Opposition was growing and a lot of the communication done by Janet Reno was done publicly, via T.V. and written statements. Obviously, the number of people who knew about this technology had grown and the opposing sides were not in private communication with each other. The Clinton Administration and Attorney General Janet Reno thought that the best way to ensure that their plan would work was to make the technology so commonly in use that it would be impossible to point a finger at a select group of law enforcement for using thought reading technology. When the F.B.I. had supplied personal files on leading Republican Senators to the Clinton White House, it was telling opposing politicians, hey, not only are legally obtained intelligence information on you available to your political enemies, but imagine how damning having every deed you've ever committed that only you know about, made public. With thought reading technology, and the techniques that have been practiced on me, of leading a person to personal recollections of their past, it is impossible to keep anything private from the listeners. (Unless it is something that you've forgotten yourself).

Reno wanted to make this technology familiar to local and State police. In the name of helping with federal investigations into State Hate Crime prosecutions, Reno told the State Attorney Generals that at their request, F.B.I. investigators were available to help with these crimes. Many agreed and felt flattered that an elite group of agents from the F.B.I. would assist them. In this way, the number of individuals who knew about thought reading technology grew.

President George W Bush continued the illegal, secret use of this technology. The general population still doesn't know how close we are to a government coup by our own law enforcement. There is a great threat imposed by these individuals who can intimidate the normal entities that safe guard our constitution by checks and balances in power between the Courts, the legislature and the executive branch of the government by secret information they can gather on individuals in these agencies.

Bush's first tactic was to stall. He delayed the announcement of his Attorney General for months, and longer for the Director of the F.B.I. (Mueller). While Congress was insisting on Committee hearings regarding the F.B.I., John Ashcroft assured the Senate that the Justice Department would handle it's own review. Ashcroft named six entities that would conduct this review. The only outside of the Justice Department entity named was the firm of Author Anderson, since infamously associated with the Enron scandal. Remember the delay in Timothy McVeigh's execution (one of the first acts by Ashcroft in office)? The painstaking report gathering of thousands of government files on McVeigh was to guarantee that even if thought reading technology during the McVeigh crime and trial became public, there would not be much room for questioning that any information was gathered and used to help convict McVeigh that was not disclosed during his trial to his attorney. Thought reading technology, as used to date, is an illegal and unwarrantable search that could overturn a conviction.

After the September 11 attacks, the huge internal controversy between President Bush and Colin Powell regarding the status of the detained Al-Queda members at our base in Cuba regarded whether these individuals would be treated as Prisoners of War. The Geneva Convention inherently outlaws thought reading technology. If these people were given Prisoner of War status they could not be legally thought read for information because of international treaties. Hence, they are not given Prisoner of War status.

At home, after the attacks on the World Trade Towers on September 11, 2001, no one would justify the use of illegal secret technology to protect Americans from terrorist attack. It had happened anyway.

Despite all of Bush's speeches after the Sept. 11th attacks and his stating that the Iraq war is based on bringing freedom and democracy to Iraq, I have continued to be thought read, dream manipulated, tortured and verbally abused by F.B.I. agents who have basically done the same thing to me for almost a decade. They have spent more man-years on my abuse then they stated that they spent on the Oklahoma Federal Building bombing. I have been under thought read surveillance 7 days a week for over eight and one half years.

The American people have to know on what issues they should hold their elected representatives accountable. With secret thought reading technology, we are vulnerable to any whim of our current or future leadership. The people we entrust with power appear to be basically holding themselves hostage in a stand off. The F.B.I. agents are relying on pointing a finger at their leadership, who can point a finger at the Executive Branch, if prosecuted for their continuing crimes. Any order to these agents to stop their crimes holds with it an acknowledgement that crimes were taking place. Any elected or hired federal officer or politician is impeachable if they do not disclose illegal activity, especially activities paid for under their command. But those that know and who would make this public are afraid of being punished by secrecy laws.

Just as the equipment used to broadcast to me has become available to the public (Newsweek, Aug. 5th, 2002 "Hearing is Believing"), I think that the government wants to introduce thought reading technology and propose to use thought reading technology in what they will describe as a limitable, specific, warrantable search tool, probably starting with looking for child molesters, a hideous class they hope to use to sell the American people on allowing them to use Thought Reading Technology. Slowly, they will expand the necessary evil crimes and terrorist activities that should warrant thought reading tech. use and the circumgating of our civil liberties. Seven years ago they practiced a technique on me where they had people who looked like people I knew placed near me, or had people say things by me that triggered memories of my past. They will propose that under such directed stimuli, it can be reasonably assumed that the search of a person's thoughts at that time will yield specific information and is warrantable. Miranda rights are required because the Supreme Court reasoned that during arrest, the display of authority by police versus the vulnerability of the suspect creates an environment likely to compel a suspect to violate their own civil rights prior to counsel.

To create a state of mind in a person during an investigation is a display of force unjustified under the presumption of innocence that involuntarily compels subservience to law enforcement authority without reasonable cause or due process. And thoughts, unlike hard evidence discovered in a normal search, are incapable of being scrutinized past their event, for example by defence counsel, judge or jury. Paths of thought reflect inscrutable subconscious stimuli and thoughts are not the same as intent or action. They are an involuntary reflex which we have no control over, unlike our actions.

"The sanctity of the privacy of one's own thoughts to use as counsel to oneself" - that's my saying. Or to quote a Supreme Court Justice "The right to be left alone".

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hi. My name is Denise S. Pompl. I live in New York City and we have about 15 people in the area that I am in contact with and tomorrow, Aug. 8th, a few of us will go to a court to support a similar case as ours. The name is Debbie and John Mecca against the United States government for harassment. I will let you know the outcome and I am also doing a mass petition, writing to all US and European consuls for human rights.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Thank you for taking the time out to review this matter. Below is briefly described me being a victim of energy weapons and gang stalking 24/7. Further details and medical documentation as to proof is located at my website. <http://lesliecrawford.cabanova.com>

These perpetrators placed themselves beyond the reach of human justice inspiring others to share their views and acts of torture while conducting a secret assassination on me with the following:

1. Emotional Abuse
2. Financial Ruin
3. Group Stalking
4. Harassment
5. Physical Torture with Energy Weapons damaging my Eyes by seeing, as in a camera, through your eyes, i.e. to see what you see exactly
6. Sexual Abuse with remote equipment
7. Verbal Message Transmissions - Microwave hearing
8. Reading thoughts (visual and audio) remotely by Computer-brain interface, control and communication
9. Inject words, numbers into brain via electromagnetic radiation waves
10. Control of sleep patterns.
11. Complex control of the brain such as retrieving memories, implanting personalities

PREMISE FOR THIS ARGUMENT

A. Summary of The Issue

In the year of 2001 I was 35 years old, and working in the United States of America. I expected to be a productive and efficient employee in order to provide for my two daughters (as a single parent and minority). I became the victim of being bullied in the workplace which consist of all forms of violent-harassment, abuse, and conflict that lead to an invasion of privacy within my home, along with gang stalking, and directed energy weapons, that was unwarranted and unwelcome behavior and acts of torture. I constantly faced nit-picking, fault-finding, being singled out and humiliated both privately and publicly, having excessive monitoring and much more because of some form of distorted or fabricated allegations I lost my job on 02/13/02 at A. J. Etkin Skanska Construction Company while working onsite at AT&T formally known as SBC Ameritech Telephone Company and have been losing jobs since. Studies on workplace bullying suggest this crime is committed due to insecure feelings, resentment, bitterness, hate crimes and/or anger driven by jealousy or envy. Whatever the reason, my expectation of privacy was and is still being invaded by these Employers.

I have endured displays of private acts (Bathing, Nudity, Sexual Acts, Bloody Monthly Periods of Me and My Daughters, Personal Grooming Behavior, to discussions about the Undergarments I wear to work are just some examples to name a few) made public. These acts took place inside my home and were brought into the Workplace. Gone are the days when Employers such as the automobile magnate Henry Ford spied on employees of Ford's assembly line by hiring "a bunch of goons," to tracked employees behaviour during off work hours because drunkenness and adultery were grounds for termination.

Any Employers that have to go to such great lengths to keep a target of bullying quiet by using threats, personal stalking, an invasion of privacy, or dismissal definitely have a fear of being publicly exposed and do not want to be held accountable for their behaviour and consequences. I assumed at first, a private security firm was used to monitor my private life but why such overt and covert surveillance tactics or the Corporation used their own employees to conduct 24-hour surveillance. How else would they possible have personal information about what takes place in my home, work, and public places I frequent? The employees who have brought this sinister crime into not one (1) but several places of my employment have made their companies fully responsible for their actions.

Something must be done to prevent company employees from overstepping their boundaries. This is nothing more than an abuse of power, control, and authority when it is used in this fashion to regulate a private citizen's individual rights outside of the workplace. This atrocity should have never happened. What would give company employees the right to think they could transform a professional relationship into a personal one reaching outside the workplace? This type of behaviour is deemed highly offensive and Immoral to most people but they have gone as far as to using my neighbors, previous friends, company technology and other advance computer systems to target areas of my life such as work, school, love life, emotional and physical well being.

I am fully aware of Corporate Law which gives the Employer the right to reveal an employee's credit problem to co-workers may not be held liable for invasion of privacy, nor may an Employer be held liable for common law invasion of privacy if they circulated sexually suggestive photographs of an employee as

long as it accurately depicts the employee in a place open to the public. However, this is not the case. Every incident was taken from a private setting while I was at home. I was made aware of the stalking behaviour or home privacy invasion by employees within different places of my employment over the past years since 2001.

There is no general protection of workplace privacy except where an employer acts tortiously--or violates the employee's reasonable expectation of privacy. Video surveillance, under federal law, is acceptable where the camera focuses on publicly accessible areas. However, instalment in areas where employees or customers have a legitimate expectation of privacy, such as inside bathroom stalls, can give the employee a cause of action under tort law.

My website <http://www.lesliecrawford.cabanova.com/> covers each aspect used to distort me and my families personal and private self-Image along with damages that include my right to protect my psychological integrity, repel corporate employees, and refuse intimate acts being displayed in the workplace such as naked body images and personal communications without my consent. Let alone, how my right to report and receive justice for these crimes has been prevent in the State of Michigan even though we have pass laws against directed energy weapon use. Anytime company employees take a persons' private life and make the situation apart of public information, then it was done as a form of psychological torture.

Written in a legal publication "The Right to Privacy, according to Samuel Warren and Louis Brandeis", these two prominent Boston attorneys argued that information about a person's private life being made public against his or her will, not only cause the public to view the person differently but, also in my opinion it has caused me to lose several jobs in the past. I have never condoned their behaviour nor was I ever informed of any formal charges as to why the harassing acts such as: verbal harassment using intimidation, terrorizing, threats, disgrace, shame, embarrassment, dishonouring my character, undignified events have occurred along with the physical injuries I have suffered listed in the Medical section. Frankly, there is no real professional reason as to why the harassment initially started which have also been transmitted over their company internet system at AT&T formally known as SBC Telephone Company, spread from business to business, and made available for others outside the company to view and participate in the humiliation and torture while they have been making TAPES of these torturous acts. The only logical answer I can think of, it was done because it could be done with company equipment/technology and management allows it. It really doesn't matter if someone in the workplace doesn't like you or not, or even if they did make a lie up to start these illegal acts, all that matter is the impact of this type of behaviour.

I did not consent to having sexually explicit audio and video (TAPES) recordings of any kind displayed in my place of employment or anywhere else. These company employees have invited themselves into my personal life and wont leave. They appear to be acting in a script as some form of spook just because they provide consumer information to the NSA and other forms of security. The information in these pages will uncover a new breed of employer workplace violations that are going unpunished due to the 24/7 covert and overt harassment. As a citizen of the United States of America, I have the right to be informed of any charges and to be provided with legal defence if they truly do feel they have a real reason for stalking, harassment, physically assaulting me while using a list of other illegal actions they called an investigating at times and test at others.

This experience has affected me (financially, psychologically, emotional, physically) and the mental distress on me, my kids, and my family alone as been astronomical. And what roles my so call friends played, etc.. I have never consented to this behaviour taken place so I don't understand why one of the women from the Union or Insurance Company would actually ask why didn't I do anything to AT&T formally known as SBC Ameritech Telephone Company in conjunction with A. J. Etkin Skanska Construction employees when they originally committed the crimes against me. For one, I did not know to what degree these crimes was taking place, I also went to the police department, FBI, EEOC, and hired an investigator which lead no where. Then I also sought help from the legal community which has also been prevented by my attackers.

However, as a worker at Michigan AFSCME Union from 2004-2005, this comment disturb me to hear

any woman actually believing in her mind that this type of behaviour of any human is acceptable. Especially, when she verbalized that they did nothing wrong but just watched me take a bath. I cant believe that any corporation would go this far knowing they are breaking the law by physically shooting me with electrical devices and stealing past (TAPES) memories by accessing the declarative memory region of my brain that sends data of autobiographical events of the person's life which included my past childhood memories, my teenage to adulthood years, to every sexual encounter I have ever had in my life all to cover up the damages they have inflicted upon me and my family) These damages are listed under the Medical section.

Studies show the capacity to remember one's own past (autobiographical memories) seems to be mostly located in the left hemisphere when using technology such as PET / EEG / MR / MRI / fMRI / efMRI Important left frontal activation in participants asked to recall specific personal events. This crime is still taking place every day and night. At one point they caused me to have slurred speech, retrieval problems with spelling, math, and mental focusing; along with body pain and a chemical Imbalance resulting in me bumping into walls has highly affected me because they very well knew that I had children, but then they stated they did their actions of watching me being assaulted for the sake of my children. And to have the audacity to demean or belittle their actions performed and stated "we all hate what you than been through but you have too much filth in your past to receive justice." Its common knowledge what Impacts a mother also affects the children. This situation has not only Impact me and my children but also my family, and anyone previous or presently whom I have ever associated with on a private manner was made public within the business community of the Metropolitan Detroit Michigan area. A violation of my civil rights by company employees has reached to such a degree of physical assault / bodily harm that I am suffering and have document proof of.

My objective is to make the World Aware of this incident and to prevent these acts from happening again to another person, and to put a Stop to their Corporate Spying of my private life in the future. It's not just about me, It's about all victims know matter where their located, suffering this type of injustice. As a Victim's who is the target of their unwelcome course of conduct involving repeated and continued harassment, the Michigan Stalking Law and The Michigan Penal Code (EXCERPT) Act 328 of 1931 750 section 411h defines their actions as "Stalking" meaning the wilful course of conduct involving repeated or continuing harassment of a victim's that would cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested for the whole world to see actually constitutes Unconsented contact since 2001 with their knowledge of my expressed desire to have the following misconduct stopped.

These crimes are like being held by RAPE Abusers 24 hours a day, 7 days a week while they sit back and laugh at the crimes they are committing as if they are an Evil version of God. Evidence of a pattern of continued or repeated conduct composing of a series of 2 or more separate acts caused reasonable suffering and creates "Emotional distress in a form of mental and physical suffering.

However, Michigan has recognized that electronic and electromagnetic radiation devices can be used as destructive weapons in its Penal Code effective 1st January 2004 by including such devices. Michigan has enacted a law updating terrorism and harassment by all current means including electronic or electromagnetic. This criminalizes such unlawful purposes as intending to actually harm or imitate such intention in order to frighten, terrorise, intimidate, harass, injure or kill any person. This also applies to property damage. The criminal penalties are quite severe starting at prison sentences up to 15 years for just doing this, up to 20 years for property damage, up to 25 years for personal injury, life for impairment of a bodily function and life without parole in the event of death. To cause a false belief of being subjected to this has a penalty including up to five years in prison. Under this law those carrying out the electronic and electromagnetic terror and torture campaign against me 24/7 for years would be liable to life in prison for having destroyed my eyesight. There are other impairments of bodily functions and

personal injuries as well as property damage. Given this explicit passage of a law in the State of Michigan in the US effective 1st January 2004 recognizing the great harm which can be done by such devices and activity. I have excerpted the parts of the Michigan law below which apply to electronic and electromagnetic devices. This is Public Law 256 2003 and 257 2003. Go to: <http://www.michiganlegislature.org/mileg.asp?page=PublicActs> and enter the above law number and year information for the full law.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments and agencies. I am a victim of torture and abuse using Directed Energy and Neurological Weapons technology. There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

YOUR ATTENTION IS URGENTLY NEEDED TO HALT THESE ATROCITIES, PROTECT KELLY M. CASLAR AND BRING THESE EXTREMIST ELEMENTS TO JUSTICE. THIS IS AN EMERGENCY.

I have been a victim of directed energy weapons, remote harassment, and organized stalking since 2002. The phenomenon is real. It includes psychological harassment to induce Psychosis, Isolation, Depression, and suicide; physical and emotional manipulation; and devastation of financial and social resources. Nobody is above the law, yet some groups or agencies out there believes themselves to be. **THIS IS NOT RIGHT.**

I can confirm the following technical abilities and powers as follow:

1. That they can place a human subject under continuous surveillance, no matter where he/she is from remote locations.
2. That they can monitor a human brain from remote locations including thought, reaction, motor command, auditory event and visual image reading.
3. They can continuously input directly into a human brain from remote locations, including the ability to override, control and alter consciousness, and to induce voices, noises, other disturbances, images, and "dreams" into the brain.
4. That they can directly interfere with abuse, torture and hit your body with invisible beams from remote locations.

5. That they can interfere with alter, insert, etc. data files, communications and legal evidence from remote locations-even during transmission.

THESE THINGS ARE ALREADY IN EXISTENCE AND ARE ALREADY BEING USED AND ABUSED ON MYSELF AND OTHER U.S. CITIZENS.

I was born in the U.S.A. in Los Angeles County raised in Southern California. I'm a Holocaust victim offspring. My father was 100% Russian Jewish man AB- blood type he pass-away 1984 I tell later the truth about how or what gave him the cancer. My father before his father I was told there were only 36 of the survived out of the concentration camp they were in and my father true name was Kissuburd if I have the spelling right and they gave them the last name Caslar that's how I end up with the last name Caslar and that I am the only person in the world with my birth name. My Mother is 100% Irish from N.J the problem with my mother she wouldn't turn Jewish so I am fondly going to Hebrew school to night is my second night going I did send my daughter to Hebrew school at the age of three so I hope this might get ride of the omen that my family has by my father marrying a non Jewish women.

I guess one of the reason that I end up being target by a few people is that I am always a lone, I am loner and every body I was close to passed away or these people set them up and their doing time or disappeared so if anything would happen to me they wouldn't have to worry about any one showing up asking any questions that what ever they write down in a report like I said who would check or even bother to investigate no one when the police officers are investigator too.

I have been a victim of directed energy weapons, remote harassment and organized stalking since December 2001. I was living at 7908 Milton Ave # B Whittier, California 90602, County of Los Angeles. The phenomenon is real... It includes psychological harassment to induce psychosis, isolation, depression, for some suicide, but for me it made me realize that I am a better person because I wouldn't do the same to other's like what other have done to me. By what I have been through that it's self made me realize that I am better then some people and just important as the next person setting next to me, plus that also helps pull me out of depression and for myself to never give up on trying to find a way to reach out for others out there to help stop these inhuman humans that are not just targeting me but others too. I also have been through physical and emotional manipulation.

My story is not yet in sufficient state to be published, but I do participate as an activist against these crimes, I do have relevant testimony to specific instances of harassment, and I haven't meticulously documented each occurrence of these assaults.

The reason why I am not documented each occurrence of these assaults is that it would take me too long to do document each occurrence of these assaults that have happened to me and you do have to realize I didn't finish high school and I do have more than one learning disorder so I will do my best and tell you about a few things about the kind of abuse so I/we can start off in the right direction.

Nobody is above the law, even if you in law enforcement or not no matter who you are, yet some groups or agencies out there believe them to be. THIS IS NOT TRUE

THE REASON FOR GIVING YOU THIS INFORMATION IS AS YOU WOULD IMAGINE, THAT WE AS AMERICANS KNOW THAT YOU WOULD BE HIGHLY INTERESTED IN SUCH CRIMES AGAINST US U.S. CITIZENS. WHEN SUCH CRIMES HAVE BEEN REPORTED TO POLICE, THE FBI, OR OTHER LAW ENFORCEMENT AGENCIES IT IS TOTALLY IGNORED DESPITE EVIDENCE ILLUSTRATING THAT SUCH ATROCITIES ARE GOING ON. THIS MEANS AT THIS MOMENT YOUR COUNTRY IS KEEPING YOU IN THE DARK ON PURPOSE WHILE THERE IS AN ACTIVITY OF PUBLIC EXECUTIONS WITHOUT TRIAL GOING ON ACROSS THIS NATION. It sounds impossible that attacks on citizens are occurring. From millionaires to ordinary housewives and husbands even children are under attack from directed energy and covertly implanted with harmful and deadly devices. Directed energy purposefully pointed at them for what has been proven to be multiple

purposes. Such purposes are human experiment, population management reduction, behavioral manipulation, political reasons, economic business sabotage, reduction of retirement benefits, increasing medical profits, law enforcement investigations designed to pad their budgets, motives of rape, to make money from programs offering use of such equipment, used as a revenge technology tool by corrupt operatives and worst of all but relevant that there are quotas for operatives to make.

You are being warned of a massive attack of U.S. citizens that is going on at this moment all across the country. Evidence of the activity has been discovered through technical research proving that this is in fact true. For approximately six years there have been reports from people throughout this country claiming that they have been under attack in their homes from radio frequency weapons that cause effects that decrease the immune system, also these reports include that many of these people are implanted with covert devices causing extreme pain are also being reported. You and your family members may also be victims of this same activity, some of the initial symptoms are very common such as insomnia, acid reflux and many others, the radio frequency energy also causes physiological changes that cause syndromes and disease of all kinds including heart attack because the techniques of attack is radio frequency. This means you or your family members could have symptoms or be sick from this same widespread covert activity.

I have been confronting Electronic Stalking / Harassment /Illegal Electronic Surveillance Stalking / Harassment for about 6 years that I'm aware of. These people that are involved are on both sides of the law enforcement. These stalkers primary goal is to control over the victims life by instilling terror. Advances in technology here made easier for the stalkers to harass their victim's from a distance, with relative anonymity.

The high-Tech stalker uses sophisticated surveillance equipment like global positioning systems and miniature video cameras to track or spy on the victims; obtains information over the Internet on the victim's address a place college an delivers threatening messages via E-mail. The stalker also spreads damaging rumors about the victims through internet chat rooms, message boards, a Web pages-often without the victim's knowledge, plus these stalkers do the same to the whole family / friends.

I have been set-up and framed and railroaded, in are very own court rooms an had many cases thrown on me and had doctors misdiagnose me so I the victim can't stand up for myself in a court room of law against, but I straighten out misdiagnose / mal-practice issue and taking these people to court.

As you can see, the nature of stalking has changed, but it's effect is still the same, The victim's suffers mental turmoil & physical turmoil behind all the abuse.

I have been a victim for many years an these stalkers will never stop an will do anything to another human being these are human that are inhuman an several police agencies are involved as our news media as our very own Neighborhood Watch, FBI, CIA, Employees that work in the Social Security Administration, schools/colleges there are so many that are involved it's unrealistic, but real.

There is one thing we as the people need to remember is that there is people out there that do care for knot give up know matter what "Don't Give-up" I know it's at times it feels like no one cares, but please remember this your not alone even if you are. Now if you give up don't you think other will too?

In a significant number of cases stalking is a precursor to lethal violence. I feel if you truly care for the fellow Americans & other people you could find a way to stop these inhuman humans that are involved, in stead of covering up for each others wrong doings or for your self or your love ones.

I K. Caslar have been through a lot more abuse then what I have wrote out in this CASE SUMMARY/PETITION by what I'm sending you should be enough for you to start and thorough investigation.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

CASE SUMMARY: Organized Stalking

VICTIMS: Mr. and Mrs. Garry Romanik, 30 Northeast 100th Street, Miami Shores, FL 33138-2315, USA
TEL: 305-775-2653

TARGETS SINCE: Nov. 2000 (Atlanta, GA, U.S.A.)

TARGETS TODAY: Aug. 7, 2007 Miami Shores, FL, U.S.A.

WEBSITE: http://www.freedomfchs.com/unwarranted_surveillance.pdf

It seems improbable that the organized stalking incidents described below can happen multiple times a day, for the past 6 years, in two different states without the knowledge of, participation in and protection of rogue elements of law enforcement, including federal agencies. Sadly, one is left with only one conclusion, that organized stalking, in the form of criminal menacing, harassment under the color of law, reckless endangerment, and using vehicles as deadly weapons, are illegal COINTELPRO/MKULTRA-like tactics employed by government intelligence agencies or those in their employ against innocent citizens for purposes of denying First, Fourth and Fourteenth Amendment rights.

SEE: http://www.icdc.com/~paulwolf/cointelpro/church_finalreportIIIa.htm

It begins with ...

Criminal Menacing/Aggravated Stalking and Death Threats? being tailgated by vehicles with high beams glaring, menacingly in your rear view mirror. Eventually, your local police begin eyeballing you in traffic, as if they know who you are. It begins when you notice license plates that end in JEW, JFK, D1E, XXX, WOW, GUN, WAR, NSA, FED, EVL, GIT and RF N MF.

It begins with... daily sightings of former Chevrolet Caprice police cruisers, now re-painted in civilian colors with blacked-out tinted windows. It begins with an unusually high number of sightings of unmarked Ford Crown Victorias and Mercury Marauders.

Fourth Amendment Violations begin with ?? phone taps ... hearing echoes of your voice when leaving yourself messages, noting stalkers license plates. It begins with ?directed conversations?, when your friends and co-workers conversations mirror exchanges between you and your wife, spoken only between the two of you, in the privacy of your own home or car.

Selective Enforcement begins with...? Your local police department?s inability to find the CD you provided documenting your being an organized stalking target, and detectives believing the garrote found hanging from a tree in your front yard got there due to ?high winds?. After taking pictures of unmarked police cars blocking the right of way, the police cars aggressively follow you into your driveway. After

questioning why you were taking pictures, you offer the detectives a copy of the CD describing your being the target of organized stalkers; in response they literally walk backwards, as if you're offering them a package with a bio-hazard warning label.

Reckless Endangerment/ Using Vehicles As Deadly Weapons begins with ?? oncoming unmarked white vans, daily approach your vehicle, at extremely high speed, while dangerously close to crossing over the center line, threatening head-on collisions.

It begins with...yearly nuisance auto accidents, for which the other driver is ticketed. The damage seldom exceeds \$1,500. Sometimes the officer issuing the citation writes the wrong statute on the ticket resulting in the offender's traffic court case being dismissed.

Signatures of Intelligence Agencies

The military precision of these daily, organized stalking attacks, indicate a depth of technical resources, personnel and planning that can only be the acts of government intelligence agency/ies. Providing the FBI with a CD describing your being targeted by gang stalkers, including still photos, video and license plates, brings no response from the Bureau.

Conclusions

In a war against asymmetrical enemies such as international terrorists, fanatic personality types, in positions of law enforcement and national security, are easily distracted and misled, while having their eyes taken off the ball. Our targeting is only the tip of the iceberg. The cost to our country for this extremist behavior is already enormous and the meter is running.

A nearly two year log concerning my experiences wth ENMOD AND DEW HARASSMENT HERE IN HACHITA NEW MEXICO:

www.luxefaire.com/enmod/index.html

they have things that can shut down digestion, make it so the subject cannot eliminate, or will eliminate on demand

they think no one will talk about it, it is a tool of the catholics who are behind a lot of coercion here to get americans to forget about the 20 million illegals here, sucking our blood

it is almost perfect mind control

major mobbing last day or so (October 2007) in hachita, attempted physical intimidations and stalkings about town, and further evidences this is some little cia town for human experimentation, in conjunction with playas and the richardson gang of mexicans and halfwits...they are using standins for people as prelude to disappearing people, a lot of us are still here because of our net presence otherwise the stand in subs early on in program, dissident disappears, then the whole thing just goes away...saw it first in tqampa...its eeverywhere now, standard procedure of dhs... this as result of some things I have been putting up on net in last few days...

surveillance very bad visual audio and telephone, proven many times now, its also some sort of perceived protection game for jesus and ba'al, they attempt to keep the subject from monetary success, control food money, water, other necessities, demean and ill-nourish, gaslight, stalk in all other ways, there ar many directed energy weapons being used, hawkins may. All the long term hachita residents are in it, some complain they fear, and thats how they rationalize this as some sort of law enforcement, sliver in microcosm, they use the phone a lot, its like a game with them, a chance at all they will ever be maybe....they all suck blood, very sick, lots of overt poisoning of water and anything else they can get the subject to ingest...even aerosols....masons here, mormons, baptists, most are bought into the status quo and this is definitely some sort of unnatural bush cult here.

idiot kid preston larkins nephew came up wearing a skull n bones tshirt this morning, they all perceive themselves as movie versions of bad, and then I saw another rattlesnake thats 4 in 4 days shot at rattler it boogied don't know if i got it or not. walter didiyoung and curtis been, two little gnomes for the guvnah pos were stalking at the post office and other things have been going on as far as mobbing and stalking last few days, as bush loses credibility and all these lovely hix slobber over expectations of www3 + vat invbasian + a major money making deal and bye bye America...

to make record.

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments and security agencies.

I am a victim of torture and abuse using DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology.

Symptoms:

- * Transmission of specific commands into the subconscious
- * Visual disturbances
- * Inject words, numbers into brain via electromagnetic radiation waves
- * Manipulation of emotions
- * Reading thoughts remotely
- * Causing pain to any nerve of the body.
- * Remote manipulation of human behavior from space
- * Seeing, as in a camera, through your eyes, i.e. to see what you see exactly
- * Control of sleep patterns.
- * Computer-brain interface, control and communication
- * Complex control of the brain such as retrieving memories, implanting personalities

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

What about the act of continual bondage/slavery in the forced participation of their sexual predator slavery prostitution ring John? I'm surprised this is not mentioned as this is central to the whole operation of control. The making of robotically controlled slaves through drugging with date rape drugs, nitrous oxide, and all of the newly developed drugs and technology designed to control individuals without their supposed knowledge. The stalking and domestic abuse is all aligned with controlling the asset in the ring.

In my neighborhood they opened an rv park to house the government sponsored and trained undercover operatives claiming to make \$30,000K a month, and the doctors or whatever they call themselves, who install this mind boggling technology John. What about that? Why do you fail to mention that John. CIA files from the 60's and 70's now being controlled by private citizen operatives trained and paid by our own government John. This is the name of the game, so either you're incredibly naive or you're one of them John.

This is a sexual Assault Slavery Prostitution Ring John. That's why people are wired up and assaulted in the night and exploited, and during the day abused and treated like garbage to keep them confused and controlled. That is the purpose of the patriot act, in my opinion, and the purpose of all terror law designed to deny rights and allow full time surveillance and tracking. Why else would they care so much, we're assets, not people. Trying to lead us down a rosy path of incomplete information and leading us to believe we're simply victims of neutralization almost seems plausible, but the scope is just too large. There is just too much money to be made off of us, and this greedy group of controllers are interested in total control, not simply to put some asleep, if they've gone this far there has got to be a ton of cash involved - in my opinion- of course.

Wake Up TI's, Wake Up.

Dear John,

Between me and you...I want to complain desperately, and I totally appreciate all of your hard work. You are a smart person, and I respect what you are doing.

My problem is that every time I file a complaint, like you ask. A "perp" terrorist will attack and kill people. I can't even talk like a complaint without that happening.

I am a real target, the real deal here. I have been lampooned from the media between the lines since I know, at least 14...I cant go anywhere without being picked on, unless I am around long-term friends or family. You know the deal, but I am so far up the ladder of ti's, I am the main joke around the USA and the World. Therefore, I feel like I am doing something immoral by complaining. For example, I read a book about the "Acropolis" in Greece, and the next day heard on the news that security shut it down for "their" reasons. My life is totally like that every single day. That is treason with a capitol T, but seriously it is like that for me.

You know my email to Waxman generated the VA Tech shootings. I don't know what to do. It is connected. I connect to every damn event, because of those war pigs. I could make the argument that I live my life, and they attack to other events, because that is very true.

I appreciate your hard work, but I am torn here. Do you have any advice? Are you objective enough to feel like I might need to stay low-key, and you guys complain because of my status as a TI...? I don't know anymore...

Please stay well, consider this and email me back.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thank you...
Love, Jennifer, NC TI.

EMF Torture Chamber" - Electromagnetic Torture Chamber refers to a crime that is being perpetrated on individuals by gangs of people who many victims believe are working for a government agency. They are believed to be testing and using electromagnetic weapons on innocent citizens covertly to defame, harm and destroy people they want eliminated. Mind Control, EMF Assault, Electronic Harrassment, Hi-Tech Invasion, America's Secret Police and Gang-Stalking are all keywords for this crime.

I have been a target for non-consensual EMF Weapons testing by the U.S. Government for the last 7 years.

My whole life has changed completely. I was in great health when this started in Feb. 2000 when I lived in Millbourne (in Upper Darby), PA for over 7 years. I was a member of 2 bands that I played Trumpet for and I had recently had a favorable review in the Philadelphia Inquirer for my artwork (painting). I had been a runner for 25 years and lifted weights. I was in the best shape of my life. I looked good, was happy and doing well in my vocation. I had worked hard all of my life and was being rewarded in my career. Then I became a non-consensual target of Electromagnetic frequency weapons--a human guinea pig.

Now, my health has been irreparably damaged and my reputation as well. All of this because my neighbors decided to use me as a 'guinea pig' for the governments experiments on electromagnetic weapons. These neighbors were all middle easterners and the officer who responded to my complaints told my neighbors that what they were doing to me was a "Hate Crime" since there were more middle-easterners in this neighborhood than there were Americans

When I filed complaints against them in the Media Courthouse I was refused with a smile. When I asked why the D.A. said it was retaliation. I said 'for what?'. No answer.

I went to the FBI and told them and the guy there laughed.

It's been 7 years and I now know that I am what is known as a "target of convenience"--just someone who happened to live next door to a government paid perpetrator of EMF (electromagnetic frequency) weapons-testing.

I have had my life destroyed in every way - socially and physically - and I have never committed a crime of any kind. I am an innocent citizen who was chosen for prejudicial reasons by some middle-easterners for this horrific torture.

I am being tortured constantly--24/7--for no reason by the government agency which we all believe to be the U.S. Department of Defense.

I am a non-consensual guinea pig for U.S. DOD weapons.

The European Parliament has passed a resolution back in 1998 calling for a "global ban on the development and deployment of electromagnetic weapons as they have been deemed too inhumane to use on the enemy in times of war". (Resolution 27 or 28)

None of us targets were guilty of crimes and we have been tortured mercilessly for years on end. This is an invasion of privacy as well as a physical assault on our persons.

Please understand that this is being kept secret and taxpayer money is being used to sponsor this crime against humanity. The government is breaking many laws to perpetrate this crime. Since it is being kept secret it will continue to be used on innocent people until laws are passed prohibiting them. I also think these weapons are going to be used for political reasons in the future. Any citizen could end up a target.

Please read up on this crime and help us to expose it and end it.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

To Whom It May Concern:

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Kevin Burnor. I am a victim of US violations of national and international laws regarding torture under the auspices of "research" apparently condoned by the National Security Department via the US DOD, US VA and the U Cal, US NIH, US DHHS, US FDA and etc. (Please google DOD and non-lethal weapons, particularly directed energy weapons. Also google torture "research" of innocent US citizens via directed energy weapons.)

In 1992 I was a Pastor/Christ Therapist committed to the service of God and community. One of my clients was the wife of a US agent who was allegedly molesting his minor daughter. Shortly after this set of circumstances I was apparently identified as a national security risk and enlisted into a US government "research" program in which I was subjected to direct energy weapons which caused me to have a stroke and incapacitated me even until present.

In May 2004 I was directed by the US VA to have a colonoscopy during which I was implanted against my will with biochips. They were burned to my colon, and injected into the roof of my mouth and my ears while I was conscious. I went to an attorney when this happened and was informed that the University of California was involved in this travesty. I am apparently their cash cow for "research" for

the DOD even though this is against all national and international laws. Is this an example of executive orders that are above the law?

I have lost everything, my family, my home, my career, my health, my freedom to be private, and etc. I am guilty of no crime other than to be a pastor which falls into the criteria of "charismatic personality" and is reason enough in modern day "home of the free" America to be subjected to this under the National Security Act. The agent who was allegedly molesting his child still has full access to harm her with no worry of being stopped and I have had no contact with my children ever since August 1994 when they gave me the stoke and kept me tortured since. The VA has stolen \$5300 from me when I fled from California to Puerto Rico even though I have a fiduciary and my funds are supposed to be in "safekeeping."

When I attempt to advocate for myself I am subjected to phone calls and emails being re-routed. I have been abducted from my house and jailed after being beaten with bats by police at gunpoint for absolutely nothing and charged with terrorist acts and resisting arrest when I tried to breath as they were holding my head under pillows and pepper spraying me. I was jailed for five days and was denied all my medications when at the time I was on 35 pills per day. I was never allowed to return to my house and it was a section 8 rental agreement. My care provider still lives there after stealing my deposits and some of my belongings. I was so incapacitated when this happened I was barely ambulatory. In fact, I was asleep when they broke my door down and attacked me. I bled internally for months and have many witnesses but was blocked from making reports to the proper authorities which is the case every time I am harmed in this manner.

I have been taken to a mental ward by police when I called and reported prowlers who were actually using behind the wall surveillance equipment to hassle me. My VA doctor refused to contact the facility where I was taken and verify I was on medication as per his orders for my medical condition and stimulants were one of the medications which then showed up in my urine sample. During my incarceration, they illegally injected me with haldol against my will and medical condition as depressants are harmful to me. The facility was a 25-bed facility and the census was 65. There was no place to sit or lay down and I was not allowed to sit or lay on the floor. I was forced to stay there for 72 hours as my VA doctor refused to intervene on my behalf.

My VA compensation was hindered and is to this day, and when I complained of crimes and corruption to the DOJ and DOJ/ADA I was implanted as I reported above. After being implanted I was immediately subjected to torture which includes being forced to experience via holographic imaging and voice to skull technology my operatives molesting and raping children. Severe headaches, part of the directed energy "research" as well and being generally incapacitated is a daily experience and is increased in intensity, frequency and duration upon my attempting to advocate for myself and get it stopped.

I have reached out for legal, medical, social and etc. services and my access has been blocked at every turn. I have been defamed on several occasions in order to be denied services and some of these service providers have verified this for me. The VA gave me a fiduciary against my will and without due process of law, supposedly in order to say I am not capable of giving consent to be used in these ways, even though having a fiduciary does not give any right for such actions. In fact, nothing gives anyone, including the US officials under executive orders, to do such things to anyone according to national and international laws regarding torture.

Person involved are: Mike Seitler, Oakland Regional VA IG; Niel E. Nielson, VA Field Agent; Ted Gunderson, Former LA FBI head now ?; Dennis Uldrecht, VA Fiduciary Dept Head; Mike Green, Lisa Green, Mark Mirowski, Sally Riggs, Cindy Bustillos, Matthew ?, Marcus ?, all operatives supposedly embezzling my funds as they are considered to be "helping" me as my "care providers."

I am guilty of no crimes and I am certainly not a danger to national security. Investigations by the above have proven this and yet they continue to harm me under the guise that I am a danger to national security and therefore subject to being used for this "research."

I have informed every related department of the US government and have had my story proven by the governors office in Puerto Rico where I fled for my life, requested amnesty from the US government and had a congressional investigation prove what I am saying to be true with xrays and ctscans. I kept the actual xrays and ctscans which show the implants which is consistent with the ctscan reports but inconsistent with the xray reports. That proves the corruption continued even their. After we proved this I was told they could no longer help me. Since then, Mr Trigo, liaison to VA for Mr Fortuno's Congressional Office has told investigators I did not follow through. I filed claims regarding the above with Mr. Tirado of the Puerto Rico VA office on three occasions and have all the copies and he "lost" them every time. To this day no claims have been filed and he still has no explanation with regard to where they are. I turned to the Washington DC office for assistance and they referred my case to the National VA IG office for investigation and I am still subjected to torture and nothing has been done to file my claims.

I have turned this in to the Department of Justice and got nowhere but implanted illegally. I have made reports to every current US senator at this time. I have informed the DOD I am aware of their program and want this stopped immediately as it has caused and is causing irreparable damage and according to torture laws that is grounds for immediate action to stop it. I have informed several congresspersons including Mr. Fortuno or Puerto Rico who told me I was in the correct hands with Mr. Trigo who has dug his heels in the ground and says I have not followed through when I told him they were torturing me daily and he refused to intervene and get my three-month later medical appointment moved up to address the issue.

I can go on forever recounting the many travesties of justice this most corrupt and criminal US government conspiracy has committed against me in these past twelve years in order to allow their agent to continue to molest his children at the expense of me and mine.

I am seeking help with regard to this issue. I have requested an investigation with some fifty US government agencies to date and have gotten nowhere. Please assist me with this most grievous situation. My life is in danger and I apparently have nowhere to turn as my protector is my perpetrator.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

**Sincerely,
Kevin Burnor**

P.S. This was done under the auspices of being incompetent and hence not able to consent and thereby suffice as per the law, supposedly. However, this was done in response to my Whistle Blower Complaint filed with DOJ and DOJ/ADA as regards the issues of crime and corruption including the illegal deeming of me as incompetent without due process (i.e., appearing before a judge) despite my written rebuttals.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of Organized stalking and directed energy weapons torture, from Trivandrum, India since 2000, which I realized only in 2003. Since then I have been subjected to several sensory modalities like visual, olfactory and tactile hallucinations, thought conversation, threats of being burnt alive and torture in the form of spasmodic pain. Twitching of muscles can occur in association with a stimulative thought.

Suspicion first arose due to repeated incidents of strange but marked coincidence. Even my wildest thoughts were being spelt out by people around me with a sense of rebuke. I suffered social isolation and found myself exposed to deliberate situations that could endanger my life itself.

I concluded that there was some kind of a continuous monitoring device. At that time, 3-4 years back, I was totally unaware of mind control devices and hence could not make out exactly what was happening to me.

Since the psychiatric DSM and ICD classifications and symptom listing categorize the features of mind control experimentation as that of paranoid schizophrenia, I have till date not been able to take up any legal procedures for seeking justice.

I have approached several political and human rights organisations and activists in India but all of them have turned out a deaf ear.

The Indian situation is very grave. There are no support groups in India. What statistics show is only tip of the ice berg as the socioeconomic and educational status of the average Indian is far below that in Europe and the vast majority of people cannot realize what is happening to them. It is purely illogical and foolish to think that India alone is not perpetrating mind control technology over its masses when all other governments are doing the same at a stage when India has risen to be a nuclear and space power with indigenous technologies. I request the international community to look in to the Indian situation also.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am hooked up to remote physical manipulation and mind control weaponry 24/7 and it has effected me everywhere I have been since it has been put on me, in my home, walking around the area, at work, when I have travelled to other parts of the UK by car/train, I went to Scotland recently and there was no loss or let up (200) miles away from my home. I have voice to skull, which means I hear voices sometimes one clear voice other times several, white noise, other sound effects mostly to freak me out, shout abuse and humiliated me, read my thoughts back at me, use mind control techniques and physiological mind games

on me. I did not know anything about this when I got first attacked so I was abused and full of fear and ended up in hospital in the care of the local mental health team. I did trust the doctors and took the medicine they prescribe hoping that this would stop, but it did not. It made me more vulnerable as the medicine only dampen my own natural thoughts.

I also get body manipulation which means I get strange tingles, electric shocks, I have had a prolonged attacks to my heart as the perpetrators of voice to skull were trying to get me to quite another job I would not so they started to threaten me and shock my heart and say if I did not leave my job they would kill me. I also had sensations like they are trying to break my bones mainly to my big toe, ankle. I have a tingle through my jaw and teeth like a small electrical current running through them all the time.

Sometimes the perpetrators are very intense on me and it feels like they are stepping inside my body, I can hear them breath above mine, I know its not my breath as its not in time with mine and I unexpectedly hold my breath to catch them out.

Other things that they do is block/push thoughts change my emotions/mind state. They also make out that I can think talk back to the perpetrators. Basically they have hacked my brain.

I have video strange ELF signals on my detector, when they beam these signals around me I felt my brain becoming heavy and hard to concentrate.

I did report this to Health Protection Agency (HPA) <http://www.hpa.org.uk> and these signals did stop, but they said it was just from my home even though I have video them in my garden and at work.

I have not got the same flashing response from anything in my house and think they are some kind of spiked signal used in radar and other military equipment. (...)

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I'm living in London and I'm Iranian British. and targeted by the British and Iranian government.

This harassment start at 1996 a few months after I came to London to live with my daughter.

During these years they do any thing they can to me, they monitored my home, my body and I travelling any country they following me and harassing me.

I called too many politician leader like Mr Tony Blair, Mr Gordon Brown. Mr Gorge W Bush Mr Dick Cheney and others but I didn't get answer to my questions why British and Iranian Government harassing me.

Thousands of victims in all around the world looking for some help and support and despaired.

In recent years the numbers of those crimes against humanity rose so much that we can openly speak about the civilian population being under attack.

This attack is committed with technology working invisibly at a distance, beyond the bounds of borders, and is at this moment being used against helpless and unsuspecting citizens.

The victims are constantly lobbying to report these crimes to government officials, human rights organisations, world leaders and the press. Mostly, they don't get answers because of a general lack of knowledge about the technology. Mental institutions may diagnose the victims as delusional. And complaints lodged at local police stations are often treated as psychological problems or ignored.

It may take several years, before the "silent holocaust" becomes public knowledge. And for the victims, the comparison is very real.

The scale of the crimes being reported, and the seriousness of the accusations, justifies an urgent international investigation.

Because there are so many victims worldwide, spawning a worldwide movement coordinated via the Internet, it is only the most diligent and conscientious of victims who are able to report this crime; the actual number of victims being many times larger than this group of activists.

In January 2007, the article "Mind Games" appeared in "The Washington Post", written by journalist Sharon Weinberger, about the American victims and the activist organisation, Freedom From Covert Harassment and Surveillance.

Meanwhile, from all parts of the world new victims are showing up in greater numbers. They are asking for these crimes to be made public and are insisting on an international investigation of this problem. And starting a collective campaign against directed energy weapons (DEW) harassment and organized stalking.

Dear All - I need urgent help!!!!

During last month (from beginning October 2007) my harassment turn to every second by the shooting to my brain!!! burning my brain!!!!, turning direct energy weapons to my brain!!!! raping me!!!!. series attacks on my brain!!!!, voice harassment by the torture every where and every second!!!!, burning my

body which is broken in jail in Iran!!!! Chasing by the police in my daughter home!!!!

During this week I go to my friends home or my daughter home to change the situations but they never leave me alone and they following me every where!!!!

At the moment I despaired for some urgent help and support!!! Don't know what to do with the pain in my brain!!!!

They using direct energy weapons, electromagnetic weapons, microwave weapons and at the same time shooting to my brain!!! and attacking me!!!! There is high pressure in my brain from every second every minute!!!! They monitored my body and my home since June 1996 and now using this weapons!!!

from 23 July DVLA revoked my driving licence!!! because of report from my GP on shezopernia?? I've got temporary Driving license till my Dr new report from last Monday!!!

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I look forward to hearing from you.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

The harassment that I have received has come in many forms. I have experienced what causes the most skepticism among those we are contacting and that is the "Voice to skull" effects which include constant noise being projected into my ears without those around me also hearing what I hear. Some refer to it as "sonic sound" it is believed to be a modified older technology belonging in the Non-lethal weapons category. This means some form of manipulation of the electromagnetic spectrum. These signals also cause sleep deprivation, nausea, fatigue, brain neurotransmitter interferences among many other affects. These attacks take place 24 hours a day, 7 days a week and there is very little if anything that can be done to protect one self from the affects of this technology or find relief from those affects.

I have been targeted by this very devastating weapon(s) for an unknown reason. I was employed as a Medical Laboratory Technician in a prominent Hematology-Oncology Practice for many years prior to these attacks. Now I am unable to work and it is a daily struggle just to perform the daily tasks necessary for every human being.

I have sent out hundreds if not thousands of emails to those that may be in positions to assist me and those like me with our struggle to make this issue public knowledge without being labelled immediately as mentally ill, which is what happens to many targets when they approach officials and the like. Many of these targets are then forced into mental institutions or intense psychiatric therapy's, including medications that they do not need while being afraid to describe all of the symptoms they are experiencing for this very fear they are then NOT receiving care that they may need. An example would be Post Traumatic Stress Disorders which are handled much differently than the usual Delusional or Schizophrenic labels that are placed on these targets myself included.

I was in brief correspondence with one of the Senator's of my state's offices. This gentlemen took my complaint very light headedly and although this Senator was on the Senate Science and Technology Committee exclaimed that "there is nothing we can do to help you." That was very early on in my targeting and now I have realized and come to know many others just like me that "hear" the same noises in their heads. (word for word or very similar) and have gone through the other forms of harassment as I have that has now cumulated into what I refer to as torture.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE
VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Victoria Kuphall. I have been a victim of electronic harassment for nearly my entire life. This harassment includes psychological torment, physical and emotional manipulation and devastation of financial and social resources.

As a Citizen of the United States of America, my constitutional rights have been trodden upon; my 4th Amendment right has been abused, my 5th Amendment rights disregarded and if this terrorism is meant to be some sort of "criminal punishment" for perceived wrongdoings, then my 6th and 7th Amendment rights have been completely eradicated. Due to the constant suffering under this campaign which includes hundreds, perhaps thousands of victims nationwide, our 8th Amendment right has been outright dismissed.

This is indeed cruel and unusual punishment.

I am also being denied my constitutional right to pursue happiness. This torture is constant-24 hours a day, 365 days a year, year after year. I have absolutely no privacy and have not even been granted human dignity. This torture and abuse prevents me from finding emotional and psychological peace. It has taken its toll on my health, well being and ability to a productive member of society. Medical, social and psychiatric services only add to the misery of my condition by either dismissing my symptoms as regular illnesses or by insisting that I am mentally unstable and need medication.

The use of directed energy weapons, remote harassment and organized stalking are quite plainly unlawful, criminal acts. I am treated worse than a common criminal, more like a lab rat, not even human. I have done nothing to deserve or warrant such treatment. I am an American citizen and I deserve my rights guaranteed to me in the Constitution. I seek justice.

My symptoms of harassment include; sexual stimulation, orgasm and pain, sudden onset of headaches that can last for more than 10 hours at a time, bee sting attacks to the surface of my skin occurring anywhere on my body, blurred vision, manipulation of body parts, muscle spasms, sleep deprivation that has lasted for up to 5 consecutive days, extreme drop in your tracks tiredness, loss of balance, loss of concentration, short term memory loss, dizziness, burns, bloody nose, ringing/tinnitus in one or both ears, extreme itching, fake noises and noise campaigns to induce stress and sleep loss, symptoms of heart attack, chest pain, burning feet sensation, numbness of extremities. All of these symptoms can appear and disappear without notice.

Besides the electronic harassment I have also experienced the following; appliances turning on and off, traffic light manipulation, missing personal items, damaged clothing, unexplained problems with email/computer, damage to my vehicle, damaged clothing, missing personal items, missing mail, street lights/building lights going out as I walk beneath them, street theater-organized stunts conducted by people to further induce anxiety, isolation and stress.

I have been completely isolated from family and friends. I have been in a mental hospital twice and have been put on psychotropic medication. I have been diagnosed with schizo-affective disorder. I have had to discontinue my career as an Operating Engineer. I now work part time as an elderly caregiver. At the end of August I will lose my health benefits. My husband has divorced me and my only child will have nothing to do with me. My mother and step father will not allow me to live with them unless I go back on psychotropic drugs.

I hope and pray you will take the complaints you receive VERY seriously, and spend whatever resources it will take to expose and stop these crimes. These are crimes just as heinous and destructive as any other. Surely murders and rapes are investigated. How about the torture of innocent human beings?

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a Victim of electronic Harassment/ mindcontrol/ directed energy weapons/ Organized Stalking and Torture from China -Attacked in December 2001, when I studied Master degree in Australia

Briefly My experiences:-

Torturers started to torture and harass me since December 2001, when I was studying in University in Australia. At first I heard some noises downstairs, but others who lived in my house could not hear. I shifted to an one-storage house on January 2002, the noises sounded from neighbours my body starting along with a variety of symptoms. The main symptoms are: Pain all over the body; Stomach pain, toothache, headaches, leg pain, arm pain. I also had few high fevers. All these symptoms would be cured without any medical treatment. Or sometimes, a pain will not cure even take many medical treatment. I reported to police on January 2002, someone following me and using technology of reading my thoughts. I told the police that their voices sounded from neighbours. The police answered me that it was illegal to use mind reading technologies in Australia.

On February 2002, I shifted to a new one-storage house . I suffered some more symptoms: Diarrhea (almost one month), hands trembled involuntarily, Legs suddenly not being able to stand, suddenly felt very cold and shivered involuntarily, or suddenly felt very hot and sweating, etc. and all the symptoms cured without any medical treatment.

On 5 April 2002, I could not bear more suffering, I left Australia. After I left Australia, I still could hear those voices. I went to Hong Kong, Thailand and Shanghai China, their voices always sounded from neighbours. All the symptoms happened all time, and my things often were stolen when I was not at my Hotels.

On August 2002, I came to New Zealand. I had all the symptoms often occurred. On April 2003, I had already spent all my money. I came back China and stayed with my parents.

My symptoms had more: such as astriction, gatism, and sex harassment. They also started to not allow me sleep at night, or woke me up at mid-night. Sometimes, they also forced me to sleep when I did not want to sleep. They also forced me to have dreams at night. I knew those dreams were made by them and transmit to my brain using their weapons. (The principle is same with a silent sound device which can transmit sound into the skull of person.

After the fourth quarter of 2004, they forced me to have dreams every night.

These people can use their electromagnetic weapons to transmit their voices directly to my brain. They can make voices sound from neighbours or sound from a nearby person. They also can use their weapons to make voices;± sound like the voices of your friends or your family members.

After I came back china, their voices still sound like from neighbours. But I knew they were not in my neighbours. (After 2005, they did not pretend my neighbours or friends, but sometimes they can pretend their voices sound like a TV announcer).

I think that most days they are using their own voices. When they started to torture and harass me in Australia, most of them only spoke in English, only one or two spoke in Mandarin without any dialects. Since second month, there were more people who spoke in Mandarin joined them. They also asked whether I could speak Cantonese (There are other victims who said that they could hear the voices spoke in Cantonese).

After I left Australia, most of voices only spoke Mandarin. There were about 6-10 (they spoke Mandarin) who had been keep torturing and harassing me 24 hours a day and 7 days a week since May 2002 to April 2003. After April 2003, Mandarin voices became more, over 10, only very few voices spoke English occasionally. (I think that they have employed more Mandarin speaking people to join them instead of English speaking people).

During the past 5 and half years, their weapons can reach me no matter where I am. In every country, in any where: inside the house, under ground, in side an airplane, on a ship, under water, inside a car, on the top of a mountain

Currently, they are still torturing and harassing me 24 hours a day.

Three: My effects of the past 5 and half years

The past five and half years, I have been working hard to stop the fascist atrocities.

I reported this criminal to police when I was in Australia on January and February 2002.

I have been Peace Talk with them. I had talked to them: if they could stop torturing and harassing me within the limited time, I would like to declare to everyone that it was my volunteer to let them to practice their weapons on me. And I had renewal the final deadline three times until 12 December 2004.

I had been initiating them to do some good things we only have one earth, and we need to protect our earth. If you want to know details of my story, please come to <http://soleilmavis.spaces.live.com>

You may also read some articles about my concerning about China development, concerning Social issues, concerning about normal people's lives (City development - under 'Categories').

Since 2005, I had written some letters to United Nations and searched from Internet about Mind Control Weapons and got a lot of good information. I found a lot of victims all over the world who had been suffering the same with me.

After 2006, I searched more information about Mind Control Weapons and Directed Energy Weapons. I kept in touch with other victims and exposed Mind Control Weapons and Directed Energy Weapons torturing and harassing through all channels all over the world. We have already written so many letters to government departments, social communities, Human Rights organizations and public.

Other victims story -Currently, there are many victims who claim that they are tortured and harassed by Mind Control Weapons and Directed Energy Weapons. The numbers of victims have been increasing. Because the victims are lack of funding, no testing equipment, so even they are poisoned or implanted with chips or suffering by electromagnetic weapons brutal torture, they can not get tested or unable to get help from any people.

If you wish to know more victims story, please come to:

<http://soleilmavis.googlepages.com/>

or <http://soleilmavis.spaces.live.com/blog/cns!9B6CD1D7F6F8F4111995.entry>

We strongly wish that your Excellencies could concern about this matter.

(1) Many countries have developed a type of Mind Control Weapons (drugs, chips, nano - or electromagnetic waves) and Directed Energy Weapons. Does the government then have also introduced a law system to manage the use of such weapons?

(2) What effective legal systems and other measures that our government has already established to prevent the misuse of such weapons.

(3) Once there is misuse of such weapons, how can we get help from our government to protect the interests of the victims? And how to put torturers to legal sanctions?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

**Yours Sincerely,
Soleilmavis**

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Linda Kmiotek. I am a divorced and single 45 year old woman. I work at the UW Madison, Wisconsin, U.S.A., at a Deli there where I serve sometimes thousands of patrons. I believe one of these patrons, a faculty/student and his sister, possibly involved with law enforcement, are my perpetrators using voice-to-skull technology. They may have received this technology, not knowing what it could do. They speak of a "Christian present" that the law enforcer-sister got and gave to her voyeur brother. I think I could recognize the man if he should appear again. I haven't seen him for years. One of the last times I saw him, he had a small speaker-like box. He was sweating so much I could smell him. Nervous sweat. I may have been stalked and spied on for more than 10 years, but it has been obvious within the last five years or so.

This technology enables them to see through my eyes, see my mind's eye and read my body functions. They have used my sexual responses in order to humiliate and play with me. They use behavioural techniques like pausing in order that my anxiety will provoke a sexual response. The more shame a person has the more useful this technology is.

I have since reached a more comfortable level because they have maximized their potential. It's because when you have anxiety, you reach a tolerance. It seems as though they have gotten as much out of me as possible and that it is merely cruel to keep going on with it. Sometimes it is most annoying and I feel like an object. I'm so stressed and keyed up. I wish to be included among others who are in favour of having an international investigation to these sorts of issues. Thank you.

DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a targeted individual myself. I live in the UK, My nationality is: British.
I was first targeted in November 2006.

I support the worldwide campaign against the abuse of directed energy weapons that enable :-
a the torture of human beings beyond the level of all regularly used painkillers,
b abolition of human rights,
c complete loss of privacy making the Data Protection Act a nonsense &

d manipulation of human beings remotely via the central nervous system..

It was even on UK TV a few weeks ago and a neuroscientist said that we would all be wired up remotely by the year 3001 and he did not bat an eyelid when he said it. This is because this has been possible since 1983 (according to an ex CIA man) when implants were no longer needed to torture people in the privacy of their own homes. Other documentation, vast amounts of it, makes it obvious that the technology exists now and is being used following mountains of research and billions of dollars during and after the MKUltra era. To still pin it on bizarre delusions via the Psychiatry so called "profession" does nothing to enhance their already bad reputation.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Somesh Singh. I am 40 years old male. I have passed my Graduation in June 1988. I remember the exact event when all this started, I may not be able to tell the exact date. It was during my second year of graduation i.e. 1986 ending. I usually went to Temple both alone or with family or friends. That particular time I decided to go to a New Temple alone in my city. There at the time of offering prayers I noticed a man in 40's standing right opposite to me and facing me doing prayer gesture. I was surprised why that stranger was behaving strangely. when all the people around me were facing towards the deity and praying, why this stranger was facing me i.e. opposite of all the people around there. I went home that day and coincidentally I was alone at home that day. I heard not knocking but forceful banging at the door several times. I rushed to the door but could not find anyone. Thereafter I felt in series of situations that somebody is always following me. I began to behave complain to my parents about this. They did tried to pacify me. But this Paranoid behaviour continued and I even stopped going to college for a few days. My father was very worried , He met the college principle and told that I was not feeling well. The Principal wrote a get well soon letter to me also wrote that I am one of the Best students of the college. After few days I resumed college.

Subsequently I began to notice strange things. When ever I sit to watch TV The horizontal lines start appearing. Then gradually whenever watching any program with interest there use to be some breakdown in the telecast. One night while going to sleep when I switched off lights, I noticed a sharp laser like beam on my glass windows just moving around the periphery of the window with great precision. That dot of light kept moving for about an hour. I was motionless full of fear. That day I got a feeling that somebody doesn't want me to live. During this period i.e. around 1988 ending my younger

brother once complained of all things appearing magnified. My father took him to doctor and slowly it disappeared on its own.

I managed this mental torture on my own. I have just adapted to take things coolly. I started doing job after my graduation. I worked in a Private Limited company till 1998. I was involved in many interesting projects of computerization of Accounts of Rs100 Crore company then later on transferring the offline accounts to online accounts. Basically I was in accounts department but was working as coordinator in systems Department, mostly sitting in systems department.

My Father expired in 1997 by massive heart attack, he was only 52 years. From 1998 I started my own business along with my younger brothers. Till date I am continuing the same business and growing.

I am having all these symptoms going on till date: -

My Experiences and Symptoms :

- (1) It makes me feel paranoid by synchronizing palpitations and external electrical disturbances like flickering of electrical bulb or tube light and "click" sound of a stabilizer caused by electrical fluctuations (it causes fluctuations of voltage at particular targeted point close to the target and not the entire electrical phase which is abnormal).
- (2) Also mild nerve pains which keep shifting. It makes me feel as if my mind is being read.
- (3) I have got electric shock on few occasions when I touched another person (both the persons felt the shock), this has happened both within our family members and outside.
- (4) I also get electric shock/ jolts while in sleep and also had frightening nightmares.
- (5) Once my brother had illusions of all objects appearing magnified, we had to rush to Doctor but it subsided on its own the next day.

The period was very eventful. I could not understand anything. It is only after 1999 and later I discovered a lot of info on net. There after I gradually understood the game. I made myself strong to face the consequences. It is going on till date...

I am in touch with 4 other Indians thru net. Two persons are also in contact by telephone. We have discussed things happening with us..... In my contact is one person a Scientist from a nuclear fuel complex, another is a professor from Medical College, one person is Phd Indian student from New York and one person from business community. I have forwarded the petition to all these persons.

I demand for an international investigation of those crimes and huge violations of human rights. I would like to report severe Human Rights abuse using Hi-tech Non Lethal Weapons on Human.

I have come in contact with a scientist in Department of Atomic Energy, at Kalpakkam, Tamil Nadu who is also having same problem. He has detailed his experiences to me thru email. I got his contact from Ms. Cheryl Welsh. Ms. Cheryl Welsh is director of CAHARA (now Mind Justice) is raising voice against use of these technologies and fighting for human rights. She has enough proofs documented on her website about the existence and use of this technology. She is also representing this technology abuse at United Nations. <<http://www.mindjustice.org/>>

Once I was in Delhi on family tour .I noticed a wall pasted poster on wall of Palika Bazaar . It was "HELP" poster by another victim . Since I was on tour I had a camera I took photograph of that poster. Unfortunately the victims email ID did not come clearly in photo. It said about inhuman mind reading and dream implantation in subject's mind remotely. I have travelled from north to south but the effect on me goes on 24hrs 7 days.

Latest is I have come in contact with one more person who is victim of this technology, he is from Punjab. He is getting his medical examinations like MRI done to prove the technology abuse on him. He

is trying to establish proof. He is also trying to contact some radiation experts to identify the frequencies being applied on him for working of this technology.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Dear TI leadership:

I am one of many United States citizens who are being victimized by the illegal, immoral, unethical, unconscionable, & inhumane use of this diabolic bio electromagnetic weaponry. Per Dr. Kilde, M.D. & many other authorities "this technology links the brains of people via implanted microchips to satellites controlled by ground-based super-computers"- simply beaming targets into metastasizing sickness & even premature deaths. This travesty is the ultimate system in demoralizing mind control surveillance, espionage, exploitation, terrorism & "the biggest threat to humanity." For example, without my knowledge & consent the rogue spy agencies (sadistic shadow regimes) have implanted me with excruciatingly covert biochips (RFID/GPS) surveillance devices in my neck, nose, right ear, & left ankle during surgeries concocted in 1972, 1989, & 1999, by their "agents" in the "militaristic medicine." Evidently, all known surgeons who have mutilated me with this clandestine biotelemetry technology have probationary history with their respective medical boards in California, including revocation (one even has set a national record for fines)!

In addition to looting me of my human, civil, & constitutional rights, the perpetrators routinely torture & harass me with their stealth psychotronic electromagnetic warfare. In 2005, my local FBI office told me that I may be a human experiment! In the same year, while reporting additional crimes, my local police department revealed that the CIA has been attacking me with directed energy (high voltage pulses) & they instructed me to have these implants removed! Recently, the DOJ's Office of Law Enforcement Coordination (OLEC) recommended that I seek legal advice! In the last couple of years, this conspiracy was echoed by some of my healthcare professionals, albeit vaguely! Also, these lethal neurological attacks explain many of my clinical diagnoses such as "induced" seizures, heart attacks, & strokes, just to name a few of my many other symptoms of electronic radiation exposure. Nearly fifty years ago, President Eisenhower clearly warned against the Military Industrial Complex - "the potential for the disastrous rise of misplaced power exists and will persist."

Despite my valor efforts in seeking remedies from ostracizing public & private authorities since becoming aware of this arduous electronic slavery - while being severely disabled, destitute, & homebound - all my furore & struggles have turned to despair! By writing you I hope that you would acknowledge my protest, aid in raising public awareness & legally support my appeal for justice. I am pleading for your help to be unleashed from these atrocious cybernetic shackles! Please address the outcries of all victims in ending all forms of electronic genocide & menticide!

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Kommy**

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Mary and I live in the USA. I am a 53 year old woman, wife, mother and grandmother... Following is my story: My Hell started in 1991 of electronic harassment and gang stalking. I am looking for someone to get them to stop!

I was dealing with situational depressions caused by a divorce that would have resolved itself. But instead of helping me in a time of great grief, distress and confusion that was happening in my life...some organization decided to hijack me and indoctrinated me into this living HELL for the rest of my life! I was a good and decent woman, a good mother, helped others and I had a kind heart. I was active in my community, president of the wives of the Los Angeles City Fire Department and helped raise money for the poor and active in my church. Now I have no guts and no spirit and have isolated myself from people. I have been in this for 17 years. I live in isolation out of fear.

FOLLOWING ARE MY PERSONAL EXPERIENCES WITH THESE PEOPLE:-

Street theater incidents and invasion of my home and overt harassments in the preliminary stages of indoctrination processes for the purpose of letting me know I was under surveillance and my life is completely controlled by human hands:

1. Clothes; all had pulled seams in the material.
2. underwear all had holes and rips in them.
3. when shopping for clothes ...they would place red threads them Making sure I was aware they were going before me and directed in advance where I was going
4. caused my supervisor to have extreme emotional swings toward me...they caused my computer to malfunction...they caused me to not be able to work in that environment and I was eventually "let go"...it was humiliating...I am a bright, intelligent person, and have always succeeded in everything I've ever done. How dare they put me in those "no win" situations and cause me such distress that I would lose a very much needed job...I was a single mother with no other support to pay my bills...I almost lost my house...could barely buy food...creditors on my tail for unpaid bills...I needed that job! They were slowly but surely isolating me from everything and everybody...I felt so alone and persecuted!
5. In my house telephone wall sockets were changed to some huge complicated mechanism I did not have before.
- 6.constant wrong numbers
7. pillows in my son's room had the schematics of the inside of my home lightly drawn on the pillows

8. I found paint and dirty towels in the garage near my washing machine to show me they changed the inside of my house.
9. a huge, long, thick dark black hair, a foot long, (my hair is blond) neatly placed on my bedside table... again, making sure I knew someone had been in my house that day...it was left purposefully for me to find...the black hair matched one of the women I saw stalking me. I've seen these two women several times, one had black hair and the other had blonde hair and they were in their mid thirties.
10. my brother chased someone from my back yard, over the block wall into my back alley...he chased him a couple of blocks and lost him in a parking garage.
11. Two women watching me through a reflection in my son's glass picture frame which bounced off the back window facing a two story structure. They were standing on the steps smiling at me...these were the same two women I've seen several times before!
12. Red laser light glaring at me in my bathroom mirror showing me I'm being watched from the window behind me while lying on my bed at night.
13. shadows on the ground outside of a person when there was no person around
14. seeing dark clothed person inside my house peeking around the corner when I was laying down on the couch
15. street lamps would turn off ...one at a time ... as I would drive home
16. my carpet was electrified when I would walk on it throughout my house.
17. the smell of gas in my bedroom when I would try to fall asleep They gave me the feeling I was being knocked out unconscious.
18. Hologram images on my body... I could see cartoon characters as if it was imprinted on my body, these same characters were also on the ceiling in my house of course only I could see it...eventually these images in my minds eye went away! This lasted a few weeks though.
19. a tree outside my house seemed like it was cut into characters of owls which happened overnight...again it must have been a holographic image seen through my eyes only...this disappeared quickly.
20. a person in front of my house pretended he was a utility man but he was doing work by himself at night...changing a water meter in the ground...he gave me a creepy feeling and the situation didn't look right.
21. while driving in a car with my sister a whole group of people that were quietly standing at a bus stop instantly started fighting with each other then jumped in front of my car
22. In another incident my car was damaged by someone knocking off my rearview mirror
23. constant car problems such as my wind shield wipers would automatically go on every time I started the car ... difficulty getting my keys to work in my locks...engine troubles galore...this car was barely 5 years old with no previous problems...now it consistently breaks down!
24. Radio being placed on Spanish stations each time I turned it on in my own home ...I don't listen to Spanish stations nor can I speak Spanish...this happened several times over a two week period...at the time I was a single mother living alone at times ...these incidents were when my children were visiting their father.
25. Spanish people walking up to me and asking me questions in Spanish
26. My artificial finger nail case that I kept in my closet had masking tape around it with hieroglyphic writings on it.
27. Constant dog poop on my front lawn and backyard...I don't have a dog.
28. Odd things being placed in my backyard such as gun shells.
29. horns honking and sirens that matched what I was thinking while lying in bed at night
30. I saw parts of my kitchen on a television show...it did not match the background of the Christian station that was being broadcasted. I don't know how they did this but it is true.
31. Repeat of scenes on television programs
32. Placement of rats and large rodents on my block wall to frighten me.
33. placement of cockroaches, bees, spiders in my immediate surroundings
34. Being chased by bees that reacted to my thoughts

35. Banging noises and crackling of ceiling...doors....walls....all electrical appliances and the television set
36. Mail theft and tampering and interception
37. Acts of Harassment by formerly friendly neighbors. Sudden, bizarrely-rude treatment, isolation.
38. Noise campaign
39. Acts of vandalism such as tampering or destroying objects in my home causing me to throw them out ie., pillows, condiments, nail supplies, telephones, holes in my wood floor behind my couch near a telephone outlet.

BODILY FUNCTION PROBLEMS:-

1. Feeling like I needed to urinate immediately every time I would go into a grocery store. For awhile they had me going at least 20 times during the night.
2. Feeling pins and needles in my feet to the point I could not even walk
3. unusual skin rashes on my arms and left hip and in both ear canals and on eye lids
4. my right eye (for a short time) had a yellow film in the corner on my eyeball...like a cataract (gone now)
5. A huge scratch on my left hip suddenly appeared with a huge rash around it after waking up the next morning...someone did this to me in the middle of the night!
6. pain in my teeth....sudden bleeding gums
7. Ringing in my ears that was sometimes excruciating!
8. heard loud noise outside in my back yard that glass was being smashed ... I ran out there bringing my mother with me who said she did not hear anything....and there was no glass on the ground....only I could hear it being smashed
9. Slowly being forced to sleep...as if someone had drugged me...I fought to stay awake waiting for the perps to appear in the room....just before I was completely knocked out I saw three figures dressed in all black entering the bedroom from the closet...I remember telling them just before slipping into unconsciousness "I got you!" A few moments later I was startled to a wide awake noise of glass being smashed...of course no glass was ever found.
10. Terrorizing nightmares being chased in mazes with someone after me in every corner...I could not find my way out....these nightmares were induced by them...I would wake up in terror ... too afraid to fall back to sleep
11. Nightmares of being paralyzed and not being able to move; such as me in a car and not being able to step on the brakes! Someone after me and not being able to run!
12. nightmares on different nights were; of being burned alive...being shot twice in the chest...cartoon episodes that would turn hellish....sexual nightmare dreams...skin flayed on my whole body as if being melted away from extreme heat...satanic nightmare attacks often....Spiders....rats....cockroaches....snakes
13. Sexual rapes while wide awake by them manipulating my body...they know I hate this tactic by them and fear them doing this to me...I cry for hours afterward ...eventually they allow me to fall asleep usually around 5 am. However sometimes they don't allow me to sleep at all...they will put my body in a deep rest mode and keep me still as if I'm in a stupor...they will allow me to listen to Christian music with my earphones on....it can be very extremely soothing....they make it so you can exist as a human being but only just enough.
14. Twitches in my extremities....aches and pains as if a knife was being stabbed into me...extreme headaches with onslaughts of their thoughts harassing me....telling me I need to do something in order to get the attacks to stop.
15. Induced heart attack symptoms ...I thought I was going to die.... requiring a doctor from the hotel in Germany who barely spoke English ...he gave me an injection of something that calmed me down...I was surprised they allowed some type of medication to help me...usually no medication of any type that they don't feel I need is allowed to work in my body.
16. Extreme emotional swings of deep sadness and despair...extreme anguish of pain....blockage of thoughts....

17. Difficulty praying to God...blocked by them..
18. Difficulty in reading a book....they keep my thoughts on them and won't allow me to concentrate on what I'm reading.
19. computer problems....changing what I write on the computer with misspelled words, spaces in the words! Electronic harassment when trying to type. Stopping emails...erasing what I've written... changing the lines and spacing of words automatically while typing as if everything I'm doing is wrong... making me feel inadequate and eventually needing to just give up.
20. Television equipment going on the brink
21. All electronics acting up
22. can't unscrew bottle caps....they make things too difficult to open
23. Everything I eat or drink has a different taste at times
24. Smells that come from no where
25. Sleep deprivation
26. Sensory over stimulated
27. Several near death experiences in nightmares
28. Threats through their mental torture that they will hurt my family members if I do not submit to their will such as: causing arguments in my children among their loved ones, causing them depression or distress or anxiety attacks to the extreme...when I told them I was the cause of it because I would not submit to my handlers will...my adult children did not believe me and only caused my loved ones additional anguish to see their mother so tormented....real or imagined as they put it....being left with the guilt that I would not submit even to help a family member tells you how angry I am at them....ordinarily I would give my life for them....not being angry at these handlers is just about impossible for me!
29. During cancer treatments and surgeries in 2000-2003 they continued to harass me and cause me great mental and emotional distress They used these times specifically to cause me more harm...they would not let up until they wanted it to end....during chemotherapy treatments they would harass me mentally... again because I would not submit to there will and stop my anger towards them....they purposefully cause you such anguish or torture that I just could not forgive them! Because I wouldn't forgive them...I would cry during my whole chemotherapy treatment in anguish over their harassments toward me.
30. After surgery they made it so the morphine drip would not work for me to relieve my pain...they made me feel emotionally distraught by not having the nurses answer me when I would press the button for them or have the nurses purposefully not put my table near my bed so I could reach for Kleenex or water
31. Made me feel extremely guilty for asking for pain medication when I desperately needed it in the hospital...caused sleep deprivation in the hospital where not even the medications given to me would work! Again, because I would not forgive them for allowing me to have pain medication when I needed it and again they would torture me when I asked for pain medication and again they would not allow me any rest! I ran fevers after each of my surgeries. I believe it was largely due to the distress they caused me...I healed very slowly...as I had several reconstructive surgeries after a mastectomy. Each time afterward they would put me through hell!
32. Extreme feelings of grief and hopelessness
33. Extreme feelings of induced anxiety...such as scuba diving 100 ft below the surface of the ocean and they induced a sudden panic attack (for no good reason as I was perfectly relaxed) I barely made it to the surface ... I was in agony as I struggled to the surface SLOWLY ... as to not get an embolism ... I wanted to rip off my air supply as I was not getting enough air...getting to the surface took forever...I anguished over the memory of this incident for a long time.
34. Another anxiety attack happened while parasailing (I do not get scared of heights normally)...I was enjoying the view as usual while flying through the air when suddenly they instilled tremendous fear inside my...ruining my whole experience (I've done this several times before and NEVER have I ever been frightened...on the contrary ... it is a hobby I extremely enjoy!) I was so mad at them for putting that much fear inside me that I was again very mad at them for ruining my vacation.
35. Another time I was river rafting ... I believe they tipped the raft over several times on purpose causing me great fear ... They like to purposefully ruin my fun!

I have a history of them doing this to me ... with their usual approach toward me when I'm trying to have fun, it's no wonder I'm afraid to do much of anything anymore... I question what are they going to do to me next?

36. visual holograms...such as; cartoon like bunny rabbits chasing me on the ground...ghost like dark figures walking down the hall...two white light figures standing in a bedroom...while looking at the cement in my backyard the small holes suddenly became large bumps...they would change it back and forth as they would talk to me in my mind!

37. visual disturbances with eyesight...cloudy sometimes...unable to see well enough to read at times... perfect clarity at other times...I have 20/30 vision normally

38. Scary monsters in nightmares...the last time I ever had a nightmare was when I was a child...now I get them just about every night and I'm 53 years old!

39. while wide awake and arguing with them.... they will induce visions in my minds eye in order to get me to submit to them such as; induced visions of black spiders

while awake in my minds eye...visions of a child sitting naked being molested (they did this to me because I was angry at them and would not forgive them in my heart which made it difficult to pray) this vision compounded the problem because I had been molested as a child which made me feel very sick inside ...sexual innuendoes regarding my Lord and Savior...anything and everything that is abhorrent, abrasive, abusive and torturous.

40. While praying to Jesus...I was given a terrible vision of a sexual nature. I had not been able to look at our Lord Jesus for a couple of years fearing my handler will do that again to me.

41. My handler consistently starves me from praying to my Lord Jesus to protect me from her. I can sometimes pray when I submit to her will first

42. I'm unable to pray the rosary without her attacking me and harassing me...she says I'm not doing it right or that I'm not humble enough.

43. Causes me to remember things wrong on purposecauses my husband to remember things wrong on purpose which causes disharmony on purpose.

44. the sensation someone is tapping you on the shoulder as they speak to you...that was very frightening in the beginning before I got used to it...especially when you are all alone in the house...I thought it was a ghost at first!

45. They manipulate all those around you to cause you frustration and anger...these ordinary stressful situations become chaotic and hurtful when they tell you they are doing this to you on purpose such as; standing in a grocery line, and the person in front of you, who only has one or two items, takes about 15 minutes to check out because the electronics have gone awry or causes them to push the wrong buttons; or being at a kiosk to get coffee and the person continually skips over you and you are unable to give your order; or escalated extreme emotional distress that causes the person you are with to fly off the handle for a small reason causing arguments...causing you to work very hard at keeping your temper in check... causing extreme emotional swings is a common factor with them; they manipulate no win scenarios...no matter what you say or do they will make sure it does not get resolved peacefully.

46. If I dare to go outside and be with people... inevitably something goes very bad....such as physical and psychological attacks...it is very embarrassing to cry in public...my family does not believe this is really happening to me and want me to get on medication....they don't understand medication will not help me...in order to appease them I have taken medication and seen psychiatrists or else my family feels I'm not taking care of my emotional health...I feel so frustrated!

47. When I speak to my handlers...they change the meanings of single words I say...causing the whole sentence to mean something completely different of what I want to say...this causes me great distress, frustration and anger.

48. They've induced instantaneous nausea, dizziness, bowel and bladder control problems, appetite control, blurring of vision, eye control etc. these manipulations coincide with what they are demanding from you at the moment.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

To Whomever it May Concern,

My name is Lindsay Griffith Baldwin. I am a 32 year old Texas native. I am a victim of covert harassment, cause stalking, stalking by both men and women, landline and mobile phone tapping, computer monitoring and hacking, vehicle tracking (by I assume to be GPS), and illegal 24/7 apt. surveillance via hidden cameras in all of the apts. I have lived in since around 1996/97. I am not, I repeat, NOT, a victim of V2K (voice to skull) or DEW (directed energy weapon) military harassments.

Please allow me to summarize my true horror story as briefly as possible. Take into account that at this time, I have elected to leave out the names of the perpetrators whom I am convinced are involved in this obvious hate campaign/conspiracy against my character (some are actual family members). I am also leaving out all of the exact and precise details of what has happened to me since 1996. If you want more specific details, please let me know. My story is quite long and somewhat incredulous, but I assure you it is all true. I have kept an active log about these illegal atrocities for quite a while now.

I have been a victim of this cause stalking, stalking, spying, phone tapping, apt. break ins, car lock picked, computer monitoring, employee mobbing, harassments, discriminations, street theatre, ILLEGAL apt. surveillance via hidden cameras, ect. since at least 1996, if not before. At this time in my life, I am exhausted with what I am forced to deal with publicly on a daily basis as well as in the so called "privacy" of my rented apartments. I firmly believe that this ALL has to do with a blatant lie about an inheritance, and family feud about this money that I was literally tossed in the middle of. Was it an accident or was I chosen?

Anyway, at this point I do not care anymore who does or does not believe me. I know I am almost 100% right in why this is happening, and also that I am telling the truth. I can 100% guarantee you that ALL of these harassments against me all started when I met a certain wealthy and powerful person, and that now, it has to do with a large sum of money I was due to inherit and a feud about who has "legal" access to it. That's it for now, as I am just wasting my time and yours until I get the respect and the professional legal help I need and deserve after so many years of lies, set ups, stalkings, harassments, and being used and manipulated by so many people.

I am a target and have been since 1996. I know EXACTLY who the plant was who has caused ALL this crap in my life. I do not think he was a bad person. But he was wealthy and chose me due to my honesty and being real. He found me and took a keen interest in my life. For this I have been unfairly punished, stalked, surveilled, and harassed for almost ten years.

Before this person came into my life, I had what you could easily call a "normal" life. I am almost 100% certain that the "problem" (as others see it) was that this person tried to put me in his inheritance which caused a huge battle, and I was never told anything, but I KNOW this is what happened, as I can sense it. He told me how his family was "after him for his money" and that I was the one he had chosen, etc. etc. This man found me, and not the other way around. I have learned through all of this that being an honest and good person gets you no where in this fucked up world. I have been set up, used, lied to, and taken

advantage of by more people than you can imagine. Fortunately I have kept a very active journal about ALL of this stuff that has happened, and it is 100% accurate.

My "covert" harassments, cause stalking, stalking by individuals (men and women) street theater bullshit, phone tappings, computer monitoring, vehicle tracking, harassment from radical religious cults, harassment and monitoring of me by neighbors, etc. etc. has forced me to have to result to not having a real life. I have no privacy and I have had to give up what my natural talents were for, art and painting. In the past I was manipulated by signing entertainment release forms after a few "auditions" of which MY life, my art, my identity, and my ideas were STOLEN. I was not paid one god damn cent for this total exploitation of my life and my story by these entertainment greedy sexist fuckwads. I can 100% guarantee you I am NOT making ANY of this up. I lived in Echo Park, L.A. for two years and was harassed, stalked, and monitored there as well. My life is a fucking joke.

These sadistic, greedy, and nosey people have ruined my life. What is really disturbing is that it has to do with an inheritance feud, a 100% BOGUS psychiatry "diagnosis" from the past, as well as several lies and "tests" by medical doctors. And worse of all, my own immediate family is perfectly aware of this, but the only thing that matters to them is control over my money and life. I do not hate them by any means, but NEVER again will I trust another person in my family. Also, I have no real friends nor do I want any, as they always turn around and stab me in the back. I maybe have about two, and that is all I want. I used to be a happy, outgoing, creative, and adventurous person. Now my life is over and ruined. Waking up each day is a burden and a chore of which I have to force myself to do. Do you know what it is like to have total strangers invade your entire privacy and intrude on your personal life? Due to their ignorance and jealousy? It is awful. I am NEVER left alone anywhere I go, no matter what. And no, I do not hear voices in my head or anything like that. I am just well aware that I am a target of the govt. and I have known for years now that I am under this ILLEGAL surveillance. My best advice? TRUST NO ONE, not even those in your family. Just trust yourself and your instincts. With my VERY TRUE situation, EVERYONE I know and meet has LIED to me and used me in some sort of way. Many people are just awful.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Dear Sirs and Madams,

My name is Rafael Gonzalez. I live in the Los Angeles County of the United States and my nationality is American.

I have been a victim of "electronic harassment", and "organised stalking" for 4 years that I'm sure of and perhaps many ,many more.

"Electronic harassment " and "organised stalking" are undoubtedly very serious crimes with potentially very damaging results.

There is a long list of symptoms that t.i.'s (targeted individuals) experience that affect both physical and mental states. (Personally I have experienced v2k , which means "voice to skull" for the past 4 years nonstop 24 hours a day, 365 days a year).

Many t.i.'s lives , including myself, have been shattered and going through this have labelled as mentally ill, or have become outcasts with nothing wrong with them other than these horrible unexplainable crimes that have been committed against them.

I hope that these crimes will be investigated and the criminals will receive penalty to the extent of the law.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Than you for your support.

Sincerely,

Rafael Gonzelez

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I support the campaign against the abuse of directed energy weapons.

I am a victim of directed energy since march 2004. I am a US citizen born 4/27/63. For the past 4 years, I have experienced events and experiences in my life that I can only attribute to anonymous hi tech mind control targeting. The symptoms of this targeting appear very similar to those of mental illness but I assure you that I am of sound mind as I write this letter and have been throughout the whole period that I have been targeted.

I have been in contact with a great number of other targeted individuals and in comparing notes; we have all found that our symptoms and experiences follow a very similar pattern.

The group I speak of has done quite a bit of research into areas of technology, and we have found that the exact methods for anonymous mind control targeting may or may not be available to the general public--perhaps they are of a classified nature.

We have surmised that this targeting is masterminded by a group or an organization that is capable of immense secrecy while influencing a great number of people. Hence we feel that we are being used, illegally, as human guinea pigs--perhaps for some very dangerous mind control technology involving military intelligence. Or possibly by corporations that are involved in secret biotech experimentation.

I am asking your opinion for a fair investigation into this matter. Maybe you can suggest someone or an organization to help. Such an investigation is due us, by the sheer number of reports of this kind of technology, and the fact that there are numerous scientific reports that technology does exist which can influence people's minds, perhaps using EEG brain wave technology (Mind Invasive Technology), Infrasound Weapons or DEWs (Directed Energy Weapons).

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I support the worldwide campaign to "Stop The Abuse of remote physical manipulation and mind control
weaponry on Civilians.

I am a Victim of Organized Stalking and Directed Energy Weapons Torture

From ??? (from whom I'm really attacked I don't know)

Attacked (since 1997 I become conscious about manipulations, physical, psychological, mental control
and torture and especially social exclusion and work disqualification) with the purpose to ruin me in
every case because I should kill myself for political and financial influence of some powerful people.

Since 2000 I know about this fact because I hear voices since 1996 during my studying at the university.

I'm informed about this secret by this voices but I've got a lot of irritating stuff by them too. Because of
this I can never be sure about this information but through my self-observation some things verify
themselves. In any case they're never helping to solve this mass. Psychologists told me I'm mentally ill
but I've never been. I know that ill people are unbelievable and this is what the intention is. Also I got
information by people and I know, that there are some, who want me to know the truth. Foreign people I
meet are able to tell me, while there are talking with each other, what they know about the contacts and
the meaning of this control-systems. Of course many, many people know something and the important
fact is, that nearly nobody knows the truth about the intentions of this control-systems and this is
calculated because on this is transmitting financial streams and influence and power is delegated on it and
it is delegated in this way, that only a class of people can get profit of it on the suffer of a lot of others.

That's the real reason of it.

Since 1989, after an accident I've got an metal - implant inside my hip.

I know that it sounds untrue, but I know that it is needed for transmitting political and economical
information through people by transmitter stations, the voices told me.

In 1997 I went to a foreign country (Indonesia) and I need an medicine transfusion in an hospital there
because I got problems with vomiting and diarrhoea.

I made my examination in 1999 and after some month I got an extraction with local esthetization for two
tooth.

After this two operations my life is escalating totally.

I know that I got something inside of my body working for the Italian (and other)mafia(s) through the
implant inside of my leg. I can't believe this but real life thought me that criminal and other influences are
able to make every action I do for me, ineffective.

I loose three jobs and a baby because I can't cope with this influences. I suffer more than I can tell.

I don't know really if there is a connection between some things in my body (Ionisation) or if this is
something to make me mental ill but for sure the control mechanism is working on it because I realize it
on my body, my mind and my soul and between me and people I'm with.

In fact I don't get several times my work position, because people there are wrong informed about me or I
lose it without a real reason. I've got an university degree and are well educated and it's the intention of

this criminals, who work for an upper class in political and financial, to avoid a real chance for me to get an appropriate position and equal participation. The same happens in my private room. I have a really loveable men if he is not directed against me again and again. This happens by mind control also with friends or those who I want to become a friend. The meaning is to avoid an fulfilling life and social relationship.

I searched at several places for help. I ask a 6 x police superintendent, I ask at a court of justice, and a lawyer, I ask doctors and other experts without real success. I send letters to the "Institute for Technikfolgenabschätzung in Stuttgart, Fritjof Capra in USA, "White collar crime Institution" in Richmond, USA, Leoluca Orland Italy, Rechtsmedizininstitut , etc. etc.. The police told me I need evidence about this implant inside of my blood, my mouth and my leg. I don't know where to find someone who is able to bring this exhibit. Everybody who wants to help or who is able to help gets wrong information from this criminals, they earn blackmail or threat. They convince people that it's not important what happened because they know it's the most important thing that happens in Germany and through Germany or the USA or Russia or other countries - all over the world. In every way they try to make myself unbelievable and I know it's easy because things like this are impossible when you hear of them.

I want to become free of all of this. I'm attacked by high-tech. guided radiation at the solar plexus and other places (I got blisters on my leg from this), automatically convulsions, voices, they are controlling thinking, feeling, speaking, life and love against myself. They torture with psychological methods. They are able to take of feelings like sympathy and they stop feelings like interest in my situation. Everybody who wants to help me will be manipulated that nothing happens for help to me. I love to live and I want a self determined life but they told me they will destroy this life.

I know that these things are secret, but this secret covers a crime because this high-tech-control is killing me (they are killing my soul for a suicide). I believe people become guilty if they don't react.

There must be a international right for recognition and for acceptance of mind-control-victims because they are really victims of immoral politicians, financiers and power-interests all over the world they are able to isolate a really huge group of people. This is political prosecution and political intended torture and disprage with the aim to kill people.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I support the worldwide campaign to "Stop the Abuse of Remote Physical Manipulation and Mind Control Weaponry on Civilians".

I am a Victim of Organized Stalking and Directed Energy Weapons Torture.

From: Lithuania. Attacked since August 2003

I am a victim and witness of directed energy weapons harassment and torture in Lithuania. The open abuse began in the August 2003 when I was a university student, although the signs of mind control influence date back much further, something around 1990. In the summer of 2003 the people who had been torturing me since 1990 started using Voice to Skull against me and especially manipulation with my thoughts and imagination. With their equipment they can not only read my mind, but also implant any images, generate any stream of thoughts, and manipulate my emotions and behaviour.

Judging by what I have experienced since August 2003 until now (August 2007), the secret service of Lithuania has obtained and are using against the citizens state-of-the-art psychotronic weapons that can be used to manipulate and fabricate the processes in your psyche. From what I have experienced, they are able to impose any information on the brain of a person, presumably by some kind of waves, which in the mind take the form of "voices", thoughts and images in imagination. In addition to this kind of implanting information that they need, they manipulate the psyche so that the information is written into your memory. Then by stimulating the certain regions in the brain they can retrieve this information and present it as your own "memory". This is the conclusion that can be made judging by the influence they have been making on me with their psychotronic weapons, for example artificial thoughts, imagination and mental torture.

Between 2003 and 2004 I was tortured with Voice to Skull, inflicted hyper kinesis, mental pain, migraine, nausea, vomiting and fabricated artificial thoughts. As a result I had to spend one month in mental hospital in the autumn of 2003 where my persecutors constantly threatened to murder me. Also, in the same hospital they made me sterilization without my consent. When I was released from hospital the torture and gang stalking even intensified and I was taken to hospital again in the spring the next year (2004) where I spent three months. All this was happening when I was a university student. The torture inflicting mental pain, agitation and hyper kinesis had been continuing for a year and a half. Now I am mostly tortured with Voice to Skull, artificially induced thoughts and imagination, depression, migraine, sleep deprivation and occasionally causing vomiting. Also, they can take information from the auditory area in my brain recording what I hear and by using voice to skull, which transmits information to this area, they record what they themselves say and present this as my words.

Other noteworthy effect of mind control is blocking of my abilities. They showed me how they can damage my memory, block the speech and thought process. The persecutors also use behaviour modification by creating compulsions or blocking the will.

In the August of 2006 I lodged a petition (Nr. 647/2006) with the European Parliament expecting that the abuse of psychotronic weapons will be discussed and that some steps will be taken to stop the violations of human rights. However, the petition was rejected and the issue was not brought before the Parliament for discussion. In the reply from the Petition Committee it was stated that this matter is not within the capacity of the Parliament. I wrote letters to other European institutions as well, but received either no replies, or they said that they cannot do anything about this. I reported this abuse of psychotronic weapons to the prosecutor in Lithuania as well, but the report was rejected as unfounded.

I demand for an international investigation of these crimes and blatant violations of human rights.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

I remember some one send me email which mentioned illegal private house break-in. I believe it true. I found that the lock of my accommodation terrace slide-door was fiddled at the end last year. I just moved in new accommodation for a few weeks. The perp armed with invisible technology and hypnosis technology has been harassing and torturing TIs, include women and children. What he can do, you imagine! That 53 years old perp, in Cirencester, UK is god-father behind a ring of perverts. His brother is living in the southern of China. His evil claw outstretch whole Britain territory and beyond. What sort of devices the perp can install in TIs room? He got plenty time and opportunities to do that. DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Dear John here is some of my factual story and if you know of anyone in Florida that would want a roommate please let me know -I collect social security because of these attacks and they became permanent,.....

Mental Illness and different emotions IS possible(ie paranoia skitophenic,depression,guilt,anger,fear and more) ,that form of voice , pain, emotional changes including suicide (2nd or 3rd cause of young adults deaths) is not only possible BUT our Military has Patents on it. This "communications" has been since before "Son of Sam" David Burkerwitz talking to a Dog via "thought" , and this has attacked my Family (Father's dead from "talking to God") since the early 1960's . Don't you think my family has had enough, it's attacking me badly and I'm just barely holding on to life. My Mom and Dad were WW2 vets and they divorced, after 20 years, after the attacks started to my Mother in the form of emotional outbursts in the 60's,70's and 1980's and my father staring off and "talking to God" in the 70's and dying in 1992 not able to take anymore of it-the Doctor said his will to live is gone. Whatever you and Russia has going please honor our Constitution and stop , your people are just aiding the enemy during wartime against me

an innocent victim like my dad. Therefore given this, where does original thought come from, if you can send it to a person's GPS as their conscience. John Hinkley, David Burkerwitz, and lately the Virginia Tech shooter. I not only have voices telling me awful things, but, while I was in an emergency ward Memorial Hospital June 11 2004 a Navy Seal with Navy Seal printed across his t-shirt came in, sat next to me, cupped his hands over his ears and started yelling Ma Ma, Ma -Ma, then within I'd say 3 minutes real-time voices were telling me "call your Mother she's dead" then the Navy Seal left the emergency ward, got up, left without ever seeing a Doctor, these voices continued about my Mother's death and to call her for 1 ½ years every day and night. Who would order this? When I was in the Bahamas I was transported from one jail, on one island to another, for hearing voices, on August 5th 2004 at dusk by United States Military helicopter, In the Bahamas jail where there were gunshots (real ones) and voices (to my head) saying I'll be taken out back and killed, these voices came through loud and clear by computer, right to my inner ear, like by laser or something. The voices came with bodily pain, lots of it, intense, unbearable, pain in my abdomen, intestinal, head and ear pains, phantom touch also, constant voices used other Senators and Presidents voices also with ad-lib fights between Bush and Kerry in my mind with different voices giving descriptions of punches and more -it was election year 2004-, my UPS and Fed-ex were taken, hand stamped, address unknown, when the address was fine, all these signed and stamped by the same person. Faxes and emails disappeared. I need a meeting with someone of a high rank, and me to sign non-disclosers on this matter instead of "them" killing me via this technology under your command and the President's. Sincerely truthful, taught by Dad, Gary Norman Landry. P.S. Doesn't my WW2 vet Mother, Brother and Sister have a right to know what happened to her Husband and Son, Father and Brother in one FAMILY? These emotional changes fear to anger or guilt, remorse, they can pull from previous experiences-record them and what happen to make you feel this way- so they can give back to your or my subconscious at any time like a closed loop of anger you've had or fear. They have heated my head -hot to the touch while laughing and saying "we're not going to kill you Gary, and I knew your Father" things of this nature along with intense bodily pain to chest, stomach, head and groin. Please make them stop and have someone with this knowledge talk to me in person, I'll sign non-disclosure papers. I am ruined emotionally, physically, and financially (I am bankrupt-not of my doing but theirs), I am now on social security disability because of this, how many others like me? That's why a face to face meeting with me, and me signing a non-disclosure, after all this has attacked my family Mother, and Father and Me for decades. I deserve to talk to someone about this and not a person who doesn't know it's manmade. Someone in Homeland Security or another form of Government, who is honest with me, I need to know what happened to my Father and Me -both hearing man-made voices, via computer, to our GPS exact location -to our inner ear, temple area with pinpoint accurate aim, locked on. Please have someone who has been following me with this technology, have a meeting with me or anyone else who will level with me. Please BE a Patriot. -- Have you heard of spontaneous rebroadcast? Whose doing this to my family? for 3 decades now. Since my Mother and Father, it killed my Father and it's killing me.

---You don't need to send me reading on this as both my father and me had more than anyone can describe, much more, plus they can now make anyone's voice to me as they have used Pres H.W.Bush, actors, actresses, and more....Senators John McCain's voice, and others -so I do not need a run down telling me what they can do as I have experienced more than anyone -period -with over 1,000 breakdowns crying in the first year 2004 alone. Tortured more than anyone before death -nobody has been tortured more than me -all the while I brought it to FBI, Hague, EU, EP, United Nations and more. They own my life and now I will be warehoused in an institution (assisted living facility) this for me a guy who built houses all my life. Sincerely Gary N Landry

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany.

Ich selbst, sowie meine 67-jährige Mutter werden seit Februar 1999 mittels Strahlungstechniken, -waffen versucht gehirnanipuliert.

Ich fühle ständig starke Bestrahlung des Gehirns, der Ohren, des Herzens, des Magens, des Rückens, der Leiste, der Beine, der Hände und der Schultern. Die anderen inneren Organe und Körperteile wurden auch bestrahlt.

Die starken und manchmal unerträglichen Kopfschmerzen, Bewusstlosigkeit, starke Schmerzen im Hals, in den Ohren sowie ein starkes Brennen im Kopf und in den Schläfen waren weitere Konsequenzen von dieser Bestrahlung.

Ab und zu traten Atemstörungen, Schwindel und Erbrechen auf. Es kamen aber auch Schwierigkeiten mit dem Sehen und Hören.

Bereits 200 Opfer dieser Form von Kriminalität gibt es allein hierzulande. Sie werden mittels nachweislich existenter Techniken "welche von d. UNO als Waffentechnik einkategorisiert wurden" überwacht, gequält, terrorisiert! .

Beobachtungen der Opfer hierzulande sowie auch weltweit beweisen, dass es sich um experimentelle Versuche an Menschen handelt, die sowohl der Entwicklung und Erprobung neuer Waffensysteme für militärische Bereiche, als auch schwarz- experimentierenden Kreisen aus Medizin, Pharmazie und Wissenschaft zur vermutlich hochprofitablen Bereicherung dienen. (Intensität und Ausdauer der Täter sprechen für sich.) Dem Bereich Perversenklientel des Landes muss hierbei ebenso Bedeutung zugemessen werden.

Hinsichtlich zuletztgenanntem müssen Opfer vorbenannter Kriminalität Elektromagnetischer Terrorismus), bei dem es zum Einsatz von Strahlungswaffen kommt, jedoch folgende Erfahrungen machen:

- Öffentlichmachung und Anzeigenstellung o. b. Kriminalität wird mit Missbrauch von Justiz und Psychiatrie geahndet.
- Anstatt Anerkennung von Zivilcourage erntet der Kriminalitätsanzeigende hier psychiatrische Diagnosen (Mundtotmachen durch "Psychiatisieren, bzw. es wird dem betroffenen Opfer dieser Form von Kriminalität ein strafrechtlicher Tatbestand" erarbeitet).

Die schädigende Wirkung von z.B. Mikrowellen Waffen auf den menschlichen Organismus ist seit vielen Jahren eine wissenschaftlich belegte Tatsache. Menschen werden überwacht, gequält, psychoterrorisiert, versucht manipuliert, getötet. Sie leben und leiden unter der Menschenwürde. Menschenrechte und Grundgesetz werden hiermit außer Kraft gesetzt. Etliche Anzeigen von Betroffenen über Jahre hin sprechen für sich.

Ich nachweislich liebevolle Mutter und Krippenerzieherin verlor das Aufenthaltsbestimmungsrecht für

meine Tochter Jill, 8 Jahre alt aufgrund der Inanspruchnahme meiner grundlegenden Rechte.
 Wir kleinen BÄ¼rger haben wesentlich weniger Mittel und MÄ¼glichkeiten zur VerfÄ¼gung, um uns
 und unsere KÄ¼rper gegen radikale Angriffe mit Strahlungswaffen zu wehren!!!
 Schreiben meinerseits sowie etlicher anderer Betroffener, gingen an zahlreiche BehÄ¼rden des Landes bis
 hin zum Petitionsausschuss des Deutschen Bundestages. Aber wir bekamen keine Antwort!
 Es gab bereits TodesfÄ¼lle unter den Opfern. Meine Mutter ist, wie schon zuvor angesprochen, eine der
 Betroffenen, die aufgrund o. b. KriminalitÄ¼t an Krebs erkrankt ist. (Sie ist im Januar 2007 gestorben.)
 Alle Betroffenen wollen nicht darauf warten, in dieselbe Situation zu geraten.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
 DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Mein Name ist Henry Lichterfeldt, geb. im Jahr 1971 bei Potsdam geboren und wohne derzeit mit meiner
 Freundin M. L. in Berlin.

Bestimmte Beobachtungen (Ä¼ltere mÄ¼nnl. und weibl. Personen standen stÄ¼ndig an
 StraÄ¼enkreuzungen oder allgemein im StraÄ¼enland mir immer so in mein Blickfeld und
 handytelefonierend positioniert, dass es mir vorkam, als wÄ¼rde man mich bereits erwarten und wissen,
 dass ich diesen Weg oder diese StraÄ¼e nehmen wÄ¼rde). All dies bemerkte ich erstmalig im Jahr 2005.
 Dies bewog mich zur Recherche im Internet und ich stieÄ¼ bei der Eingabe bei Google: â€žStasi
 heuteâ€œ auf eine Internetseite namens: www.mikrowellenterror.de.

Angefangen hat alles mit der Wahrnehmung bzw. Beobachtung, ich wÄ¼rde von bestimmten Personen
 (junge, alte, behinderte Pers. und es fand ein stÄ¼ndiger personeller Austausch statt â€œ immer
 wechselnde Verfolgung) verfolgt, beobachtet und dies nicht etwa heimlich und verdeckt, nein ich sollte es
 sogar mitbekommen. Ich alleine wohl gemerkt, kein anderer sonst sollte dies oder konnte dies bemerken,
 es wurde geschickt aufgezogen (von VERFOLGUNGSWAHNVORSTELLUNGEN sollte
 ich anderen wohl berichten oder es sollte mir unterstellt werden, ich hÄ¼tte solche - und es kam Angst
 auf).

Nachdem ich bestimmten Personen im Vertrauen von diesen Wahrnehmungen berichtete unter anderem
 auch davon, dass ich in irgendeiner Form bestrahlt werde, glaubte mir niemand (Anfangs glaubte ich es
 seien â€žSubwooferâ€œ im Spiel von irgendwelchen Computerspielen bei uns im Haus).

Ich wurde auf dem Berliner StraÄ¼enland immer wieder begleitet (Verdacht auf Peilsender) von anderen
 Fahrzeugen, Ä¼ltere Leute mit KrÄ¼ckstock, junge Leute sogar MÄ¼tter mit Kinderwagen

Überquerten ganz bewusst vor meinem Fahrzeug die Straße, so dass ich akut abbremsen musste, Jugendliche und selbst Behinderte im Rollstuhl ebenfalls, parkende Kfz-TM's fuhren plötzlich und unerwartet aus der Parkfläche auf die Straße, sodass es mir "komisch" vorkam. Selbst in verlassenem Gegenden (Havelchaussee), zu einer Zeit (18.30 Uhr) an der normalerweise ein so hohes Verkehrsaufkommen nicht "üblich" ist und ich mich auf einem Parkplatz einparkte, sollte mir wohl zu verstehen gegeben werden, dass ich null Chancen habe. Viele Fahrzeuge befuhren plötzlich diese Chaussee "um diese Zeit ein merkwürdiger Zustand."

Des Weiteren ging ich in meiner Not zum BKA Berlin Treptow und erklärte mich über meine Beobachtungen.

Selbst am Eingangstor des BKA wurde ich von einer "ö. Person" erwartet, welche demonstrativ dort abgestellt wartete, mit dem Handy telefonierte. Er trug um den Hals ein rotes Messeband mit der Aufschrift "Bunderegierung.de" und begründete reihenweise die in das Tor fahrenden Fahrzeuge, unter anderem erkannte ich auch, welche als meine Begleiter wieder, mit einer "ässigen" Fingerzeigbegleitung. Schon dieser Empfang machte mir keine Hoffnung auf Erfolg, geschweige denn, dass ich dort irgendeine Hilfe hätte erwarten können. Dies sollte sich auch so bestätigen. Ich wurde schließlich gefragt, was ich denn anzuzeigen hätte. Ich wiederum erklärte lediglich, dass ich mich bedroht und beobachtet fühle und dass ich dafür aber keine Beweise hätte. Aus diesem Grund wurde mir erklärt, dass die Herren einen Bericht verfassen würden und ich von der Berliner Landeschutzpolizei eventuell noch einmal befragt werden würde. Was aber nicht geschah.

Allen Bekannten, den ich diese Geschichte schilderte kamen diese Dinge sehr eigenartig vor, eingeschlossen meiner eigenen Familie. In die Wohnung meiner Freundin, in der ich tatsächliche Wahrnehmungen schon seit längerem machte, dass es um Bspitzelung, wie abhören, bis hin zu Manipulationen der Handys und des Telefons, des PCs, des Fernsehers und anderer elektrischer Geräte gibt. Immer wieder kehrenden Geräuschkulissen, wie ständiges Husten, Räuspern, lautes Niesen und Nasenschnauben im Hinterhof oder in meiner Umgebung, wie z. B. beim Einkaufen und auf der Straße. Durch das geöffnete Fenster (Lärmfalter soll ständig nerven) im Haushinterhof werden ständig wiederholt Türen laut zugeknallt. In der Wohnung simulieren die Türen ständig knackende Geräusche in mehreren Zimmern, wie Bad (vermutl. elektronische Spannungen) wird ein Knacken am Spiegelschrank, der Heiztherme, des Türrahmens erzeugt, im Wohnzimmer knacken die Alubilderrahmen, Deckenfluter und selbst der Fernseher und auch der Monitor des Computers gibt unterschiedlich knackende Geräusche, selbst der Verstärker der Hifi-Anlage knackt und das nicht, weil es sich physikalisch aus Temperaturschwankungen erklären ließe. In der Küche knackt der Kühlschrank und Wassererhitzer. Selbst das Eindringen durch wen auch immer in die Wohnung vermutete ich. Ich gehe sogar soweit auch bestimmte Verdächtigungen zu haben, dass nicht nur eventuelle Magnetfelder oder was auch immer, denn ich bin kein Physiker, meine Gesundheit schädigen sollen, wie das Hervorrufen von bestimmten Hauterkrankungen, wie Schuppen, Ekzemen und anderer widerlicher Krankheiten im Geschlechtsbereich und selbst einer Lungenentzündung, das Herbeibringen von Müdigkeit am Nachmittag, stechender Schmerz in der linken Brusthälfte (Herzstiche) und das gezielte "Besenden" auf den Kopf "Augen" und Sonnenbrandähnliche Haut" mit anschließendem Abheilen von schuppiger Haut (siehe Foto) sollen dazu dienen die körperliche Unversehrtheit (physisch und psychisch) zu erschüttern oder gar zu schädigen. Ständiges "Müde machen" und Nerven mittels Bestrahlung oder subversiver Mitteilungen, Geräuschfalter, wie oben beschrieben usw. sollen den Betroffenen brechen und kaputt machen. Und dies im wahrsten Sinne des Wortes.

Gemäß einem Grundsatz der Stasi-Zersetzungsmethoden solle ja der Angriff auf das Opfer von mehreren Seiten gleichzeitig erfolgen. Rein räumlich/örtlich betrachtet, sowie auch in unterschiedlichen Bereichen - Familie, Beruf, Gesundheit usw..

All diese Methoden habe ich erlebt und werde sie auch weiterhin dulden müssen, nachdem was ich auf der Internetseite www.mikrowellenterror.de gelesen habe, kann ich mich nicht dagegen wehren und kann

ich von niemand Hilfe erwarten.

Die Zersetzung in der Familie ist auch schon erfolgt, selbst die Beziehung zu meiner Freundin ist gefährdet, da ich mich natürlich ständig dagegen wehre und mitteilen will, was mir tagtäglich widerfährt.

Übrigens bin ich mit meinen Eltern 1982 aus der DDR ausgereist (Ausreiseantrag auf Familienzusammenführung). Zudem Thema Familienzusammenführung durfte ich mir eine „uÄnerung anÄren die da lautete: „Familienzusammenführung auf dem Friedhof, ...Gelächter“. Und mir wurde immer mehr, je mehr ich in letzter Zeit darüber nachdachte, bewusst, dass diese ominösen Begleiter mein bisheriges Leben offenbar begleitet haben und mir weder Erfolg im Berufsleben, noch mit meinen bisherigen Freundinnen Glück und Liebe gegönnt haben. Entweder gibt es diese Netzwerke noch immer und ich weiß, dass es so ist, um zu bestrafen, zu rächen, zu forschen oder gar zu töten und kein Mensch wundert sich, wenn jemand an Krebs, Herzinfarkt, Unfall oder was auch immer inszeniert werden kann, stirbt.

Dieses Bestrahlen, welches hier in der Wohnung erzeugt wird, wenn ich irgendwo länger sitze, stehe oder liege erzeugt bei mir stechende Schmerzen. Zu dem erzeugen die Töter sehr starke Hodenschmerzen (ein Ziehen), welche ich ertragen muss. Die Bestrahlung auf den Kopf, erzeugt ebenfalls unerträgliche Schmerzen (es ist einfach nervtend).

Übrigens habe ich mittlerweile dieses Brummen oder Summen gezielt an den Beinen auch draußen in der Öffentlichkeit egal wo (auf der Straße, im Park, in der Bahn, im Arzthaus, im Auto usw.) ich mich aufhalte (selbst im letzten Jahr bei einer AB-Maßnahme in einer Firma konnte ich dieser Besetzung (???) und dem Generalangriff (Mobbing und Gangstalking) durch angeblich neu eingestellte Mitarbeiter und festen Mitarbeitern nicht entkommen). Dort fiel sogar der Satz: „Jetzt werden uns die Opfer schon frei Haus zugeführt“. Was heißt schon Öffentlichkeit (gezielter Generalangriff) von was für Kriminellen auch immer „Nationalen Sozialisten“, ehem. Stasi? (und da beziehe ich die Verbindungen bis hin in andere ehem. Ostblockstaaten, wie Vietnam, Polen, Russland usw. mit ein) und ihrer Nachkommen, Mafia?, wie z.B. Die Grauen Wölfe, die auch schon seit einigen Jahren ihrer „Arbeit“ auch in unserem Land nachgehen und offenbar auch an mir.

Zudem wird gezielt erreicht, dass ich Nacht für Nacht keinen normalen Schlaf (Tiefschlaf) bzw. ausgedehnten nicht unterbrochenen Schlaf bekomme. Regelmäßiges nächtliches Aufwachen ist alltäglich. Dies geschieht meist gegen 2.00 Uhr oder 3.00 Uhr. Und wie ich dann morgens aussehe, sieht man gut auf dem Foto.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany.

I was attacked since 1994.

Since 1994 we have inhabited a four room dwelling in the Gleinaerstrasse 01, without any occurrence of apartment related health problems. In march 2004 we started to experience insomnia at night, this was due to strong vibrating of the mattress. I first assumed, that the cause was from a night storage heater in rooms adjacent to my bedroom (above, below or next to my room). Conversations with other tenants in the house and the landlord about these interference's for the purpose of clarification and cessation of the vibration led to no result. On 30.08.04, I exchanged the coil spring mattress for a latex mattress. After that it was quiet for three nights, then the same interference's appeared again. From the middle of September 2004 the second room, used by me, started to be disturbed at night. From the of November 2004 the vibrations, as well as modified variants, occurred in every room of the apartment, dependent upon where I was, around the clock. Apart from the insomnia recurring each night, there are also other symptoms of illness from which I have previously never suffered: permanent exhaustion, strong internal unrest, tingling sensations in the feet and calves, pins and needles and itching of the skin, being physically drained, swelling of both eyelids, high blood pressure and high pulse rate, strong pressure to the head, and very frequent headaches, migraines and neck pains. My father, experiences again and again strong, red spots with effusion of blood in the face (cheeks, nose, chin), although he has previously never had any skin problems or any allergy. Moreover, his eyelids are permanently very swollen and red. On the advice of his family doctor, he underwent medical treatment for the skin. In the meantime, I have also had to be treated for high blood pressure and headaches. Since the end of November 2004 normal usage of the apartment has not been possible, because if we want to avoid the above-mentioned health problems, we have to be absent from the dwelling as much possible, both during the day and night. In this season, it is already difficult during the daytime, but it is an even a bigger problem at night, so that it is practically unliveable. On top that, the radiation is especially strong when the apartment is extensively used relevant to the time spent there, i.e. at night and on weekends and holidays. I now know that other causes, e.g. low frequency sound oscillation through a bass speaker or resonance from humming Trafos, can be excluded from the explanation of the illness symptoms. These can only be explained by especially in the apartment.

In order to eliminate the possibility that dwelling could be the source of this irradiation, we shut down the mains electricity for a night. This had no influence at all on the duration and intensity of the radiation or our problems.

After that, on the 7th January 2005, I asked Mr. Gasse, Dip. Eng. Electrotechnology and Building Biologist, to take measurements throughout the dwelling. He is qualified to measure high frequency radiation. Strongly increased radiation values were measured above all in my bedroom, but also in all other rooms, and that although the radiation perceived by us was weaker than usually at the time of the measurement

(from 19.30 hours to 22.00 hours). Mr. Gasse confirmed that the results measured could cause damage to health and advised us to move as soon as possible. You can see in the measurement report that in the whole dwelling magnetic alternating fields of about 75 nT (nano Tesla) are present. In the area of my bed, a value of 731 nT was measured (SAR 200 nT). The values of the intensity of radiation with pulsating signals are analogous. In three rooms, values of 6,8 to 12,8 uW/m²; (Microwatts per square metre) appear. In the rooms used by me, these values amounted to 15 and 1,8 uW/m²;. Standards acceptable by building biologists are 0,1 uW/m²;. The same applies for the values of the electrical field strength. These measure at around 44 V/ms (volt per metre) above my sleeping place, twice as high as the rest of the dwelling. One can assume the source for that must be from the areas above or below the apartment.

However, according to their statements, the other tenants in the house have no such problems, nor do they complain about symptoms of previously unknown illnesses. It is therefore seriously suspected that our dwelling is intentionally irradiated, ie to damage us!

For clarification, regarding the direction the radiation harassment comes from and from whom, I request on the basis of the measurement report of our dwelling to carry out the same measurement in the apartments above and below us (the R. Korda family and the Schmidt/Schrimpf/Grimm family). Mr. Gasse has already submitted this proposal to the landlord of the house, Mr. Flister who did not follow up on it until now.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely Jürgen Altendorf

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am writing to advise of the gross infringement of my human rights through the medium of neurological weapons. The abuses are widespread and varied both physical and mental. A typical example would be choking, even though no consumption of any kind would have occurred. Visual and aural interference i.e. alteration of print and hearing incorrect information. The most alarming part of my situation is that in order to try and convince me that it was my imagination, the same weapons are being used against my entire family without their knowledge. I cannot discuss the situation with them as it could possibly diminish their respect for me or worse still, it might appear that I am mentally unstable.

I have sought help from various 'professionals' but to no avail, the usual response is either they have no knowledge of such weapons or that my mental state is questionable.

I am living in Ireland and feel sure that the military must use or at least have knowledge of this kind of mind control. I tried to seek their assistance and could not get to see anyone at a senior level.

The one question I have to ask is, why does everyone deny that this is identifiable within a human being. That being the case, then any president in any country could be infiltrated with this technology and used to carry out whatever deeds the controllers desired.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
 DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Robert Alan Desrosiers. I am a Citizen of the United States of America, currently residing at 351 Wesley Street, Nanaimo, BC V9R2T5 as a legal temporary resident since June, 2005. On September 30, 2006, I married a Canadian citizen, Shawn David (Larose) Desrosiers and we have completed and submitted all the necessary application forms / documents to obtain a Permanent Resident card in Canada (as of April, 2007). My social security number is 018-54-7014 and my US passport number is 207256308. I and can be reached via e-mail or telephone at (250) 753-6193 home, (250) 616-2751 cell, (214) 889-5175 efax.

For almost two years now, I have been a victim of covert surveillance, human manipulation, remote harassment, torture and abuse using DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology. I am the victim of endless torture and suffering. The phenomenon is real. It includes psychological harassment to induce psychosis, isolation, depression, and suicide; physical and emotional manipulation; and devastation of financial and social resources.

The attacks and attempts to manipulate and destroy any and all opportunities for happiness have continued as a constant 24 hours a day 7 days a week. I have been forced to seek both medical and psychiatric care and to take large quantities of pain, muscle relaxers, anxiety and sleep aids to survive.

The torture and psychiatric abuse continues 24 hours a day, seven days a week by the CIA / DS&T. Manipulation of my organs (liver, kidneys, and other digestive systems / processes (and God knows what else) have been so intense that two large lumps have developed on the back of my head and neck. I believe they send electrical current from my brain through my nervous system (after having mapped out pathways), to control (turn on or off) these organs, ducts and pathways. They also direct these currents through nerves like my sciatic nerve to my periformis muscle and others to cause pain and basically snap shut the ducts and pathways of my digestive system and atrophy the muscles that aid in elimination. Their goal seems to be complete failure or rupture, ultimately death.

Last night and all day today they seem to be attacking the area around my heart, my lungs and my spinal cord. At one point all the muscles supporting my spinal cord atrophied and select muscles were activated in order to pull certain vertebrae out of alignment before the supporting muscles could hold them in place. Today they are tightening up the muscles in my forearms and thighs, (I believe this enables them to atrophy the muscles supporting my spine) so they continue to try and pull it out of alignment. They have also attempted to collapse my lung and they are targeting my heart and trying to create symptoms that might be associated with a heart attack (i.e. using the directed energy weapons to try and cause blood vessels to pop). I am calm but in constant pain from the amount of electricity they are pumping through my nervous system which caused the surrounding muscles to tighten. I think it is important to get this message out so they don't get away with murder if they are successful in causing one of these conditions to become fatal.

Relief from this torture and abuse, and aid in bringing these criminals to justice is desperately needed. I have attempted to contact the President, the Director of National Intelligence, the Civil Liberties and Privacy Office, the FBI, the CIA; as well as members of Congress, and other agencies involved in the protection of Civil Liberties.

This crime is being committed to 100's of people around the world (over 60% are American Citizens). I have 150 letters / testimonies from like targeted individuals around the world. Here are some statistics from an on-going petition (more detailed information is available on the link indicated) - **Statistics for: "BAN ELECTRONIC WARFARE ON CIVILIANS"** <http://www.ipetitions.com/petition/synergy?e>

These current strategies of theirs seem to be a more aggressive and direct means to bring an end to my ability to seek justice (kill me with a sense of urgency). They know that I have not only identified the CIA / DS&T as the perpetrators of this crime, I have also discerned very specific details surrounding it, including evidence of their attempts to impede justice by blocking / manipulating my e-mails and faxes.

I believe that I have managed to get a few faxes through to the Director of National Intelligence and Alex Joel of the CLPO which should have initiated an investigation. The continued wiretap blocking of all my communications and aggressive attempts to kill me (making it appear accidental) seems to indicate an apparent cover up. I believe they are hiding the fact that this is being done to 100's of American Citizens (more that 60 % of targeted individuals are American Citizens, including myself).

I opened an FBI / Internet Crime Complaint (IC3 # I0709241934194061 see attached) that has all the information regarding this crime and several examples of blocked communications, even e-mails destined for the Whitehouse and other government officials. I have attempted to call both the Internet Crime agency and the FBI directly to find out if anyone is even looking into these allegations with clear evidence of CIA involvement; but no one has given me any comfort that it has been assigned or that it is being investigated.

While I have been desperately trying to communicate what is happening to me by voice mail, fax, and e-mail, with the apparent illegal wire tap, I don't really know what communications are making it to the intended recipient, or what condition it is in if it does make it.

I have attempted to call the Office of the Director of National Intelligence and the FBI directly but I have not yet received any assistance or a response to the IC3 Complaint. I have contacted my local RCPM and the Canadian Security Intelligence Service, but I don't think they will act in time and I don't know if they have the means, considering the perpetrator is the CIA.

Please investigate and right the injustice and devastating financial, physical, emotional / psychological effects of having your life, your job, and your ability to be or pursue happiness taken from you; with apparent intentions to continue until I die an unnaturally early death, poverty stricken, isolated and alone.

On August 20th, 2007, I petitioned the Civil Liberties and Privacy Office (CLPO) of the Office of the Director of National Intelligence (ODNI) to conduct an investigation. I suspect and in some instances have evidence of repeated attempts to impede justice by blocking or intercepting emails, faxes, and other mailed documents that were destined for Government officials, law offices, the CLPO and other concerned parties. In addition, the attempts to intimidate me, my life and the well being of my family have been hideous. (I have been deprived of sleep for 17 days in the last month, and my ability to breath has also been restricted, in an attempt to cause and exacerbate medical and psychological problems.)

I suspect the reason for this crime may be related to testing, on unaware civilian targets around the globe, various directed energy and neurological weapons, cognitive and human manipulation techniques (one Hitler-style example executed on me several times was the cognitively implanted dream of being sexually assaulted, intensified by the use of the various directed energy weapons to pin you down and sexually assault you as you try desperately to crawl away but can't.) I believe these cognitive implants and the use of the various directed energy and neurological weapons may have caused permanent damage to the

victim's brain. (A CT scan of my brain taken several months ago shows indications of premature atrophy.)

Today, the attacks on everyone involved are so intense and constant; they result in almost complete debilitation of the victim's ability to survive in society. This suggests that the current agenda is no longer testing or experimenting on unaware civilians; but something more lethal or damaging, in order to render the violated individual unable to seek justice.

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse. Here are some statistics from an on-going petition (more detailed information is available on the link indicated).

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice. Nobody is above the law, yet some group or agency out there believes them to be. This is not right!

My Constitutional rights have been trodden upon: my 4th Amendment right has been abused, my 5th Amendment rights disregarded; and if this terrorism is meant to be some sort of 'criminal punishment' for perceived wrongdoings, then my 6th and 7th Amendment rights have been completely eradicated. And due to the constant suffering under this campaign which includes hundreds, perhaps thousands of victims nationwide, our 8th Amendment right has been outright dismissed.

I am also being denied my Constitutional right to pursue happiness. This undetectable torture is constant, 24 hours a day, including while asleep - thus preventing me from finding emotional and psychological equilibrium, which takes its toll on my health, well-being and ability to be a productive member of society. Medical, psychiatric, or social services are generally unhelpful or serve to alleviate only a few of the many symptoms that arise from these assaults; remember, the attacks are ongoing.

The use of directed energy weapons, remote harassment, and organized stalking are quite plainly unlawful, criminal acts. I am treated as political prisoner or worse, as a common lab rat, not even human. And that this is happening on American and Canadian soil, to innocent American civilians - some victims like me, former members of the military - is unconscionable. Legislation must be enacted to increase awareness of this hidden menace and to outlaw use of these weapons. Only through making the use of these weapons illegal will we be on our first step to alleviating this highly organized form of domestic terrorism.

I refuse to surrender my freedom and I demand justice!

There are so many incidents of hideous inhuman acts, I hope I have provided enough information for you to begin an investigation that will revile the complete truth and horror of what has been done to me.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice. This is an emergency.

For reading my email and listening to my story, and your support and help in legislation and enforcement, I greatly thank you.

I DEMAND AN INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I ll try to stay in touch with everyone a little better in the future. For some reason I thought the stalkers might just quit messing with me. But they have not. This stalking actually goes back about 12 years. (And

may possibly go back another (7) years before that.) The information given in www.gangstalking.org (also www.surveillanceissues.com/www.raven1.net) has been very helpful. The information that I have written about is true. There are 2 houses of individuals using this type of satellite sending/receiving equipment located on Hilltop Drive/Circle in Auburn, Georgia 30011. (One of them is 112 Hilltop Drive). Remember TYCO Int'l. had the CEO Dennis Koslovsky who embezzled the 3 to 400 million dollars a few years back. Also Adelphia Cable TV who's corporate leaders went a similar spending spree have a second set of Directed Energy Weapons Users located in their hierarchy. s soon as I can rid myself of these stalkers I will try to give more, and better info. Everything is difficult-I have been sleep deprived for years. They have attacked my work-last year I signed up with well over 30 temporary agencies, but could hardly work to the stalkers. Part of the equipment they use is a 3 dimensional CRT matrix clave table which is approx. 6' by 2'-8" by 1'-10" (maybe I should use metric--- ha!) This is how they pinpoint the sparkes/pokes/pains to your body at certain areas at different times. This is referred to in the www.raven1.net site with the female figurine example (of which I have had most all of the things she mentioned happen to me also). The matrixed grid that the stalkers use allows them almost pinpoint accuracy. Because of the equipments sophistication it also allows them to see a certain amount of different RF, and sub-frequency waveforms hitting your body. Allowing them to work over different parts of you, at different times. When I sleep is when I am at my most vulnerable. The stalkers using the Directed Energy equipment stay up all night just to punish me. I do not know how long I will live. I will try to get to the proper medical people when the stalkers leave. I cannot get to proper medical help at this time because of the stalkers. The RNM equipment they are using is---just that good. They have hurt so many people around me (most unknowingly). The length of time these stalkers have put into messing with me is even scarier.

Thank everyone for the information-it was a godsend!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments, security agencies and/or shadowy organisations - involving the use of DIRECTED ENERGY AND NEUROLOGICAL WEAPONS on defenceless people.

I can confirm that the technical abilities and powers to:-

1. place a human subject under continuous surveillance, no matter where he/she is, from remote locations.
2. continuously monitor a human brain from remote locations, including thought, reaction, motor command, auditory event and visual image reading
3. continuously input directly into a human brain from remote locations, including the ability to override, control and alter consciousness, and to introduce voices, noises, other disturbances, images and “dreams” into the brain
4. directly interfere with, abuse, torture and hit bodies - including performing advanced medical procedures - and objects - from remote locations
5. directly interfere with, alter, insert etc. data, files, communications and legal evidence from remote locations - even during transmission
6. make live TV, and other screens and monitors, two-way – for surveillance, invasion of privacy etc..
7. control the flow of information and orchestrate the media – worldwide.

ARE ALREADY IN EXISTENCE AND ARE ALREADY BEING ABUSED!

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse – some of us are being subjected to the most extreme and totalitarian violations of human rights in human history.

As well as being inhumane and criminal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems - and yet our appeals for justice, protection, assistance and/or publicity to Government Representatives, Government Officials, Government Agencies, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media have been almost completely ignored and/or suppressed.

For anyone at all concerned about human rights, liberty, democracy, privacy, the rule of law and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this

uncontrolled and unacknowledged technology and torture and abuse is intolerable!

Your attention and assistance is urgently needed to halt these atrocities, control and regulate the use of these technologies, and to bring these extremist elements to justice.

Please assist urgently.

Year Torture/Abuse Began: Illegal Satellite Surveillance Approximately 1980. Overt harassment including torture by way of directed energy weapons and organized stalking began in 2003. However, I've been an NSA satellite prisoner since 1980 when this system was first deployed on a wide scale against the American people—this according to John St. Clair Akwei, a former NSA agent who filed suit against the NSA for its illegal use of its Signals Intelligence program. Google Akwei VS NSA to learn more. Since 2003 my harassment has increased dramatically as I continue to be targeted for remote mind control torture as well as other forms of attack which I have listed below:

For many years I have experienced all of the following. In the cases of having my thoughts read, this is being done on a daily basis by the NSA at the direction of the FBI & Department Of Homeland Security (The FBI was the genesis of these attacks on me).

- * Microwave hearing
- * Transmission of specific commands into the subconscious
- * Visual disturbances, visual hallucinations
- * Inject words, numbers into brain via electromagnetic radiation waves
- * Manipulation of emotions
- * Reading thoughts remotely
- * Causing pain to any nerve of the body.
- * Remote manipulation of human behavior from space
- * Harassment, stress symptoms such as helicopters flying overhead
- * Seeing, as in a camera, through your eyes, i.e. to see what you see exactly
- * Control of sleep patterns.
- * Computer-brain interface, control and communication
- * Complex control of the brain such as retrieving memories, implanting personalities

Please note that even though these attacks continue to take place against me and have in one way or another for the past 27 years, that I have never been arrested, charged, tried or convicted of any criminal activity.

The following also concerns the FBI's COINTELPRO attacks on my person which began in the early 1980s and which I believe resulted in my being illegally satellite tracked and monitored by the NSA for the past 27 years.

1. The FEDS' Illegal spying of my person by way of NSA audio visual satellites for the past 27 years no matter where I have travelled to including my home. I have also been spied on within the privacy of my own bedroom and bathroom during this entire time.
2. The FEDS' use of these satellites to piggyback their directed energy weaponry from in efforts to torture me both physically and psychologically.

3. The FEDS' use of this technology to target my mind as part of the US Intelligence Community's non consensual cover research and human experimentation program, in which my thoughts have been routinely adversely affected.

4. The FEDS' use of coercion to force my Family into keeping silent about this in order to help the FEDS completely obfuscate any legitimate investigation into these crimes, and to covertly engage in the COINTELPRO psychological warfare operations that the FBI, NSA and DHS have continued to illegally deploy against me.

5. The FEDS' use of a sanctioned network of organized stalking groups to follow and harass me where ever I travel to, through the use of psychological warfare operations. This is commonly reported by myriad others who have been targeted by the US Federal Government for non consensual cover research and human experimentation.

6. The FEDS' assorted tampering and damage to my personal property.

7. The FEDS' use of various forms of calumny orchestrated to destroy my reputation as well as my relationships with my Family and friends.

8. The FEDS' use of electronic devices to illegally access and tamper with my computer as well as hacking into my E-mail accounts at the America Online, Blogger and Websites.

9. The FEDS' tampering with my credit cards in order to get them cancelled.

10. The FEDS' tampering with my medication having replaced legitimate medicine with placebos.

11. The FEDS' attack on my 1st Amendment Right To Freedom Of Speech by removing or having hidden all of the articles that I have attempted to publish on the Independent Media Center Websites in efforts to promulgate the FEDS' conspiratorial attacks on my person.

12. The FEDS' circulation of vicious and scandalous rumors in efforts to smear my reputation.

13. The FEDS' illegal eavesdropping on every conversation whether it was in person or by way of electronic means that I have had in the past 27 years -- an outrageous violation of my privacy as well as the privacy of the hundreds of persons with whom I have communicated in that time.

While there are numerous other charges that I plan to file against the FBI, NSA and Homeland Security as a result of their outrageous conduct over the past 27 years (4 years for Homeland Security who was later drawn into this criminal conspiracy), I believe that the ones that I have included here are damning enough proof of the precedent setting civil rights violations that these agencies have perpetrated against me; crimes in which due process of law has been completely disregarded.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany.
I was attacked since 1977.

Ladies and Gentlemen

For more than 30 years I am one of those persons, on whom the new electromagnetic weapons have been tested. This started in the year 1977 in the former USSR in the town of Astrachan on the Wolga, where I worked as an Engineer- Hydrologist on the Hydrometeorologic Observatory. The collaborators of this observatory were kept under special control and surveillance of the KGB. I think it was just because our collaborators stayed in a place, where the recovery region of the leadership of our country was also situated. The KGB instigated the collaborators of the observatory one against the other so as to test their loyalty to the government and the party leadership quite drastically. I met with the KGB collaborator Wostrikow and he asked me to lead the conversations among the collaborators of the observatory towards certain topics in which he was interested in and to tell him later, what they were thinking about them. Everybody on the observatory was asked to do this and therefore a strong climate of distrust, suspicions and anxiety was created among all of us. But this was not yet enough for the KGB and they started to experiment with electromagnetic means (EM weapons) on me.

The first time I felt and remarked the irradiation experiments for my brain it was about the month of April 1977. Dull and muggy headaches arose, like someone was squeezing and crushing my head. At night one did not let me sleep and the irradiations caused heart arrhythmias and cramps.

Electronic devices in my room (TV set, Radio a.o.t.) were as well influenced by these irradiations. Strong interferences often occurred and sometimes the devices completely failed. My first informations about the applications of this kind of experiments on humans I got from the press. They informed me about such technologies, which are able to steer and control the human mind (mind control).When I received these informations, I started to write complaints to different authorities about unlawful activities of the KGB, to the Highest Sovjet of the USSR, to the prosecution offices, to the committee of party control, but everything was in vain. My complaints reached finally the KGB, the institution I was complaining about. That was the end.

During the nineties, after my complaints to the President of the USSR, M. Gorbatschow and to the Commission for Human Rights, two men from the local KGB visited me and asked me, why I was complaining. They then assured, that the KGB did not perform any experimentations with irradiations and that their activities were all well within the boundaries of the constitution and are strictly monitored.

I am of German origin and when the exodus of the Russlanddeutschen (Germans from Russia) to their historic homeland started, I as well applied with my documents for an emigration to Germany and tried to regain my liberty and to free myself from the role as a guinea pig. Never I imagined to err so much!

After the 15th of June 1993, after my arrival in Germany " a country in Central Europe and a bulwark for liberty and a sure guarantor of Human Rights, - the same symptoms of irradiations started, just like in Russia. Probably they awaited me already. The German Secret Services knew about me, because already in the year 1989 I had written about these experiments to the German embassy in Moscow and had asked for their help. An especially strong irradiation of my brain with accompanying headaches occurred during my stay in the frontier camp Bramsche. I was called to the Special Division and was asked about my

contacts with the KGB and the stationing of military troops in the Caucasian region. Meanwhile my brain was strongly irradiated and in my case they used the lie detector as well as an irradiation device. But I was not the only one to be filtered through this sieve. The Secret Services were mainly interested in people with academic education, who worked in defense institutions and had access to military secrets of Russia. We lived in one room of the camp together with the Hildermann family from the town of Swerdlowsk. They too were called to the Special Division and asked about the defense industry of Russia. They also felt the irradiations and complained about headaches. Until now the experimentations are continued and they leave the following psychic and physical traces:

1. The eyesight diminishes, the eye lenses are changing
2. Impossibility to concentrate
3. Something is pressurizing the brain, pains arise in the head
4. Insomnia and strong irritability is caused
5. Feelings of exhaustion and severe fatigue
6. Dizziness and vertigo up to faintings are evoked
7. The human being gets all confused and starts to allow mistakes and failures

In Germany (as well as in Russia) electrical devices in my house were irradiated. Impossible to work normally with PCs (interferences), listen to the radio, watch TV, or answering phone calls.

During the years 1997-1998 I sent letters to all three parliamentary parties of the German Diet. But all my questioning came back with the wrong answers. In their replies they mentioned, that the s.c. psychotronic weapon was unknown to the German Secret Services and that such a weapon does not exist. Their letters mentioned as well, that no irradiation experiments of the brain are being performed at all and therefore my complaints must be of speculative character. In the year 1999 I have sent a complaint to the Constitutional Court and the Ministry of Justice. No positive answer was ever received from them. People are not able to free themselves from the dangers of an application of nuclear, - chemical, - or bacteriologic weapons, but in no time at all they developed the even more insidious psychotronic weapons. Obviously in this world the idea of an universal empire prevails and with such thoughts weapons of a new generation are being developed and researched, weapons, which allow the manipulation and the control of the brain of humans, of their consciousness, of their minds, their thoughts and their emotions - and to kill people, if necessary.

Press publications confirm these conclusions.

Yes, for a long time already, psychotronic weapons should be under international control. Long time ago corresponding legal norms for the application of these weapons should have been created. But to this day, nothing happened.

I am not the first one, who pinpoints to this problem and its dangers, but with great regrets one has to conclude nowadays, that the world community acts and behaves indifferently towards this problem. There is still time to put an end to this crazy cycle of development and examination and the mass application of this new weapon.

As an example I send to you this short note about the application of a psychotronic weapon on my person

October â€œ December 2006

My brain was irradiated (especially at night). My following organs have been irradiated: The genitals, the prostate, the anal region, the penis, the pelvis, the spleen, the liver, the heart, the back, the lungs ,the fingers, the knees, the larynx and the face. These irradiations caused arrhythmias of the heart, insomnia, dizziness and vertigo, waves and glimmers in the eyes and excitability of the sex organ. Moreover a significant rise of the body temperature and perspiration attacks. Voices have been evoked in my head. To name just a few of these messages –“You have to leave the country” “Sovjet spy” “We will cut your

throat", "Arabic mercenary", "Stinking boor", "Know-all and egg-head" (stinking flail" "Lebanese spy", "For whom do you work for?", "Allah agbar", "Damned man" "Russian spy", "Jewish spy" " British agent" Ukrainian spy", "KGB agent".

Because of the irradiations I often had headaches, as well as violent pains in the back and in the larynx, a tumor in the mouth, coughing, pains in the eyes, in the belly, in the heart, nauseas and vomiting, as well as dull pains in the liver, in the teeth and in the knees. (The uptake of sleeping pills and heart pills became necessary)

January 2007

I observed a permanent moderate irradiation of my brain. The genitals, the prostate, the anal region, the spleen , the liver, the heart, the lungs, the shoulders, the knees, the heels, the teeth were also irradiated. These irradiations caused a marked excitability of the sexual organs, dizziness and waves and glimmers in the eyes. Again there were voices in the head ,which communicated the following: "Complete idiot", "We kill you", "Damned", "Allah agbar", "You are a dead man", "Stinking jew", "What is your nickname?", "Stinking coward", "We cut off your head" "Stinking flail", "American spy".

I suffered strong headaches and sometimes heavy and sharp pains in the right lung. Often I had heart aches and rapidly became tired.

February-March 2007

My brain is moderately irradiated, especially at night. Permanent irradiation of my genitals, the prostate, the anal region, the penis, the feet (knees and heels), the pelvis, the spleen, the liver, the kidneys, the abdomen, the heart, the back, the breast muscles, the lungs, teeth and the larynx. The irradiation evoked fast fatigue, fever, severe perspiration attacks, dizziness, coordination problems and excitability of the sexual organs, heart arrhythmias and insomnia. Again the voices in my head , which attacked my person with: "Damned Man" "Damned idiot", "British spy", "Member of the foreign legion", Foreign spy", "Man of the KGB", "Stinking pig", "You have to leave the country", "Russian spy" "Scotland Yard", "Myocardial infarction" "We cut your throat" "Stinking stupid" "Chinese spy", "You are a dead man" "Whom are you working for?" "We will blow you up" "We will erase your memory".

Often I had strong headaches, especially in the frontal region and at the rear of my head. Pains in the eyes, dull heart pains, dizziness, scratching and itching in the throat, coughing, insomnia and noises in the ears. (The uptake of sleeping pills and heart pills became a necessity)

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany. I was attacked since 1989.

Ladies and Gentlemen

Since the year 1989 I feel the steady impacts of irradiation on my brain and the head and other body parts. This impairs my life and my job, my work considerably. Due to this influence I was sent to the psychiatric ward and I became disabled. When I moved to Germany in 1996, my brother and sister as well were very strongly irradiated.

With me, the experimental irradiations caused these effects:

1. Very strong diminution of the eyesight
2. Unable to concentrate
3. Strong headaches, a pressure on my head
4. A marked insomnia developed
5. Partial amnesia, memory loss
6. Nauseas and heavy fatigue
7. I lose my orientation
8. I am getting agitated, irritated and nervous
9. often strong pains in the heart
10. I lose control over my body, I can not move autonomously.

I think, that someone is permanently experimenting on me, so as to manipulate me. These experiments of the control of the human mind are continued up to now and torment me with pains, agony and torture. I can not directly accuse anybody of these deeds, because evidence is missing.

Short note about the irradiation of my brain and other body parts.

Since 1999 I feel the moderate irradiation of my brain, the belly, the hips, the back and the larynx, which sometimes get quite strongly irradiated. Sleeping disorders, depressions, fatigue, heavy nausea are common. Loss of concentration, blockage of my own (endogenous) thoughts, exogenous, foreign thoughts and voices in the brain (experimentations on mind control; absolute behaviour control and control of my thoughts), irradiation, which causes great muscular tension in my face. Moderate headaches, which sometimes become severe. Moreover the irradiated body parts all of them become painful, which makes the uptake of painkillers and sleeping pills necessary).

2000

Moderate irradiation of the brain, the stomach, the heels and other body parts, sometimes strong and very strong irradiation. Sleeping disorders, fainting fits, and shivering fits. Moderate headaches, sometimes getting stronger and very severe, more like sick headache. Pains in all irradiated body parts. I use painkillers and sleeping pills.

2001

Moderate irradiation of the brain.

The irradiations of the back, the stomach, the larynx and other body parts are the cause for depressions, fatigue and nausea, of all the pains in the other body parts .Moreover the moderate headaches are getting very often quite stronger, the blood pressure rises, and the pains in the heart augment, the muscles are getting painful. Marked sleeping disorders, often I can't shut an eye. Regular intake of painkillers becomes necessary.

2002

Moderate irradiation of the brain, sometimes strong to very strong irradiation. Irradiations of the stomach, the liver, the heart, the heels and other body parts cause nausea, fainting, shivering fits and sleep disorders. Additionally, moderate headaches, sometimes very painful and aches in other body parts. Victim can not renounce to deadening analgesics, but they are nevertheless not effective.

2003

Moderate irradiation of the brain, sometimes strong to very strong irradiation. Suffering of the heart region, the abdomen and other body parts. Sleeping disorders, high blood pressure and faintings. Moderate headaches, which sometimes are getting stronger and most severe. Shivering fits, nausea and disorders of respiration. Analgesics do not bring relief. Physician has to administer analgesic injections.

2004

Moderate irradiation of the brain, which sometimes grows to a strong or very strong irradiation. The irradiation is sensed in the heart region, causing high blood pressure and cardiac arrhythmias. Moderate headaches (especially at the rear head), which sometimes grow to unbearable proportions. Nausea and vomiting, aches in the heart region and in muscles and other body parts, insomnia, high blood pressure and myocardial infarctions. Analgesics are of little or no help. The physician administered analgesic injections and measured the blood pressure. The blood pressure seemed normal (120 to 80), although at

home it was permanently at 190 to 110.

2005

Moderate irradiation of the brain, sometimes growing to a strong irradiation. Irradiations of the heart region, legs and other body parts, causing itches and high blood pressure.

Moderate headaches, growing sometimes to severe or most severe headaches. Vomiting, muscle-and heart aches, pains in other parts of the body, insomnia , high blood pressure (180 to 110) are the most important effects of the malevolent irradiation. In March, physicians discovered a tumor in my oral cavity and removed it. Many other tumors were discovered by the physicians in the region of the breast.

Ingestion of analgesics and heart- strengthening medication.

2006

Moderate to strong irradiation of the brain (especially of the rear head). High blood pressure, sleeping disorders, cardiac arrhythmias, pains in the heart and other body parts. Again moderate to strong headaches. Kidney pains, back pains, stomach pains and respiratory problems and itchings all over the body. Ingestion of analgesic and heart-strengthening medication, vitamins and magnesium .

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted torture, directed ray weapons from Germany.

I was attacked since 1991.

Very honoured ladies and gentlemen!

I inform you about the situation in human right injuries with ray weapons in Germany.

In east Germany is tortured and murdered since the turning point with radiation. It is shot with satellite bandage ray weapons into the dwellings and become the goal persons with radiation too deaths torture. Especially in the night, almost deadly blows come predominantly on the heart and the head or is turned on strong pricking radiation. Technically is to be supposed me high probability following realized: the goal persons are located with satellite bandage ray weapons (Biological radar) in the high frequency area walls thick yet by 20 ms until 30 ms and appear as light shadows on monitors. Simultaneously the dwellings are monitored. Thus objects of an irradiation can be fired with different satellite connected by energy with the radiating weapon. The goal persons are attacked predominantly in the night. Goals of the attacks are probably immediate heart standstill or systematic interference of the nerve system., that to the suicide of

the goal person and/or delivery into the psychiatry lead should. Probably ray weapons hypnosis methods are used also over satellite bandage, that should lead even interference through consciousness variation or to the killing of other persons. I was research officer in Dresden and became since the turning point systematic in unimaginable manner with ray weapons violation, again and again up to the boundary to the death. I was able to assess a changed radiation situation for the first time beginning 91. The radiation was able to prove physically perceptible, later I also partially fair technical variations of the ray situation. I had the first breakdown in May 1993 in Dresden. That was a 5-year death battle with almost uninterrupted blows on the heart and the head and with strong radiation. After that followed a 5- weeks-hospitalisation. That would attack went also after that systematically further. A further hospitalisation follows in February 1996 after uninterrupted terrible blows on the heart. 1997 were the attacks especially bad and led 1997 to a flight to Copenhagen and Sweden in October. Here no aid was lasted however of different messages. I systematically was attacked also 1998. The attacks last to the present moment. I informed nationally and internationally a multitude of organisations, messages... The German courts - district attorney's office, federal court, constitutional court - do not react to punishment notice. Also the present Federal Chancellery under Chancellor Schröder did not answer on a corresponding information. To what extent it comes to duration damage in the surviving, would have to be examined. In the connection, the circumstance is would turn climbed is important, that since that in east Germany the number of the deadly heart attacks on almost the double.

THE STORY OF TATJANA LOTZ

Ladies and gentlemen!

In the end of the month of May 1997 I perceived some sort of an external influence on my brain. My concentration was deeply disturbed, I could not concentrate on anything. This was followed by a strong insomnia, heavy legs and hands , toothaches and heart troubles. During the next days and months I constantly felt a pressure-sensitive and oppressive pain on the front and the rear part of my head. After reading some articles about the s.c. "Electromagnetic Weapons", which have been developed by the

Secret Services and are used by them, I concluded, that someone in Germany irradiated my person and used myself as a "guinea pig".

These experiments are comparable to the torturous treatments that inmates suffered in concentration camps during and after WW II. These tortures take place particularly at night. Almost every day a strong irradiation of my brain is felt, accompanied by strong burning sensations and piercing pains in different areas of my head. Internal organs and other body parts are also irradiated. The pain awakens me at night and I am unable to sleep anymore, getting little or no sleep at all therefore. Often I then feel a bit confused and I have troubles to orient myself. At once I turned to a physician and allowed an examination and different medical tests, however there was no diagnosis or any finding.

Almost incessantly I can hear "Voices in my head", day and night, which ask questions, comment on everything I do and threaten me and my relatives. Unusual pictures and movies appear in my brain. The voices of unknowns, strangers ring out in my head, which request my cooperation with the German Secret Services.

>>From the media and the scientific literature it is known to me, that there already exist technologies, which enable to influence and control the human brain, the mind. These electromagnetic devices can elicit voices in the human brain, can control emotions, ideas and thoughts and the intellect of humans, their behaviour.

For many years I have complained unsuccessfully about this to different authorities.

In February 2007 I have submitted a criminal charge against unknown persons because of dangerous physical injuries at the Public Prosecutor's office of Berlin. The Public Prosecutor sent it to the local police office. The local police summoned me as a witness the 16th of April 2007. My complaint has the process number 070404-1008-023550.

My statements were registered by a Mr. Tegge, but unfortunately he tried to make a fool out of me. Scientific research reports show, that all kinds of radiation "which the Secret Services use for experimentations on their victims" are injurious for the health of a person and can cause all possible illnesses, cancer not excluded.

Subsequently, some of the effects of these experiments, which concern my person, are listed:

- My visual strength has a decreased stark
- Often I am unable to concentrate, am disoriented
- Something presses on my brain, causes strong headaches
- Extensive sleeplessness and augmented irritability
- Absent-mindedness
- Feelings of indisposition and tiredness
- Strong burning sensation on and in the head
- Voices and pictures, movies in the head

These experiments with electromagnetic irradiation are continued until now and they cause a lot of pain, are torturous.

In this way the international norms of Human Rights were brutally and with impunity injured with regard to my person.

This short communication serves as an example of the effects of electromagnetic irradiation of my brain and other parts of my body.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted psychoterror and directed energy weapons from Germany.
I was attacked since 1986.

My Horrible Story

The whole thing started in 1986. In this year my parents and I moved from a suburb to the centre of the town of Constanta.

Our apartment was wall to wall to the apartment of our new neighbour. At first my parents were very hospitable, because they did not know anything about this neighbour.

After two years we noticed however, that many men frequently entered and left his apartment and that these people only intended to profit from us. This neighbour behaved strangely. Constantly he was changing his looks, like in the theatre, his face too, so as not to be recognized. Moreover he was always frightened by policemen, easily perceivable from his behaviour. It seemed, like he always was on crooked ways. The relationship to these people cooled down noticeably. Nevertheless their enormous interest in our apartment and our family did not diminish.

Wherever I and my mother went, we were followed by these dubious men. We felt observed and afflicted, because these people followed us everywhere.

After the Romanian revolution in 1989, this neighbour suddenly became very rich and powerful.

In 1989 my father fell ill from cancer of the oesophagus and all the economized money was used up for very costly and complicated operations. To the neighbour the situation and the fate of my father did not matter, but he was much more interested in my person only. I was unmarried and 19 years old then.

His occupation seemed to be to observe me and to show his interest in my person. I felt oppressed and didn't have one free minute anymore. He wanted to stay steadily in contact with my person and wanted us to feel compelled to him and his group. His "group" signified power, influence, the authority of the police, a.s.o. .

Since 1997 I felt very dependent on this man and was hypnotized by his power and felt like irradiated. Strange enough, even music was brought and played into my head.

Always I was listening to the radio in my head, like being drugged, and the perpetrators manipulated me with radio waves. All my thoughts were influenced by this man.

Depressions and insomnia followed. I even started to dream of this neighbour, who was steadily in our house. Probably my father had been corrupted with some money, because before all this, he had been a convinced and correct communist and something like this, he never would have allowed to happen. I am sure, my father was also manipulated in the same or a similar fashion like me.

There was no other way, we had to move and change quarters, the oppression had grown too strong.

When it became known, that we intended to move, we literally were "mobbed" out of our apartment in Constanta.

The social conditions of Romania in those days were similar to the conditions of "Sicily in 1970" and nowadays in Turkey. The Mafia reigns over all the people and the law of omerta is still valid.

I always wanted a husband from Germany. All my letters to Germany were opened and read by the

perpetrators. They tried to make it impossible, that letters from Germany could reach me. All the contacts to Germans were viewed by my father as sick and I felt isolated again, but was irradiated instead, even "raped" during sleep, my dreams were manipulated into nightmares. Everybody considered me a victim. I couldn't have a boyfriend and had a feeling, like everybody knew everything about my person, about my life, about everything I did.

The permanent pain from the ovaries always woke me up at night, followed by heart attacks.

For a long time I was sexually inhibited, had concentration disorders, general weakness und muscular tension disorders and strong headaches. My nerves were strongly irritated, shattered, there were many stomach aches, fatigue and a marked delaying of my locomotive apparatus.

My private and intimate life was systematically surveilled and completely destroyed.

When I opposed a coercive marriage with a Romanian man, I was declared schizophrenic "because I still wished to marry a German."

By the permanent irradiation with radio waves my face started to make uncontrolled movements. These scoundrels as well manipulated my emotions. These VIRTUELL DREAMS and the manipulations of my emotions occurred as well in Burma, Laos, Thailand and in Germany.

Mostly at night I am being manipulated and one tries to impose a Romanian man on me during sleep. Heavy burning wounds on my abdomen and on my face are signs of this time of suffering. My feelings and my consciousness tell me, that they are observing me permanently and that they can program , control my life. In my unconscious I again receive orders. And my genitals are irradiated. After a phase of deep sleep I wake up with convulsive body movements. Anxiety attacks are so deeply rooted, that I feel disgusting insects crawling at night over my body. My ways of thinking, my intellect is massively influenced.

My dream , to move to Germany and marry a German, has come true, but I am still irradiated at night with strange visions. These felons try to persuade me, that my husband does not want me anymore, that he has another woman. They try to send me constantly back to Romania.

I do not want to be silent, nor to remain anonymous. Therefore I have to publish my horrible life story. I want the world to know, what sort of offences are perpetrated by these irradiation torture methods and what sort of psychic manipulations. I can call the names of the manipulating felons. But I can't find the source of these irradiations. I am turning to the "Association against the Technical Psychoterror" in Germany, so as to try to protect me from the persecution from these circles.

My greatest wish is to be left alone , without torture and manipulation, to live with my husband in Germany. And that this inhuman irradiation finally is stopped at night.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

Angelina Schweyen

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Directed Energy Attack Report - Michael Irving, UK

I would like to report intensive, criminal abuse to my basic human rights since October, 2000.

From approx October 25th, 2000, I have been constantly subjected to targeting by some form of directed energy which causes burning in and around the nervous system of my upper body. Since late 2000, I have been subjected to a field of highly unhealthy burning energy around, and throughout, my upper body.

This has had serious repercussions to my general state of health. If my health continues to decline at its present rate, I may not have many years yet to live.

From seven years investigation of my situation I have concluded the following:

- 1) I had several electronic implants placed within my body when I was approximately five to ten years old.
- 2) In mid 2000, I became a threat to those who covertly control many countries in the world because, thanks to hundreds of friends and contacts forwarding my emails, millions of emails were in circulation around the world naming such severe global abuse operations as the worldwide operation by a fleet of a few hundred planes and tanker planes spraying a highly unhealthy mixture (popularly known as 'Chemtrails' or 'Chem Trails').
- 3) How exactly my personal location is detected, and what exactly is the technical description of the burning field or beam which continually causes burning effects in my body, I do not know. However, there are people who are becoming expert in the probable technology being used in targeting and abusing tens of thousands people worldwide.
- 4) The number of people being targeted, abused, and tortured, is increasing.
- 5) The perpetrators of this remote and nasty abuse believe themselves to be beyond the law. That is what they hope. If we believe in a just and fair world, these criminals must be stopped.
- 6) My symptoms, since approx October 25th, 2000: a) A burning sensation around and within my head, neck and shoulders.
b) Pulses and burning around and throughout my genital area. This caused severe urethritis during the first few years of abuse.
c) I am often fighting a form of 'walking pneumonia'.
d) The field became intense during 2003, and by the end of 2003 my eyesight had become severely deteriorated.
e) From 2003 onwards, my general stamina has become very low.
f) My sense of balance has been badly affected.
g) Mental faculties - such as memory, concentration, mentalisation, verbal expression, etc. - have been very badly hit.
h) Social abilities - meeting and socialising with others - has become bad.
i) When the burning field is very strong, I experience a line of erupting spots across the back, top of my head. Also, there is frequently a tracking of very hot, electrical-like, energy down my spine, just to the

right of my spine.

j) I believe there is a serious and nasty input into my thinking processes, which I have to continuously fight and do my best to ignore.

k) I could probably list many other deteriorations to my health and faculties since this abuse began.

7) My left eye has been targeted since 1981. In the late 1990s, I began to realise there are probably at least two implants within and around my left eye. In 1981, my left eye became suddenly very inflamed with no apparent cause. In hospital I had an injection into my left eye, and was told I may lose the sight in that eye. This was followed by six weeks of hell caused by various situations of intense pain in many parts of my head and body. These attacks, lasting several weeks, repeated every two or three years until around 1994. I surmise that as the attacks progressed the nerve cells surrounding the implants were destroyed. My eye still has bouts of pain and limited inflammation, but these have become less serious. However, my left eye, and its eyesight, is now badly damaged.

My personal situation is part of a Nazi-like abuse of many people in the world by a group of humans or malevolent aliens (or both) which some governments have so far refused to acknowledge.

The governments in the world which refuse to take action against this horrendous abuse may well be governments which are covertly controlled by international financiers who are in fact the leaders of the factions who are organising and developing this remote targeting, abuse, and control technology.

At some point, possibly not too far off, this remote targeting and abuse technology may be aimed in general at the world's entire population.

Please do your best to bring this small group of criminals to justice and help support the human rights of individuals worldwide.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thank you.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Dear Sir or Madam,

I would like to draw you attention to some unconscionable non-consensual experimentation on humans by the US government using all manner of cutting- edge, high technologies. The most heinous of these involves the use of very small robotic devices (e.g. nanotechnology) and engineered biologics, essentially bioterrorism devices that are being developed by the US government (see below).

I have been under surveillance using all manner of high-technology devices, including through-wall radar, Unmanned Airborne Vehicles (UAVs), Micro Airborne Vehicles (MAVs), bionic birds, and all manner of miniature robotic devices. The UAVs come in many forms, some like model helicopters, others lighter-than air, disguised as giant floating heads or floating tree branches. The robotic devices in my house also come in various disguises, such as spiders, walking spider webs, or faeces. Many of these self-destruct or disassemble when discovered. On one occasion a UAV landed on my roof and I saw two of these miniature robots adorned with LEDs crawling into my house.

People have broken into my house repeatedly, once while I was inside. They have placed various substances in my coffee and soft drinks, and performed all manner of hoaxes and tricks, especially holographic image projections in an attempt to freak me out and have me make outlandish reports to the police, and have me diagnosed as mentally ill.

I have experienced various types of “gang stalking” where the perpetrators, organized with cell phones, are always in visual contact with me at all times of the day and night. This is done conspicuously when I am alone, and subtly when others are with me, thus making it appear to them as if I am imagining it. Another persistent technique they have used is to cough, spit, or bring their hand to their face in my presence, in an effort to sensitize me to these behaviours and have me diagnosed as mentally ill. Stating to a mental health worker that people you don’t know are making gestures to you is a diagnostic criterion for paranoid schizophrenia.

My first-class mail has disappeared on multiple occasions from the US Post Office, including my tax forms and a request for an administrative hearing.

I have been targeted with directed electromagnetic energy on at least two occasions when it could be definitively identified. Once in front of Ralphs grocery store, and once in my driveway where I measured the power at over 100% of the FCC allowed limit for RF exposure on a Narda 8718 radiation hazard meter.

I have on multiple occasions been targeted with low frequency, less than 10 Hertz, subsonic sound, which causes a feeling of illness and nausea. This is another of many non-lethal weapons that have been developed and are being used surreptitiously and illegally on unknowing targets by the US government.

I have experienced all manner of malicious mischief and sabotage. Much of this has been done using very small robotic devices - perhaps not nanobots, let’s say microbots or millibots. Highly-integrated electronic equipment is particularly susceptible to sabotage by these devices. My security video recorder has been disabled on multiple occasions by these devices. Being so small, they can enter practically any location, and can also be used to alter electrical signals instead of just disabling devices. Their size also effectively prevents their being located as they can hide in the smallest nook or cranny. Thus, they are also perfect for virtually undetectable surveillance. It’s amazing what can be done with microscopic robots.

The worst assaults have been using robots to deliver very bioterrorism devices into my body. Like bacteria and viruses, these are small enough to go in right through the skin; I believe these are primarily if not exclusively biologically based. In non-consensual experiments, they have caused many types of apparent diseases; but the most appalling are the so called “mind-control” devices placed into my body. When activated, they cause the sensation of electric shocks, muscle contractions, visual and auditory hallucinations, and anxiety attacks with an increase in heart rate, among other effects. These are used in an attempt to control my behavior by shocking me, much like one would attempt to force a mouse through a maze by delivering electric shocks. On many occasions, they perpetrators have shocked me for no apparent reason, evidently just to show

who is boss and that they can get away with it.

I hypothesize that many victims' experiences with what they consider to be directed energy weapons may in fact be a result of the use of these biological implants. The range of specific effects reported by targeted individuals would be difficult to explain using generic irradiation with electromagnetic energy. On the other hand, by placing devices inside the victims body that connect to various nerves or other tissues and that can be activated by much lower intensity electromagnetic signals, one could effect all manner of specific phantom sensations, hallucinations, or muscle contractions, depending on the particular nerves that the activated device was connected to. It is clear that these technologies are under intense investigation because of their potential beneficial medical applications. However, before the technology has been developed to the point of beneficial applications, it will be possible to use it to simply go in and cause damage to various tissues; essentially biologically-based torture devices in the body that can be remotely controlled.

As these sensations and effects cannot be directly observed by others, it is a perfect method for attempting to frame someone as mentally ill and have them diagnosed as such. Once such a diagnosis has been made, any claims of intentional maliciousness or assault are easily dismissed as confabulations or hallucinations, and no further investigation or thought is given them. In fact, just making such claims is enough to cause most people to jump to the conclusion that one is not playing with a full deck, so to speak, and stop listening.

I believe these technologies have been developed in secret by the military, and are being used on unwitting subjects without their consent. Although the perpetrators use the American flag as a symbol, this is entirely a propaganda technique, as these activities are the antithesis of what the country and constitution stand for. This is simply a continuation of a long history of non-consensual experimentation on citizens by various government agencies, such as project MKULTRA, and just one of a large number of secret projects being performed by the military. They are clearly in violation of US implied consent laws, to say nothing of the international Nuremberg Code.

I have written many letters to many authorities and received absolutely no response. This is probably because many mentally ill people make very similar claims; the perpetrators know this and exploit it to avoid investigation. Also, I think it is difficult for most people to believe that the US government would so blatantly violate people's civil rights, even though there is a long history of doing so. It is also clear on the basis of their participation in "gang-stalking" activities, that some law-enforcement people and neighbors are cooperating if not overtly colluding in these perpetrations, making it impossible to enlist their assistance. The perpetrators are experts in manipulating people's beliefs and vilifying individuals. And in light of the Milgram experiments, it is not difficult to believe that they can convince most people to assist in these heinous endeavors, regardless of the implications for the human and civil rights of not only the targets but of their own families.

I am certain that an investigation into these matters would reveal startling results, as they have consistently in the past (e.g. project MKULTRA, COINTELPRO, etc).
Thanks for your time and attention.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I would like to draw your attention to some extreme and horrendous criminality being conducted with the involvement of United States Government-related Agencies and the complicity, if not participation, of many other governments and security agencies.

I am a victim of torture and abuse using DIRECTED ENERGY and NEUROLOGICAL WEAPONS technology.

The criminal use of these on me are causing the following effects -

1.Microwave hearing. Yes.

2.Transmission of specific commands into the subconscious. Yes.

3. Visual disturbances, visual hallucinations. Yes.

The fascist artists created moving pictures and showed criminal contents of their organizations. These moving pictures can move through the air and go to anywhere.

[For example, the plane will be crashed, before a day(or two days, or three days, or a week),they drew a plane in their moving pictures, sometimes, I heard a Chinese said: "will make a plane crash again", after the plane crashed, they wrote "We made XXXX plane crashed ."and sent this huge slogan to the air.]

4. Inject words, numbers into brain via electromagnetic radiation waves into brain? or into eyes? Yes!

5.Manipulation of emotions. Yes.

6.Reading thoughts remotely. Yes.

7.Causing pain to any nerve of the body. No, any pain to my body.

8.Remote manipulation of human behavior from space. Yes!

9. Harassment, stress symptoms such as helicopters flying overhead. Yes,have harassment, stress symptoms, I feel so a stone on my body.

10.Seeing, as in a camera, through your eyes, i.e. to see what you see exactly.

They can make image show me. They filmed a real person and projected into my living space. We can't find the person are film. The hallucinatory image person can speak, can move, like the person real body, the hallucinatory image person has touch, I can feel the person's touch.

11.Control of sleep patterns? They can control my body, and made some dream into my head.

12.Computer-brain interface, control and communication. Yes.see my attachment. They controlled my Computer-brain so slow, and sometimes they stop it.

13.Complex control of the brain such as retrieving memories, implanting personalities. Yes.

There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse.

Your attention is urgently needed to halt these atrocities, protect me, and bring these extremist elements to justice.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.

This is an emergency.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany.

Ich möchte Sie darüber informieren, dass bei meinem kleinen Enkelkind von 2 Jahren (!) mindcontrol betrieben wird. Wie das gemacht wird, weiß ich nicht mit Sicherheit. Beobachtet habe ich an Ostern einen Mann in einem Eiscafe, in dem wir auch saßen, dass dieser mittels eines Labtops wahrscheinlich das Verhalten des Kindes beeinflusste (so etwas ist lt. Literatur heute möglich). Der Mann hat Blickkontakt mit mir und dem Kind aufgenommen und sich durch seine Blicke uns gegenüber geäußert (er schien ein humaner Mindcontroller). Das Verhalten des Kindes war in diesem Zeitabschnitt dadurch auffallend, das es einerseits Verhaltensauffälligkeiten zeigte und sein Verhalten einige Male abrupt änderte. In der Literatur wird das als ein Merkmal von mind control beschrieben. Weiterhin habe ich zuletzt bei einem Spaziergang beobachtet, dass ein esoterisch aussehender Mann mit langem Pferdeschwanz plötzlich aus dem Gebüsch auftauchte und sich in unserer Nähe mit Blick auf den See platzierte. Er stand regungslos da und beobachtete uns nur aus den Augenwinkeln, da er den Kopf etwas drehte. In der Nähe dieses Mannes fing das Kind an zu schreien und weigerte sich, weiter zu laufen. Wir konnten es nur mit großer Mühe zum Weitergehen bewegen. Dieses Erlebnis könnte bedeuten, dass man mindcontrol mittels elektromagnetischer Beeinflussung mittlerweile durch Fernhypnose durchführt. Ich habe mündlich und schriftlich zu erkennen gegeben, dass die elektromagnetische Beeinflussung des kindlichen Gehirns Schäden hinterläßt. Vielleicht will man dies durch Fernhypnose (was offenbar mittlerweile auch möglich ist) vermeiden. Allerdings könnte das auch eine falsche Fährte sein. Im Augenblick des Schreibens dieses Berichtes erhalte ich massive Strahlungen. Intellektuelle Beeinträchtigungen hat das Kind dadurch, dass es Farben bis heute und trotz monatelanger Unterweisung nicht sicher identifizieren kann. Ich habe irgendwo gelesen, dass das Farben- und Formenerkennen durch die elektromagnetische Beeinflussung gestört wird. Das Kind ist/war ein intelligentes und gut

entwickeltes Kind, das pünktlich lief, sprachlich gut entwickelt war (mittlerweile spricht es häufig sehr undeutlich - ich verstehe es oft nicht mehr). Mittlerweile entdecke ich Mängel, die vor einem guten halben Jahr noch nicht da waren. Man entdeckt, dass das Kind sich nicht problemlos fortentwickelt, sondern in seiner stetigen Entwicklung gehindert wird, alles wird mühsam, was nie mühsam war. Weiterhin hat das Kind extreme Eß- und Schlafstörungen. Im Kindergarten wirkt es bedrückt und es gibt Anzeichen dafür, dass es sich absondert von den anderen Kindern. Alles Anzeichen für mindcontrol. Häufig hat das Kind ein aufgesetzt fröhliches Verhalten, das sofort zusammenbrechen kann..... Das Entscheidende ist aber, dass das Kind mir, seiner Oma von den Stimmen erzählt, die er wegmachen möchte. Es versucht seit mehreren Monaten (etwa Januar) aus seinem Ohr die Stimmen zu entfernen, indem er in den Ohren herumreibt (der Arzt, den ich im Januar aufsuchte, entdeckte keine Ohrenkrankheit). Gelegentlich verlangt es auch aus heiterem Himmel zum Arzt gehen zu wollen. Wenn ich frage: "warum?", gibt er zur Antwort: "Ohren". Auch zeigt er gelegentlich durch verzweifertes Weinen und sich an den Kopf fassen, dass damit etwas nicht stimmt. Wenn ich ihn frage, ob

er die Stimmen nur am rechten Ohr hört, dann sagt er: "nein, auch da" und zeigt auf sein linkes Ohr. Für mich ist das ein Beweis seiner Differenzierungsmöglichkeit, denn ergibt gezielte Auskünfte. Körperlich auffallend ist, dass ihm permanenten Fuß- und Fingernägel abbrechen. Diese müssen fast täglich begradigt werden. Das beim Kind Beobachtete steht mit größter Wahrscheinlichkeit in Zusammenhang mit dem Inhalt der Verleumdung meiner Person und mit den erhaltenen Bestrahlungen, die ich bekomme. Ich vermute den Anlass der Verleumdung in einer Verleumdung Anfang der achtziger Jahre in einer Berliner Grundschule, in der ich ein Referendariat machen wollte. Mir wurde nie gesagt, was ich verbrochen haben soll, insbesondere konnte ich mich nicht dazu äußern - das sollte ich ja auch nicht. Wahrscheinlich wollte man (wer?) verhindern, dass ich in den Staatsdienst komme - es gab damals schon mehr Lehrer als man brauchte. Ich habe in der Folge jedoch an allen Arbeitsplätzen Mobbing erlebt. Für mich ist die Frage, wer an dieser beruflichen Katastrophe durch wahrscheinlich permanentes Weitergeben des "Totschlagsargumentes" Schuld hat. Ich hatte davor ein Diplom in Erziehungswissenschaft gemacht und mich intensivst (und mit guter Benotung) mit dem Philosophen und Soziologen Jürgen Habermas beschäftigt. Ich halte Jürgen Habermas nicht für einen sehr linken Menschen und - obwohl er zu der Frankfurter Schule gezählt wird - mache ich einen Unterschied zwischen den Philosophen der Frankfurter Schule und Jürgen Habermas. Die "Frankfurter Schule" mag für manch einen ein rotes Tuch sein, aber Habermas ist gewiss nicht umstürzlerisch, wahrscheinlich ist dies weniger der Grund, aber wissen kann man das nicht. Mein letzter Arbeitsplatz, den ich vor 9 Jahren (!) verlassen habe, war bei einer kirchlichen Einrichtung (!). Aus diesen Kreisen vermute ich das dann folgende Mobbing, Stalking und den Strahlenterror und mind control. Die Verleumdung davor hat jedoch andere Verursacher. Viele Opfer suchen Gründe für das ihnen Angetane und finden sie nicht. In meinem Fall stellt sich die Frage wer systematisch die Zersetzung meines beruflichen und privaten Lebens über einen so langen Zeitraum betrieben hat und warum. Auch muss ich annehmen, dass ich jahrzehntelang beobachtet wurde. Wahrscheinlich wurden auch nähere Bekannte, Freunde und Sexualpartner in diverse Intrigen einbezogen waren. Wie kann ich mein Enkelkind vor dem Dummstrahlen retten und davor, lebenslang Mind-Control-Opfer zu sein?

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Russia.

I was born on the 21st of November, 1934 in Leningrad (St. Petersburg). I have a supreme education and finished the institute of culture in St. Petersburg, the faculty of bibliography. Since 1964 I worked as a non-staff correspondent in newspapers and magazines and as a editor on TV and at cinema. I was born in a very creative family. My father was a honored worker of arts of the Russian Federation. My mother always worked together with my father. They are both participants of the Great Patriotic war in Leningrad and have rewards. My family was irradiated since 1989. And as a result of the strong irradiation my mother was very ill and during 10 years she could not work. Our family was always upon the psychological pressure: the phone threats, from the crane flew dirty water, at night any maidens and guys ran on the ladder and somebody knocked on the door of the apartment. It was impossible for me to work, however I continued to published in various magazines and newspapers till now. I always had a very fine health, played volleyball and had the category " the master of sports ".Often I took the second place in the city competitions on track and field athletics. Concerning the irradiation I sent complaints to the different instances, but I didn't get any answer or I've got some formal replies. As a result of the long-term irradiation I have the following illnesses: an ischemic insult with left-hand defeat, an atherosclerosis of a cardiac muscle, a stenocardia, a hypertension, a cataract of eye, expansion of veins, strong destruction of teeth, change of voice, appreciable deterioration of hearing.

Above the stated facts testify to regular infringement of citizens' rights and freedom of the Russian Federation and articles of the International Convention:

the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Russia.

I was born on the 19th of July, 1937 of Rostov Region. I have a higher education and finished the radiotechnical Institute in Taganrog. I am a radioengineer. From 1961 to 1992 I was employed in accordance with my specialty at the enterprises of VPK and of the Ministry of Internal Affairs. From 1994 to 1998 I was a helper of Government Duma of the Russian Federation. Now I presides the legal assistance organization of the Moscow Housing Ecology Committee.

My family was irradiated since 1987. They began to feel indisposition. My husband Petukhov Vitaly had strong headaches, eyes pains, fatigue and he couldn't sleep at night. The medical examinations detected

no fault in his state of health.

My mother in law and I had the same symptoms. Since 1992 the irradiation increased and in June my mother in law was killed. In 1993 my husband Petoukhov V.N. was killed. Criminal proceedings were initiated in connection with my husband's killing and were discontinued in a week. The investigator in charge didn't let me to examine my husband's case record.

Petukhov Vitaly was born on the 9th of March, 1940 in Sovetsk of Kirov region. He had a supreme education and finished the radiotechnical institute in Taganrog. In 1968 he was called for the military service into the Soviet army of the Ministry of Internal Affairs, where he was engaged in development of the equipment of communication for armies of the Ministry of Internal Affairs. From 1970 to 1993 he worked at the scientific research institute of the special Equipment as a chief of laboratory. He was one of the best experts in development of the equipment of communication. Special services of Russia prepared for war in the Chechen Republic a very good communication and the fair people were not used. It was necessary to take all families for realization of experiences. In 1993 my husband was killed.

My apartment, the garage and my personal belongings were drenched with chemicals. Besides, I underwent psychological and economic pressure. During my absence from my apartment trespassers spoiled furniture, clothing, household appliances were stolen. In the morning I found on my body burns and hematomas. Some of them were confirmed by medical certificates. As a result of exposure to irradiation, I have received diseases, characteristic of long term technogenic sadism. It were made protocols of measurements in my apartment, which confirmed the presence of technogenic influence and evidence of examinations of my apartment, signed by witnesses and certified by notary public.

The exposed facts are the serious evidence of systematic violation of civil rights and liberties of the Russian Federation and infraction of International Convention: the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

I was born on the 23d of May, 1931 in Kashira near of Moscow. I have a supreme education and finished Military Radio- engineering Academy in Charkov. I am an engineer of automatic control systems and computers. I served in the Soviet Army from 1951 to 1976. After dismissal from army I worked directly with repair and service of COMPUTERS from 1977 to 1995. Last 14 years I worked as a senior engineer of the scientific research institute of the aviation industry. During service in the army I was offered to work for KGB, to inform they about the colleagues, but I refused. Such matters KGB did not forgive me. After dismissal from army my family was began to irradiate. In 1983 and in 1984 I sent complaints on the fact of irradiation to the State Office of Public Prosecutor of the USSR four times, but I have received any answer. Then I was invited into the police, and from there I was sent for psychiatry. In 1989 I was released from psychiatry. In 1998 I sent two references to the minister of the Ministry of Internal Affairs and two telegrams to the president of Russia. But I have not got any answer. As a result of irradiation I have received a number of characteristic diseases. In 1988 I felt the steady impacts of irradiation on my brain and the head. Thus the physical and moral terrorism is carried out: tortures by a sleeplessness, the painful sensations, the full control of consciousness, attempt to change the person. In 1990 I was sent to the psychiatric hospital.

In March, 1995 I sent the complaint to the President and Minister of Defence, but I have not received answers too. The Federal security service refused to consider my application with the reference, that they are not engaged with these questions. The claim to the Ministry of Defence on the fact of the stark irradiation was not accepted by regional court because of absence of proofs. Repeatedly I sent the complaint to the Coordination Council of the Moscow Information Centre for human rights, which helped me and supported me.

In December, 1992 I was operated three times. These three operations was not wrote down in a medical card. The seam under the rib from the right side is seen on the photo. In 1966 he finished Kiev general military command red banner college of Frunze with the qualification - general military commander. Last time he worked as a teacher of the military faculty of Leningrad State University of Zhdanov.

He felt an irradiation in 1982 and then he created in Leningrad the 'society of the protection of personality from the remote bioenergetic terror', who was a chairman of this society up to the destruction. He was killed in 1998.

The above-presented facts testify about the systematic disturbance of citizens' rights of the Russian Federation: the intentional putting of harm to health, tortures, torments, illegal experiments on the people and the damage of the articles of International Convention: the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

An meiner Familie, bestehend aus fünf Personen (ich, mein Mann und die Söhne) werden grausame Schmädhungen verübt (Folter, Verhöhnung), die von den Organen des KGB der UdSSR durchgeführt werden. Diese Schmädhungen geschehen durch die Sicherheitsorgane und in letzter Zeit unter Ausnutzung der neusten Verfahren psychotronischer Waffen. Diese Technologien sind gegen den Verstand des Menschen gerichtet und wirken auf alle Organe des menschlichen Organismus. Die durchgeführten Versuche und Folterungen sind amoralisch, ungeheuerlich und abscheulich hinsichtlich ihrer Grausamkeit. Unabhängig vom Ort und von der Entfernung der Geräte werden wir durch sie gefoltert, werden unsere Gedanken gelesen, hört und sieht man uns, nötigt man uns, im Schrecklichen zu leben, macht Anschläge auf dieses eine Leben, das wir haben, hält man uns lebendig gefangen. Nicht einmal kleine Kinder, die sich in der Wohnung befinden, werden verschont. Bei uns waren Freunde zu Besuch sowie im Ausland lebende Verwandte. Und unsere Kinder waren mit Kindern aus Bulgarien befreundet. Sicher im Zusammenhang damit besuchten unsere Wohnung 1980 KGB-Mitarbeiter und begannen uns zu bedrohen (Wohnung: 309530 Starij Oskol, Belgorodskaja Oblast). Zielgerichtet begann die heimliche Einwirkung auf unseren Gesundheitszustand 1983. Ich hatte 38 Jahre im russischen Bergbau als Konstruktionsingenieur der ersten Kategorie gearbeitet. Ich hatte einen geradlinigen Charakter, was nach Meinung meiner Vorgesetzten A.P. Frolow und N. L. Wjatkin, ein großer Mangel war. In mein Dienstzimmer kamen diese Leute oft mit KGB-Mitarbeitern. 1983 bemerkte ich eine starke Verschlechterung meines Gesundheitszustandes. Es taten das Herz, der Magen und die Gelenke weh. Ich

wandte mich oft ans Krankenhaus. Mein Mann, Dozent an der Saporoscher Universität, begann ebenfalls 1983 einige Merkwürdigkeiten an seinem Gesundheitszustand zu bemerken. Es begannen unbegründete Krankheitserscheinungen in unterschiedlichen Körperorganen. Er sagte, daß sie durch Manipulation seines Bewußtseins kamen. Gegenwärtig ist er ein vom Leid erdrückter und durch Krankheiten alt gewordener Mann, mit völlig zerrüttetem Nervensystem. Mein ältester Sohn, Oleg Iwanowitsch Gudsenko (geb. 17.07.1957), wohnhaft in der Nähe von Moskau, von Beruf Ingenieur für Physik, absolvierte das Moskauer physikalisch-technische Institut (MFTI). Er erkrankte kurz nach der Rückkehr von einer Dienstreise, die er auf dem Forschungsschiff "Ajaks" im Gebiet der Barentsee verbrachte. Ab 1985 begann er über das Auftreten von Stimmen im Kopf zu klagen. Sein Gehirn wurde viele Jahre Tag und Nacht bestrahlt. Im Kopf kreisten Filme mit wissenschaftlichem Charakter, deshalb lasen die Operatoren des Psychotrones seine Gedanken und die Schlußfolgerungen, die er daraus zog. Auf diese Art benutzten sie ihn bis 1992 als intellektuellen Sklaven. 1992 untersuchte ihn die Wunderheilige Olga Strelzowa (ehem. wissenschaftliche Mitarbeiterin in der Abteilung Allgemeine Physik der Akademie der Wissenschaften) mit dem Ziel der Aufklärung der Einwirkungen der elektronischen Spezialtechnik auf meinen Sohn. Sie versuchte auch jene Strahlung zu blockieren, die die Stimmen im Kopf hervorrief. Aber im Oktober 1993 wurde sie brutal ermordet. Im Jahr 1986 er hatte bemerkt, daß man ihn zu programmieren begann, d.h. ihn in einen Zombi verwandeln wollte, aber jetzt lehnt Oleg die Bestrahlung kategorisch ab. Gegenwärtig erscheinen die Stimmen im Kopf seltener, aber der Allgemeinzustand seines Körpers ist insgesamt katastrophal. Es ist ein starker Sehverlust eingetreten, und meistens liegt er im Bett. Ich meine, daß an diesem Verbrechen das Akademiemitglied A. Struminskij beteiligt war, und ebenso das Institut MFTI, die Fabrik der "Zombis". Mein zweiter Sohn, Aleksander Iwanowitsch Gudsenko (geb. 13.12.1958), Bürger Rußlands, diente bis 15. 08. 1992 in Raketeneinheiten im Nordkaukasus. Danach zog er zu den Eltern wegen einer starken Verschlechterung seines Gesundheitszustandes. Ab 23. September 1991 begann er über "Stimmen" im Kopf zu klagen. Diese Stimmen drohten, ihn umzubringen. Er erschrak darüber und wandte sich an die Miliz. Von dort aus wurde er ins Ortskrankenhaus für psychische Erkrankungen in Belgorod gebracht. Einem meiner Söhne sagten Radiostimmen im Dezember 1993, daß ich mich ebenfalls unter ihrer Einflußnahme befinde. Meine Kinder wurden künstlich zu Invaliden gemacht! Wer ist dafür verantwortlich? Wer macht diesem Bösen ein Ende? Ich fordere: Eingehende Untersuchungen dieser Verbrechen, ein Anwendungsverbot dieser abscheulichen Waffenart, die gegen das Leben und die Gesundheit der Menschen gerichtet ist, die Auslieferung der Schuldigen an das Strafgericht.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I was a victim of targeted, directed energy weapons and mind control from Russia.

Alles begann 1983 durch einen Konflikt auf der Arbeit. Und im November 1984 begann mein Mann, Stanislaw Fjodorowitsch Redkin, plötzlich zu klagen, daß ihm die Arme, Beine, der Hals und der Kopf teilweise oder vollständig absterben. Er konnte nicht begreifen, was mit ihm vorgeht. Im April 1984 bekam er gleichzeitig einen Schlaganfall und einen Infarkt. Der Schlaganfall war von einer linksseitigen Lähmung begleitet. Er lag drei Monate und 20 Tage im Moskauer Stadtkrankenhaus Nr. 1. Nach der Entlassung wurde er Vollinvalid.

Und das mit 50 Jahren! Während ich ihn pflegte, kam es bei mir ebenfalls zu merkwürdigen Erscheinungen, obwohl es mir gesundheitlich immer gut ging, und ich im Laufe vieler Jahre an keiner Erkrankung litt. Und nun plötzlich mal eine kurzzeitige Knorpelentzündung, mal kurzzeitige Kopfschmerzen, dann wieder wie bei meinem Mann Absterben der Arme, Beine, des Kopfes (teilweise oder ganz), starke Schmerzen in der Herzgegend und so weiter... Mein Mann sagte, daß er ständig irgendeiner nicht begreiflichen Einwirkung unterliegt. Mir war das auch alles unbegreiflich. All das schien wie aus dem Reich der Phantasie.

Mein Mann starb am ersten August 1986 im Krankenhaus Nr. 79, das sich unweit der U-Bahnstation „Kolomenskaja“ befindet. Nach dem Tod meines Mannes begann ich merkwürdige Befindlichkeiten zu spüren:

Mal konnte ich für zwei Wochen nicht richtig sehen (meine Dioptrie war +1), mal tat das Herz weh. Ich rief den ärztlichen Bereitschaftsdienst. Der bescheinigte mir jedoch, daß alles normal ist. Dann wieder kam es zum Pulsieren und zum Vibrieren des ganzen Körpers, oder zum Prickeln am ganzen Körper, dann taten die Beine anhaltend weh. Ein andres Mal kam es zu einem plötzlichem asthmatischen Hustenanfall und zu einer Entzündung der Bindehaut an den Augen und einer Schleimhautentzündung im Nasen-Rachenraum. Wenn ich das Haus verließ, verschwanden alle diese Merkwürdigkeiten. Ich begriff das so lange nicht, bis ich eines Nachts ein hellblaues Schimmern an der Decke, den Wänden und dann in der ganzen Wohnung sah. Es wurde ein Experiment mit einer Neonlampe durchgeführt, die zu leuchten begann, indem sie die Strahlung fixierte. Danach bemerkte ich Personen, die mit schweren, großen Taschen aus der 3. Etage herunterkamen, sich in ein Auto setzen und davonfahren. Einmal war die Tasche offen, und ich konnte darin ein Gerät sehen. Dann begann ich nachts, über mir in der 3. Etage, Personen umherlaufen zu hören, das Ein- und Ausschalten und das Summen von Geräten und Gespräche von Leuten. Mir kam der unerwartete Gedanke, daß meine Familie für irgendwelche medizinischen Experimente ausgewählt worden war. Ich versuchte mich in der 166. Polizeiabteilung zu beschweren. Daraufhin wurde ich in eine psychiatrische Klinik gebracht. Dort wurde das Experiment nicht nur mit Strahlengeräten fortgesetzt, sondern auch mit Psychopharmaka. Mir wurde eingeredet, daß ich mich in einem Grenzzustand zwischen Gesundheit und Krankheit befinde, und unbedingt geheilt werden muß. Das war im Juni 1987. Nach diesem Einteilungsprinzip mußte man 90% der russischen Bevölkerung in die Psychiatrie verfrachten und heilen! Ich wandte mich um Hilfe an Vater und Mutter, aber sie glaubten und verstanden ebenfalls nicht, so wie ich anfangs auch, daß so etwas überhaupt möglich ist. Meine Mutter, Vera Iwanowna Salbijewa, war seit mehr als 50 Jahren Mitglied in der KPdSU, und Teilnehmerin am Großen Vaterländischen Krieg. Die Experimentatoren fanden meine Eltern bald und begannen sie ebenfalls zu bestrahlen. Anfangs spürten sie nichts, aber mit der Zeit begannen sie über Kopfschmerzen zu klagen, über Schmerzen im Brustkorb, in den Beinen, die anschwellen. Urplötzlich wurden sie von starker Hitze erfaßt und standen völlig unter Schweiß.

Ich wußte damals schon, was mit ihnen vorgeht, aber ich wußte nicht, wie ich ihnen und mir helfen könnte. Mein Ersuchen um Hilfe im Ministerium des Innern und im Komitee für Staatliche Sicherheit brachten mich jedesmal zum Psychiater. Einer von ihnen drohte mir, daß ich „wenn ich nicht aufhöre mich zu beschweren und meine Rechte einzufordern- für immer im Psychiatriekrankenhaus „Kaschtschenko“ eingesperrt werde. Das Ende war wie folgt: Mein Vater, der an einer Herzkrankheit litt, starb an einem Schlaganfall. Die angerufene Dringliche Medizinische Hilfe ließ zwei Stunden auf sich warten. Meine Mutter hatte mehrere Male angerufen. Der Notarzt erschien erst, als seine Hilfe nicht mehr gebraucht wurde. Das war am 13. Mai 1991, als man dem Vater für immer die

Augen schloß. Im Krankenhaus war er ebenfalls bestrahlt worden. Ich stellte das an mir fest, als ich ihn in jenen Tagen dort besuchte. Meine Mutter versuchte man in zwei bis drei Tagen durch einen schlagartigen Strahlenimpuls ins Herz dem Vater hinterher zu schicken. Aber meine Mutter war ungeachtet ihres Alters (sie ist Jahrgang 1910) ein starker Mensch. Sie hatte ein gesundes Herz, über das sie niemals klagte. Ich sah mich veranlaßt umzuziehen, um mit der Mutter zu leben, weil ich glaubte, daß meine Anwesenheit die Hand der Mörder zum Stehen bringt, obwohl meine Mutter – wie auch der Vater – nach wie vor nicht an diese ungesetzlichen Handlungen glaubte. Aber zwei Jahre nach Vaters Tod starb sie als völlig gesunder Mensch mit der Diagnose – zum allgemeinen alles in der Norm. Acht Stunden vor dem Tod telefonierte sie mit der Ärztin aus der Poliklinik Nr. 3, die sagte, daß bei ihr alles normal ist, außer ein wenig Sklerose und Schwäche. In Wahrheit war die Urinanalyse schlecht, weil ihr zeitweise die rechte Niere bestrahlt worden war, wovon sich der Urin rot färbte. Meine vierzehnjährige Tochter und ich hatten nach Bestrahlung der Nieren und des Urogenitalsystems auch rot gefärbten Urin, und er war trübe. Auf diese Weise starb sie plötzlich als praktisch gesunder und physisch starker 82jähriger Mensch, der gute Gesundheitswerte hatte. Vor dem Tod wurde sie aus der unteren Wohnung Nr. 107 mit einem Biogenerator so bestrahlt, daß der Eindruck entstand, als ob das Bett – springt (vibriert). Die Mutter lag da und stöhnte, klagend mal über Schmerzen in den Beinen, über Schmerz in der Leistengegend, dann wieder über Schmerz in der Brust, im Kopf, an der Schilddrüse, dann in der Wirbelsäule usw. Vor dem Tod wurde sie der stärksten, totalen Bestrahlung ausgesetzt. Sie wurde auch aus der oberen Wohnung bestrahlt. Das Gerät war in der Wohnung Nr. 113 über dem Tisch angebracht. Dort saß auch der Operateur. Es wurde alles immer offener gemacht, ohne Versuche, die Vorgänge zu verbergen. Das einzige, was sie versuchen zu verbergen, sind ihre Verbrechergesichter, indem sie unter ganz normalen Leuten tätig sind. Die Messungen der Strahlung, die bei Mutters Krankheit durchgeführt wurden, bekräftigen den Tod durch Bestrahlung. Sich in dieser Zeit in der Umgebung der Mutter aufzuhalten, war äußerst gefährlich für mich und die Tochter. Wir verloren schnell die Orientierung, und mit dem Kopf ging irgendetwas Befremdliches vor sich. Die Mutter starb am 27. Juni 1993. Ich habe Grund anzunehmen, daß Vaters und Mutters Tod beschleunigt wurde, damit unsere Wohnung frei wird, weil außer ihnen niemand auf die Wohnung Anspruch hatte.

Jetzt sind meine vierzehnjährige Tochter Nastja und ich die Objekte der psychotronen Beeinflussungen. Ich werde bereits zehn Jahre bestrahlt. Ich – früher ein absolut gesunder Mensch – verliere mit jedem Tag ein Stück Gesundheit, weil die Intensität der Bestrahlung zunimmt. Mir tun die Milchdrüsen weh, das Urogenitalsystem, alle inneren Organe, einschließlich das Herz. Auf mein Leben fand eine Serie von Mordanschlägen statt, sowohl auf der Straße als auch zu Hause, wenn mit einem Strahlenimpuls in den Magen geschlagen wurde, um mich zu vernichten. Meine Zähne sind inzwischen verdorben, und es entstehen häufig Entzündungen, gegen die ich täglich ankämpfen muß. Wiederholt wurde auf mein Gehirn eingewirkt, indem der Verlust der Orientierung, starker Kopfschmerz und Koordinationsstörungen in den Bewegungen hervorgerufen wurden, und auch Fieber.

Meine Tochter begannen sie ab November 1990 zu bestrahlen, als sie noch keine 12 Jahre alt war, und eine schwache Einwirkung läuft seit 1984. Oft wurde sie zum Weinen gebracht, durch Hervorrufen von Schmerz und Erstarren einzelner Körperteile und des Kopfes. Und jetzt wird sie zwecks Vernichtung mit einem Psychotrongerät bearbeitet. Ihr wird der Magen-Darm-Trakt bestrahlt, die Leber, das Herz, die Gallenblase, die Milchdrüsen, und ständig der Kopf, die Schilddrüse, die Beine (oft die Gelenke), das Urogenitalsystem, und die Gebärmutter (indem ein Orgasmus erzeugt wird). Die Bestrahlung hat eine solche Kraft, daß aus den Geschlechtsorganen Blut austritt. Durch Radiofrequenzbestrahlung wird bei ihr in der Schule im Unterricht, in öffentlichen Verkehrsmitteln und zu Hause starke Müdigkeit erzeugt.

Die Einwirkung auf mich und meine Tochter geht komplex vor sich: Einmal die Einwirkung durch das Psychotrongerät, dann mit Gas über die Ventilation und Rohre sowie mit chemischen Mitteln. Mit Gasen vergiftet man uns ständig – morgens, tagsüber und abends – indem eine Allergie, eine Schleimhautentzündung im Nasen-Rachenraum, Schnupfen und Husten (oft mit Blut) erzeugt wird. Die Gase haben unterschiedlichen Geruch oder sie sind geruchlos. Es ist Schwefelwasserstoff in sehr hoher Konzentration, ein Gas mit Knoblauchgeruch (in den ersten Jahren der Bestrahlung). Dann

â€žFaulbeerbaum,â€œ ein Gas, das von Spezialabteilungen zur Unterdrückung von Aufruhr, Empörung und Unruhen in Gefängnissen verwendet wird. Und wenn eine Wirkung auf die Bindehaut der Augen und den Nasen-Rachenraum zu spüren ist, dann ist es ein scharfes oder ein geruchloses Gas.

Zu den chemischen Mitteln: Das ist ein rosa oder rosa-fliegender Farbstoff, der einerseits zum Kennzeichnen dient, weil man damit Teile der Wohnung markiert, die Zimmergrenzen, das Toilettenbecken, und auch den Schlafplatz des Menschen, auf den man einwirkt, die Kleidung, die Bettwäsche usw. Andererseits wirkt dieser Farbstoff auf die Haut und auf die Schleimhäute, indem er verschiedene Hautkrankheiten, Entzündungen der Bindehaut der Augen und des Nasen-Rachenraums bewirkt. Ein anderer Stoff â€“ von der Farbe einer Meereswelle- ist sehr giftig.

Da alle meine Hilfesuche an die Behörden eine negative Reaktion hervorriefen und den Wunsch, mich in ein Psychiatriekrankenhaus zu bringen, sah ich mich gezwungen, mich um Hilfe an das Moskauer Komitee für Wohnökologie zu wenden.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany.

Betroffene von Experimenten mit Strahlenwaffen Sehr geehrte Damen und Herren,

seit sechs Jahren wurde ich und meine Kinder durch der Mikrowellenwaffen bestrahlt. Die beide Kinder sind jetzt 7 und 8 Jahren. Die Täter wohnen an meinem alten Wohnort, Waldenserstr. 29, 10551 Berlin. Es sind Herr Stefan Bodewein und die Lebensgefährtin Frau Juttner, die wahrscheinlich noch in diesem Haus wohnen.

Es hat in Juli 2001 angefangen und begann damit, das unser elektrische Geräte einen großen Lärm veranstalteten, es war ein lautes Schlagen aus dem Fernseher, Kühlschrank und Computer. Das alles hat angefangen seit Herr Stefan Bodewein und Frau Juttner Franke eingezogen sind. Ein Fernseher wurde dabei kaputt geschlagen. Ich habe meinem Mann gesagt, dass das mit unseren neuen Nachbarn zu tun hat, was er nicht ernst genommen hat.

Mit der Wasserversorgung hatten wir dann auch Probleme. Vor allem, wenn ich und die Kinder duschen wollten.

Im Juli 2001 habe ich Herrn Bodewein getroffen und ihm alles erzählt, was in meiner Wohnung los ist, und er hat mir geantwortet, dass ich ausziehen kann, wenn es mir nicht passt. Im Januar 2002 hat Herr

Bodewein mir gegenüber zugegeben, dass es seine Arbeit sei andere Leute zu quälen, was auch Spaß mache.

Zu diesem Zeitpunkt hatten sie schon mit Experimenten an mir angefangen. Sie haben mich gequält und meinen Kinder waren damals auch schon betroffen. Sie behandeln uns so und lachen meine Kinder an. Ich habe meinen Kinder verboten mit ihm zu reden. Sie ärgern mich absichtlich. Erst jetzt kann ich alles nachvollziehen, wer Herr Bodewein und Fr. Juttner sind. Ich habe gehört, dass sie mit Stasi-Methoden Experimenten machen.

Am 09.10.2003 habe ich Herrn Bodewein gefragt, warum er mich nicht schlafen last und warum sie mir nicht in Ruhe lassen wollen. Ich hatte das Gefühl, als wenn sie über meinem Kopf trampeln würden, worauf er erneut antwortete, das es ihm Spaß mache.

Am 12.01.04 habe ich Herrn Bodewein bei der Polizei angezeigt, weil ich gemerkt habe, dass er mich verfolgt.

An diesen Tag hat er mit der Strahlung angefangen. Ich wusste genau, das die Strahlung von oben kamen, aber ich wusste nicht wie ich darauf reagieren sollte. Ich habe meinen Kopf mit einem Kopftuch umwickelt, was aber auch nicht half. Ich bin einfach aus der Wohnung weggelaufen, habe aber gemerkt, das er mich mit Strahlung verfolgte. Ich weiß genau, das es sich hierbei um Strahlung handelt, da ich während meiner Ausbildung damit Erfahrungen gemacht habe.

Am 13.01.04 empfand ich noch stärkere Strahlungen am Kopf und Herz, die sehr schmerzhaft waren, besonders im Hirnbereich. Ich habe darauf hin die Polizei angerufen, die auch sofort zur stelle war. Auf das anklopfen der Polizei haben die Nachbarn nicht reagiert, obwohl sie zuhause waren. Auch wenn sie nicht zuhause sind, lassen sie immer ihre Vertreter da, die dann die Bestrahlung übernehmen, wie mir Herr Bodewein bestätigte. Sie vertreten sich gegenseitlich. Her Bodewein und Fr. Juttner haben einige Nachbarn benutzt, indem Sie sie in Schutz genommen haben, weil sie mich provoziert haben, schmerzhaft gefoltert und mich nicht schlafen ließen.

Und sobald ich mit ihm geschimpft habe und die anderen Nachbarn dies mitbekommen haben, haben sie mir nicht geglaubt, dass es eine Waffe gibt, die durch die Wände strahlen und schmerzen zufügen kann. Wenn ich es selbst nicht erlebt hätte, hätte ich es selbst nicht geglaubt.

Als ich meinem Mann von dieser Strahlung erzählt habe, schickte er mich zum Arzt, was ich auch gemacht habe. Der Arzt hat jedoch keine Veränderung festgestellt. Ich habe daraufhin weiteren Bekannten von meinem Erlebten erzählt, bis eine Freundin mir von einer Fernsehsendung über diese strahlenden Waffen berichtete.

Mein Mann holte sich dazu Informationen aus dem Internet und bestätigte mir, dass es diese Waffen wirklich gibt. Herr Bodewein und fr. Juttner schienen sich der Unrechtmäßigkeit ihres Handels nicht bewusst sein. Auch scheinen sie nicht zu wissen, dass diese Bestrahlung Schmerzen verursachen und letzten Endes Gesundheitsstörungen herbeiführen kann und kann auch bis zu Tod führen. Ich bin über 6 Monate lang mit Alufolie um meinen Körper in meiner alten Wohnung herumgelaufen um mich vor den Strahlen zu schützen. Ich habe mir sogar ein Kostüm aus 8-10 Schichten Alufolie genäht, was mir sehr geholfen hat.

Im August 2004 sind wir ausgezogen, und die Vertreter haben die Strahlung in meiner neuen Wohnung übernommen. Ich vermute das die Täter von die angrenzenden Wände unserer neuen Wohnung, sowie von der gegenüberliegende Balkon bestrahlen mich. Die ganze Nachbarschaft weiß von diesem Experiment.

Ungefähr eine Woche nach unserem Umzug hat ein Rechtsanwalt behauptet, dass mein Sohn an die Wände geschrieben hätte und er deswegen die Hausverwaltung benachrichtigen würde. Ich bat ihn daraufhin mir das zu zeigen, was er aber nicht tat. Ich habe ihn seitdem nicht mehr gesehen. Es war ein

Komplott gegen mich.

Am 31.08.04 habe ich eine Darmspiegelung gemacht, weil ich bis zu 45 Tagen ohne Stuhlgang war. Der Resultat war aber in Ordnung. Sie provozieren bei mir ständig diesen Darmstillstand. Ich merke bis heute auch ständig Schläge in meinem Bauch. Meine Kinder sind auch von dem Darmstillstand betroffen. Meine Tochter hat sich schon vor einem Jahr über Unterrippenschmerzen und Bauchschmerzen beklagt und sie hat mich gefragt warum sie nicht niesen und Luft lassen könne. Mein Sohn beklagt sich, warum sein Körper die ganze Zeit so kribbelig sei. Er zieht unterwegs die Schuhe aus, weil er geschwollene Füße hat. Meine Kinder sind noch in der Entwicklungsphase und wer weiß, was diese Bestrahlung für Folgen haben kann.

Die Täter versuchen mich mit anderen Menschen in Konflikt zu bringen, indem sie versuchen die Strahlungen über andere Menschen auf mich umzuleiten. Sobald ich meinen Kinder in den Arm nehme, erfolgt einen Strahlungsregen auf mich, weil die Verbrecher nicht wollen dass ich Körperkontakt mit meinen Kindern habe.

Herr Bodewein und Fr. Juttner haben auch zwei Kinder, die ungefähr im alter von meinen Kinder sind. Ihr Geld verdienen sie jedoch durch die Bestrahlung anderen Kinder. Die genannten Täter verheimlichen ihre Tat nicht. Ich möchte noch mal bemerken, dass Herr Bodewein im Januar 2002 mir gegenüber zugegeben hat, dass dies seine Arbeit ist. Sie haben mich vor Gericht gezerrt und angeklagt, das ich gewalttätig sei. Sie versuchen die Opfer und Täterrolle zu vertauschen. Sie haben mich schmerzhaft gefoltert und mit mir und meinen Kinder Experimente gemacht. In ihrer Klage vor Gericht haben sie geschrieben, dass sie um meinen Gesundheitszustand besorgt sind, da mein Verhalten unberechenbar sei.

Das sind die schlimmste Folter, die es gibt. Sie lügen, sie stehen nicht für was sie tun, sie nehmen keine Verantwortung von ihre handeln. Sie provozieren mich täglich starke schmerzen, Schlaflosigkeit (ich schlafe nur 2-4 Std. am Tag), Darmstilstand (9-10 Wochen ohne Stuhlgang), Übelkeit, Müdigkeit, Atemnot, Schluckenbeschwerden, schmerzhafte Füße (so das ich keinen Schritt gehen kann), Herzklopfen, Krämpfe am ganzen Körper und Kopfschmerzen wie Messerstiche. Außerdem habe ich Geräusche im Kopf (wie zwei Knochen, die man aufeinander reibt), einen ganz dicken Bauch (so dass ich das Gefühl habe, dass mein Bauch platzt), Hustenanfälle, Schlee in den Genitalbereich und After, Schläge an der Stirn, an die Augen und ein Lähmungsgefühl im Gelenke und im Brustkorb.

Ich wollte ein mal nur die Zähnen putzen und kaum zu glauben, meine Zähne haben angefangen nach oben zu steigen aus meinem Zahnfleisch, wie wen jemand die Wurzel sehen kann. Ich habe angefangen zu schimpfen, haben sie damit aufgehört.

Ich habe Urlaub in Portugal gemacht, wo ich auch von ihnen verfolgt wurde. Ich habe in der Rua da Padeirinha

Nr. 21.2o- dto. 2735 Cacem im 2 Stock gewohnt, wo sie mich vom 3 Stock aus weiter traktiert haben. An meinem Arbeitsplatz (in Berlin) sind sie auch schon vorgedrungen und versuchen mich von die Leuten isolieren. In der Schule versuchen sie auch meine Kinder zu isolieren. In unserer jetzigen Wohnung versuchen sie uns zu vertreiben.

Ich möchte, dass Herr Bodewein, Fr. Juttner und ihre Vertreter aus kriminelle Bande nicht mehr die Menschen foltern und mit ihnen experimentieren. Sie haben kein Recht lebendige Menschen auf diese Weise zu behandeln und ihre Schicksale in Ihre Hand zu nehmen. Ich möchte jedoch mit meinen Kinder in Ruhe leben und für meine Kindern eine gesunde Mutter sein.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING
DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Austria.

Ich werde seit über 10 Jahren in und außerhalb meiner Privatsphäre mit elektromagnetischen Waffen attackiert und betäubt. Mein Leben ist in inzwischen sehr aus den Fugen geraten und meine physische und psychische Verfassung dementsprechend.

Worum geht es?

Erst durch langes Nachforschen und etwas Einblick in die moderne Technik kommt man dahinter, was für revolutionäres technisches Potential den Terroristen heute zur Verfügung steht.

Es geht konkret um neuen elektromagnetischen Terrorismus, der es erlaubt die letzten Schutzhüllen der Menschen zu durchdringen.

Mit modernem Funkbildradar lässt sich durch Wände und sämtliche Materialien vorzüglich filmen. Doch nicht nur das, fokussierte Radio und Mikrowellen werden dazu verwendet um Menschen im Körperinneren zu attackieren, zu betäuben, krank zu machen und sogar zu töten.

Es geht noch konkreter gesagt darum, Gesetze zu schaffen, die diese Einbrecher in unsere Privatsphären mit diesen neuen Technologien strafrechtlich verfolgen.

Hier sind nur ein paar von täglichen Attacken die an mir von den Funkterroristen mit elektromagnetischen Waffen verübt werden:

Elektromagnetische Attacken in Kopf, Herz, Unterleib usw. (wie an einen Stromgenerator angeschlossen) Stoffwechselreduktion (die Gedärme werden so zusammengezogen, dass der gesamte Stoffwechselvorgang zum Stillstand kommt) In Folge kommt es zu einer Kreislaufreduktion und oft schwerer Atemnot. Morgens wache ich oft wie aus einer Narkose auf.

Zusätzlich werden vor sämtlichen Terminen oder z. B, beim Telefonieren und Essen die Attacken verstärkt. Vor kurzem wurde ich auf der Autobahn so stark am Herzen attackiert, das ich mehrmals stehen bleiben musste, weil ich dachte ohnmächtig zu werden.

Wie gesagt werde ich mit Funkbildradar in meiner Privatsphäre gefilmt wodurch mein Musik-Kompositions-Studio seit längerer Zeit lahm gelegt ist und ich auch beruflich immer mehr Probleme bekomme.

 DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Germany

Bericht über illegale, kriminelle Mikrowellenbestrahlung in und außerhalb der Wohnung

Beginn der Vorgänge:

Sept. 1998, Institut ZZBW der Uni Hannover. Ich war dort auf Einladung des Leiters zwecks Literaturstudium. Methoden: Organisierte Psychospiele (auch Rollenspiele gen.) durch den Leiter des Instituts und seine Mitarbeiter(innen). Verfolgter Zweck: Erzeugung von Irritationen, Verunsicherung, Öffentliche Bloßstellung und Erniedrigung, psychische Destabilisierung. Nach Rückkehr nach Erfurt Fortsetzung derselben Psychospiele unter Einbeziehung des gesamten sozialen Umfeldes (Mieter, Nachbarn, Bekannte, Freunde), sowie Beginn nächtlichen Geräuschterrors und von Behinderungen jeglicher Art im Alltag. Aus den Inhalten der Psychospiele geht hervor, daß zu meiner Person umfassende Sozialsplionage bis weit in die Verwandtschaft hinein betrieben wurde, und daß mir Ereignisse und Fakten über mein Leben eingehämmert werden sollen, die es überhaupt nicht gab. Auf jeden Widerspruch folgt noch stärkerer Geräuschterror und Intensivierung der Psychospiele mit immer denselben Inhalten. Erste Wohnungseinbrüche, Durchwühlen bis in den letzten Winkel, Abhören des Telefons, Überwachung der Wohnung. Reaktion der Polizei: Weil ich keine(n) Zeugen hatte, kann nichts unternommen werden. Im August 2003 Umzug in einen anderen Stadtteil. Ab zweiter Nacht in der neuen Wohnung noch stärkerer Geräuschterror. Hauptbeteiligte: Ober-, Untermieter u. Wohnungsnachbarin. Fortsetzung derselben Psychospiele, Wohnungseinbruch, Abhören des Telefons u. der Wohnung, Überwachung der Wohnung, Verfolgung in und außerhalb der Stadt. Ab Ende November 2003: Nachts Beginn der illegalen Mikrowellenbestrahlung mit vier Attacken direkt auf das Herz, was außerdem erst starke Schmerzen erzeugte. Am Morgen außerdem erst aufzustehen, stark geschwollene Augenlider, breite, schwarze Augenringe. Geräuschterror und Psychospiele gehen weiter. Flucht aus der Wohnung, weil bei Aufenthalt derart starke Körperschwingungen, daß das "Hörpfand" der Nerven, Muskeln u. inneren Organe im Bauchraum auf der Hautoberfläche sichtbar und tastbar ist; wegen starken Stromgeföhls im gesamten Körper, wegen schnell ansteigenden Blutdrucks auf extreme Werte (z.B. 200:120), starkem Kopfdruck, Atemnot, Herzsrasen, Panikgeföhle, Sehstörungen, Haarausfall, wegen Geföhls des Vergleichens mit starken Schweißausbrüchen. Tags Aufenthalt in Stadt und Unibibliothek bis zur Schließung um 24 Uhr, danach bis 5/6 Uhr früh Laufen und Fahren (mit Straßenbahn) durch die Stadt. Ab Ende 2004 zunehmend Übernachtung beim Vater/Bruder in Zeitz, Sachsenanhalt. Seitdem werden beide ebenfalls bestrahlt und leiden unter denselben Symptomen. In Zeitz Übernachtung im Keller des Hauses, nachts Umherlaufen in der Stadt, Flucht mit Auto in den Wald. Nach zwei bis drei Stunden sind wir geortet, die Bestrahlung geht weiter. Ab Jahreswechsel

2004/05 zusätzlich gezielte Bestrahlung beider Ischiasnerven, der Muskeln, Sehnen und Nerven von der Lendenwirbelsäule bis zu den Fingern, des li. Ellbogens, Bestrahlung der Genitalien, Erzeugung starker Muskelzuckungen am Hals, an den Armen, den Beinen, Kopfbestrahlung (Vibriieren im Kopf, starke Kopfschmerzen, hei werden des Kopfes mit starker Rötung), nachts immer wieder mehrere Attacken auf das Herz u. oft Strahlenerschütterungen, die den gesamten Körper zusammenzucken und um Millimeter von der Stelle schleudern lassen.

Motive des Haupttäters: Der Leiter des ZZBW ist in meinem und im Falle von Bruder/Vater Initiator und Organisator des Terrors, wobei er sich eines ausgedehnten, nach geheimdienstlichen Strukturen organisierten Netzes von Personen bedient. Anlässlich seiner Terroraktionen ist angeblich mein damaliges Forschungsthema über die Verflechtungen von SED und MfS an

Hochschuleinrichtungen in der DDR sowie meine Mitarbeit während und nach der Wende in der Bürgerbewegung (u.a. Bürgerkomitee Erfurt). Er war übrigens der Einzige, dem mein Thema mißfiel!

Begründung für Verdacht, daß Bestrahlung v.a. aus Wohnung des Ober- u. Untermieters kam (betr. Zeitraum v. Aug. 2003 bis Jan. 2007): Im Mai und September 2005: Raummessungen wegen Strahlenbelastung, ergänzend dazu Körperspannungsmessung, Mundspannungsmessung. Ergebnis aller Messungen: Extreme Anomalien, Bestätigung, daß im Schlafzimmer, in Küche und Bad starke Strahlung aus der unteren Wohnung kommt. Bestrahlung aus oberer Wohnung fiel in der 2.梅nachts plötzlich aus. Stieg ich jedoch auf die Leiter (Pflanzen auf Schränken gießen), dann schlagartige Verstärkung der Symptome/Schmerzen. Bestätigung durch Abschirmmaterial: Half die Abschirmung unter dem Körper liegend, kam die Strahlung von unten. Besserung der Schmerzen mit auf/über dem Körper befindlicher Abschirmung, kam Bestrahlung überwiegend von oben. Messungen mit eigenem HF-Detektor ergaben HF-Abstrahlungen (weit im Gigahertzbereich!) aus allen Steckdosen !!, von allen Metallgegenständen, und sogar von der Plaste-PC-Tastatur. Vergleichsmessungen in drei anderen Wohnungen ergaben keine Anzeige auf dem Detektor. Weitere Beobachtungen: Obermieter schleicht um 07:15 Uhr mit Reisetasche, in der offensichtlich ein Gerät liegt (Form der Tasche!) in die 2. Etage, geht wenig später mit leerer Tasche wieder hoch, und verläßt um 07:30 Uhr mit Arbeitstasche das Haus. Mehrere Male beobachtet, daß gegen 07:25 Uhr eine schwarz gekleidete, mittelgroße männliche Person von etwas kräftiger Statur in die Wohnung des Obermieters geht. Kurz darauf jedesmal Verstärkung der Bestrahlung und/oder Änderung der Einstellung (Art der Bestrahlung). Dieselbe Beobachtung machte ich mehrere Male zwischen 22 und 23 Uhr. Auch um diese Zeit erfolgte regelmäÙig eine Verstärkung der Bestrahlung.

Zur Beteiligung an Psychospielen: Meine Befragungen ergaben: Sie kennen weder Zweck noch Ziel, d.h. den Gesamtzusammenhang. Ihr Mitmachen erfolgte durch Bitten oder den Satz, sie würden ihm einen großen Gefallen damit tun. Die Befragten waren vom Leiter des ZZBW instruiert worden. Sie wurden verpflichtet, über die Instruierung zu schweigen und zu leugnen, jemals solche Instruktionen erhalten zu haben.

Häufig erfolgten Einmischungen in medizinische Behandlungen. Ärzten und Sprechstundenschwestern wurde gesagt, wie sie sich mir gegenüber zu verhalten haben (z.B. grob, abweisend, arrogant, anschreien), was und wie sie mir etwas zu sagen haben. Es kam sogar zu zwei Fällen von grober Körperverletzung während der Sprechstunden, die unmißverständlich im Auftrag dieses Verbrechers und seiner Handlanger ausgeführt wurden. Meinem behandelnden Arzt, der ebenfalls instruiert wurde, wurde gesagt, es ginge um eine kleine Psychotherapie nebenbei, die doch nicht schaden kann (Zitat des Arztes).

Verleumdungs- und Rufmordkampagnen: Hauptakteure: Der Vermieter der Wohnung, Ober- und Untermieter. Auf Beschwerden beim Vermieter wegen des Geräuschterrors sowie nach Zusendung der Meßergebnisse über die Strahlenbelastung kam nur eine Reaktion: "Das bilden Sie sich alles nur ein! Gehen Sie mal zum Psychiater, Sie sind krank!" Nach meiner Mietminderung: Schreiben des Vermieters an den sozialpsychiatrischen Dienst mit der Aufforderung, mich unter Obhut des Vormundschaftsgerichts zu stellen, weil ich psychisch krank sei. Ich konnte diese Angelegenheit abwenden. Ober-, Untermieter und Nachbarin beschwerten sich beim Vermieter, ich würde nächtliche Ruhestörung betreiben, und daß sie sich durch mich belastet fühlen. Untermieterin behauptet, ich

würde sie jeden Morgen wach trampeln.

Meine Gegenmaßnahmen zum Geräuschterror und Psychospielen:

Zwei Beschwerden über den Leiter des ZZBW beim Präsidenten der Uni Hannover (Schriftwechsel liegt vor): Ergebnis der ersten Beschwerde: Dienstlich sei ihm nichts anzuhängen. Meine zweite Beschwerde wurde an den Vizepräsidenten, der Jurist ist, weitergeleitet. Da keine Reaktion kam, fuhr ich nach Hannover und sprach mit ihm. Ergebnis: Siehe 1. Beschwerde und: Was er in seiner Freizeit treibt, darauf habe die Hochschule keinen Einfluss. Ich solle den zivilen Rechtsweg versuchen.

Verweigerung einer Kopie der Stellungnahme des Leiters des ZZBW zu meiner Beschwerde.

Begründung: Das sei eine interne Sache, also steht mir eine Kopie nicht zu. Es wurde offensichtlich, dass sowohl die Uni-Leitung als auch das Wissenschaftsministerium diesen Mann decken und schützen.

Andere außergerichtliche Versuche: Gespräch mit Obermieterin wegen des Geräuschterrors: Keine Änderung. Terminvereinbarung mit der Schiedsfrau des Stadtgebietes und mit der Gleichstellungsbeauftragten der Stadt: Am Vorabend Absage beider Termine. Auf Frage nach dem Warum keine Antwort.

Neue Termine nicht möglich, ebf. ohne Begründung. Schreiben ans Ordnungsamt. Antwort: Es kann nur einschreiten, wenn mehrere Mieter von Geräuschbelästigungen betroffen sind. Polizei gerufen.

Bei Eintreffen urplötzlich Ruhe. Ich lade Zeugen ein: Urplötzliche Ruhe. Nur mein Vater wurde nicht bemerkt. Er konnte sich von dem tierischen Lärm der Obermieter überzeugen. Im Dez. 2003:

Einstweilige Verfügung gegen Obermieterin. Daraufhin im Jan. 2004 Gerichtsverhandlung: Vermieter mit Ehefrau, Ober- und Untermieter, Mieter aus der 1. Etage u. mir unbekannte Personen sagen aus, dass es keinerlei Lärmbelästigungen gibt, dass alle meine Behauptungen falsch sind usw. Der Richter spottet über meine Beweisdokumentation. Die schriftliche Zeugenaussage meines Vaters wird nicht beachtet. Die mich vertretende Anwältin sagte kurz vor der Verhandlung: "So was kann man sich auch alles nur einbilden!" In der Verhandlung hockt sie schweigend da, kein Wort der Verteidigung. Sie nötigt mich aber, die einstweilige Verfügung zurückzuziehen, weil ich gegen die Mehrheit keine Chance habe, sich andernfalls die Kosten für mich um das Dreifache erhöhen. Ich verliere und muss die Gerichtskosten bezahlen. Der Geräuschterror geht weiter. Ich mindere die Miete um 50 %, weil meine Wohnung unbenutzbar. Reaktion des Vermieters: s. oben.

Strafanzeige wegen illegaler Bestrahlung, fortgesetzter elektromagnetischer Folter mit gefährlicher Körperverletzung und Mordversuch: AZ 591 Js 4605/05 (Gs Zs 326/05) vom Januar 2005. Verfahren eingestellt ohne Ergebnis.

Strafanzeige gegen Beamte der PI Erfurt wegen Strafvereitelung im Amt. AZ 591 Js 2117/05 (Gs-Nr: Zs 325/05) vom 19.11.2004. Verfahren eingestellt ohne Ergebnis. Nachdem ich meine Strafanzeige bei der Kripo eingereicht hatte, kamen zwei Polizisten zu mir in die Wohnung mit dem Auftrag, mich zum Rückzug der Strafanzeige zu bewegen, was ich jedoch nicht versprach. In der darauf folgenden Nacht wurden beide Ischiasnerven derart stark bestrahlt, dass ich am Morgen kaum noch laufen konnte. Um acht Uhr klingelte mein Telefon. Einer der beiden Polizisten vom Vortag sagte in hämischen Ton: "Nicht wahr, Frau Altendorf, Sie ziehen doch Ihre Anzeige zurück!" Ich sagte, dass ich die Strafanzeige nicht zurückziehe, und dass er meine Entscheidung noch schriftlich erhält. Daraufhin kam keinerlei Bestätigung über den Eingang der Strafanzeige und deren Weiterleitung. Meine telefonische Nachfrage bei der Staatsanwaltschaft im Januar 2005 ergab, dass von mir keine Anzeige vorliegt, auch keine Tagebuchnummer o.ä. Meine Rückfrage bei der PI Sd ergab, dass dort ebenfalls von mir keinerlei Anzeige vorliegt. Das war der Grund für meine o.g. Anzeige gegen Beamte der PI Erfurt.

Abschirmmaßnahmen erfolgten ab Mai 2005. Probiert wurden verschieden starke Alufolien, Materialien aus Kupfer und Rauhkupfer, und eine lange Hose aus Baumwolle mit Silberfäden sowie eine Betauflage und eine Mütze (Cape) aus demselben Material. Alle Materialien helfen jedoch nur bei schwacher bis mäßiger Bestrahlung. Starke bis äußerst starke Schmerzen können damit nicht verhindert werden. Die Kosten für diese Materialien betragen rund 1.200 Euro (Rechnungen liegen vor). Verwendet wird auch die Bemer 3000-Methode. Preis:

Ca. 1.700 Euro (Rechnung liegt vor.)

Gesundheitliche Schäden infolge der illegalen Bestrahlung:

Im März 2004, nach monatelangem Vibrieren auch des Herzmuskels: Herzmuskelentzündung. Unterlagen im Krankenhaus in Zeitz. Das Vibrieren des Herzmuskels war auf dem Langzeit-EKG sichtbar. Aussage der Stationschwester: -Sie hatten aber Glück, es sah schlimm aus.- Weichteiltumor am Steißbein, das anfangs sehr stark bestrahlt wurde, mit Erzeugung äußerst starker Schmerzen. Diagnose: Chirurg Dr. I. Seidel, Erfurt. Die Operation sollte im Oktober 2004 sein. Drei Wochen vor dem Termin plötzliche Rückbildung. Das Steißbein wurde nicht mehr bestrahlt. Nach einem Jahr Feststellung eines Schilddrüsenknotens und zu niedriger Schilddrüsenwert (Diagnose: Hausarzt). Ich muß deswegen Tabletten (L-Thyroxin 100 mg) einnehmen. Von Beginn der Bestrahlung an zu hoher Blutdruck. Feststellung durch eigenes Blutdruckmessgerät (Oberarm-Manschetten-gerät mit hoher Genauigkeit) und beim Hausarzt. (Verschreibung von Corinfar u. Nifedipin.). Herzrhythmusstörungen durch häufige nächtliche Bestrahlung auch nach der Herzmuskelentzündung. Diagnose: Dr. Lang (Kardiologe, Erfurt). Muß deswegen Metoprolol einnehmen. Ischiasnerven: Behandlung durch Orthopäden (Spritzen) und mit Akupunktur durch Homöopathin (Fr. Schäffler, Zeitz). Die Behandlungen halfen jeweils nur für einen Nachmittag. Durch ständige Weiterbestrahlung inzwischen Dauerschmerz. Laufen und Stehen nur noch mit starken Schmerzen möglich durch ständige Bestrahlung der Lendenwirbelsäule, beider Ischiasnerven, der Muskeln, Sehnen, Nerven am linken Arm, und vom Gesäß abwärts bis zu den Füßen. Behandlung: Schmerztherapeut, Erfurt. Linker Ellbogen: In einer Nacht Erzeugung starker Schwellung mit großem Bluterguss, Arm unbeweglich. Ellbogen sah aus, als ob mit großem Hammer draufgehauen wurde. Behandlung bis jetzt: Orthopäde. Durch häufige Bestrahlung des Bauchraumes: Zweimal Entzündung der Blase (Diagnose: Hausarzt) sowie inzwischen ständige Reizblase. Nachts kam es wiederholt zur Erzeugung von Hämatomen auf der Wade und an den Füßen, zu sichtbaren Strahleneinschüssen auf der Hautoberfläche und zu starken Schwellungen mit violett-schwarzer Verfärbung der Haut. Dazu liegen Fotos vor. Sonstiges: Ich habe Metallimplantate im Körper (Hälfte und Halswirbelsäule). Durch die Bestrahlung begannen sie zu schmerzen. Außerdem sind sie unter diesen Bedingungen ein zusätzliches Risiko, weil das Metall im Körper wie eine Antenne wirkt: Es zieht die Strahlung an und speichert sie. Die nachfolgende Abgabe der Strahlung an das umliegende Gewebe führt zu schneller Beschädigung oder zur Zerstörung desselben. Das heißt, die durch die Operationen gewonnene Schmerzfreiheit und Beweglichkeit kann wieder zerstört werden.

Im Januar 2007: Umzug in eine Dachgeschoßwohnung, um wenigstens dem Geräuschterror zu entkommen. Während zweier Besichtigungen dieser Wohnung spürte ich nichts von Bestrahlung. Am Tag der Übergabe der Wohnung war alles wieder wie gehabt, und ich stellte Einbruchspuren an der Wohnungseingangstür fest. Die Wohnungssuche war stark behindert worden und verlief mit noch intensiverer Bestrahlung. Jede Besichtigung mußte ich mit äußerst starken Schmerzen durchführen.

In der Wohnung Röntgenstr. 09 (Aug.2003 bis Januar 2007) kam es öfter zu lautem Knallen meiner Holz Möbel, so als ob sie zerbersten. Es handelt sich dabei um das Zerplatzen von Wassermolekülen im Holz, infolge der Bestrahlung. In den ersten anderthalb Jahren der Bestrahlung kam es zu starkem Blätterverlust und Braun-färbung meiner Zimmerpflanzen. Es kam öfter zu Störungen am Telefon, am PC und des Kühlschranks. Die Geräte setzten wiederholt plötzlich aus. Immer dann, wenn ich (mit Handy) einen Monteur bestellt hatte, funktionierten die Geräte plötzlich wieder. Während eines Besuches beim Vater wurden meinem Bruder und mir zur gleichen Zeit Übelkeit und Erbrechen angestrahlt, während eines anderen Besuches wurden beim Vater, Bruder und bei mir plötzlich Symptome einer starken Erkältung erzeugt.

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of targeted, directed energy weapons and mind control from Russia.

I was born on the 7th of September, 1954 in Moscow. I have a higher education. In 1977 I finished the Moscow medical stomatological institute of Semashko and I work as a doctor till now.

They began to irradiate us since 1973. I have a number of the diseases of the technogenic nature: pain in the spin, in the back,

the pathology of the kidneys, liver, lungs of "the obscure etiology" by normal analyses. It was arranged the quarrels in my family as a moral effect. I was divorced with my husband and they threatened to straighten my son and me. My obtained diseases as a result of irradiation during thirty-years (see in appendix 2.).

I have a protocol of measure of the ionizing emission in my apartment and a report of the inspection of my apartment.

The Moscow committee of the ecology of dwelling determined, that in the absence of owners somebody penetrated into my apartment and sprinkled my apartment by chemical substances (see appendix 3).

The above-presented facts testify about the systematic disturbance of the citizens' rights of the Russian Federation, the intentional putting of harm to health, the tortures, the tortments, the illegal experiments on the people and the damage of the articles of the International Convention: the article 2. proclaims the right to the life, the article 3. protects from tortures and inhuman treatment, the article 8. proclaims the respect for personal life and inviolability of dwelling.

I am a victim of targeted, directed energy weapons and mind control from Russia.

I was born on 15th of June, 1938 in Kazakhstan. I have an intermediate technical education. In 1966 I finished the Leningrad physicomachanical technical school .

From 1959 to 1993 I worked in the Leningrad optical-mechanical association (LOMO) as an engineer for the preparation of production.

They began to irradiate us since 1983 and I felt a very stark indisposition, pains of eyes, pains in the heart and in the joints. I always have incomprehensible allergy. Since that I began to write complains about these incomprehensible illnesses. I told my friends and my colleagues about these strange symptoms. It was necessary to suppress the excess conversations and in 1983 I was accomodated into the mental hospital. I sent complains to the different state instances because of irradiation but I didn't get any answer till now. All considered me as the mentally unhealthy person. In 1993 I retired on pension and now I am a pensioner.

As a result of the irradiation I have different diseases: leucosis, burns.

In my absence the criminals entered into my apartment and they strewed by the chemistry mixture furniture, products, wearing things, spoil office equipment, sanitary engineering, clothing.

In 1998 my husband Pavlovsky Grigoriy was killed, who created "St. Petersburg's society of the protection of personality from the remote bioenergetic terror" and who was a chairman of this society. All my relatives are irradiated and in 1999 my daughter's husband was killed . My sister is irradiated brutally.

I am a victim of targeted, directed energy weapons and mind control from Russia.

I was born on the 20th of March, 1940 in Komsomolsk— on- Amur of Khabarovskiy District. I have a higher education and finished the polytechnic institute in Komsomolsk – on-Amur. I am a Candidate of Technical Sciences from 1969 to 1992 and I worked at the scientific research institute of aviation technologies. From 1992 to 2000 I was an owner of my own firm and now I am an owner of Caralov club.

I was irradiated since 1991 repeatedly. I began to write complaints because of the irradiation to the different instances. In 1992 I sent complaints to the organs of the sanitary-epidemiological supervision of eastern administrative district

association from the tenants of our house 1/1. And in 1993 I sent the complaint to the main sanitary doctor of Moscow. I've got the answer, that similar emissions are not measured and that there are no instruments for the measurement BY SHF.

After that I sent the complaint to the district division of internal affairs on the fact of the irradiation. As a result of it the police threatened me in my apartment to isolate me and send me into psychiatry. Three times I sent complaints to the federal security service, but I didn't get any answer. In 1995 I sent the complaint to the district procurator and they transmitted my complaint to the district division of internal affairs. I didn't get any answer till now. In 1997 I sent the complaint to the General Procurator's office. I was called into the law court to send me into the psychiatric hospital with the diagnosis of maniacal persecutory delusion. Only because of protection of the Moscow committee of the ecology of dwelling in the law court the matter was ended.

I repeatedly rang the television network because of disturbance of the telephone communications, technogenic noises in the hand receiver and wire tapping, but everything remained as before.

As a result of long-standing irradiation I have the following diseases, characterizing the irradiated persons: destroyed teeth, diseases of eyes, tachycardia, increasing the frequency of pulse, the overvoltage of the regulator mechanisms as a result of stresses, obtained as a result of the irradiation.

The above-presented facts testify about the systematic damage of rights and freedoms of the Russian citizens and of the articles of International Convention:

In 2000 I sent the complaint because of irradiation to the different instances but I didn't any answer.

For this complaint I was transported without my agreement into the psychoneurological hospital number 13. In the hospital the doctors made me pricks with the unknown medicine on 2 ampules without the inspection three times a day. They extracted me in a week on the guarantee of my relatives.

Psychoneurological examination was carried out on the demand of the Moscow committee of the ecology of dwelling and 16.08 2001 I was taken from the psychiatric registration.

As a result of the long-standing irradiation I have the following diseases, typical to the person, who is irradiated through the psychophysical weapon.

I consider that from my birth the section of my brain was intentionally damaged and therefore I couldn't speak till 1961. When I was eight, I felt the information intrusion into my consciousness. They did not give me possibility to indicate that I wanted. I had to answer incorrectly and they interfered me to learn good at the school. In 1978 I felt constantly the powerful psychotronic influence on my organism. After the complaint to the Presidium of the Supreme Soviet of the USSR because of irradiation I was set on the registration in the psychiatry of Nevski district in Leningrad.

As a result of the long-standing irradiation I have the following diseases: the functional distribution of the processes of the higher nervous activity of the brain of technogenic nature, cystoid reconstruction of the left half of average cranial pit, cyst from the left in the basal divisions of frontotemporal region, ventral rupture, dystrophic changes in the spine, chronic prostatitis, adenoma of prostate gland, the capillary hemangioma of liver, the total weakening of power engineering of all systems of organism and other illnesses. DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Hello,

My name is ANDRZEJ SUDA. I was born in Poland in 1959. In 1985 I immigrated to the U.S.A. The Warsaw Pact intelligence services decided to use me as a cover for one of their spies. Almost immediately after I met that person, strange things begun happening to me. I have the reason to believe I

became a victim of neurological weaponry (for torture and CONTROL purposes) in 1987. It took me eight years to realize that my girlfriend is a spy. My complaints to the FBI and other law enforcement agencies caused quick and fruitful investigations. Unfortunately, the pressure from the Washington made all investigations stopped. A local Congressman (current presidential candidate) committed a treason and personally forced the Immigration Office (I.N.S.) to stop deportation procedures of my girlfriend and gave her a Green Card with no questions asked! I understand that you may suspect me now of making up another James Bond-like story. Please, do not hesitate to view my documentation and testimonies posted on the Italian website:

http://www.aisjca-mft.org/Pdf-Suda_enter.htm

Click on ENTER to read my testimonies, click on those “click-able” numbers to see individual pages of my documentation.

J.R. Nyquist, one of American experts on counterintelligence, investigated my case and very upset about what happened to me, wrote an article “A DISTURBING PATTERN”

http://www.worldnetdaily.com/news/article.asp?ARTICLE_ID=19862

Direct quote from the aforementioned article:

“Both Andrzej Suda and Mikhail told their stories to the FBI. But in both cases the FBI did nothing. A ranking law enforcement official familiar with Suda's case, whom I interviewed while researching the Suda story, thought there was a problem at the Justice Department in Washington. Things were being short-circuited at the top, he believed. For some strange reason, spies connected to East European mafia organizations were being allowed to operate freely on American soil.”

Again, unfortunately, pressure from the Washington (I assume) forced Mr. Nyquist to go silent one day.

Coming back to my story. As you may expect, in 1995 (after my complaints to the F.B.I.) I became an “unwanted” person for the American government. Organized stalking, harassment at work, on the street, continuous destruction of my financial, legal, social and physical well-being became unbearable. Use of direct energy weapons prohibits me from sleeping in my own bed for over five years already!

If you need more information about my case, please contact me immediately. I will be delighted to help your organization any way I can.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

To whom it may concern: Beverly A. Schweitzer, resident of Arizona, USA. Harassment & torture started in 2000 after testifying in a high-profile case for the prosecution in Phoenix, Az. This harassment is very real & has created an atmosphere of isolation, vigilante damage to home & car. Some of the damage to home has been reimbursed because companies testifies to my insurance company for reimbursement. Have had checks removed from my retirement park mailbox, books private bills papers removed from my home. Retirement communities are known to harass, & was told having no local family & isolation sets you up for this harassment. I'm an RN & have lived & worked in 7 states over 50 yrs. I quit work 3 months ago because the electronic harassment has been so severe & painful. It causes continuous sleep disruption, burning of skin, especially the scalp, & caused chest pain that required me to go to an Emergency Room 5x over the last 3-4 yrs. it caused irregular heart rhythm that lasted about 2 hrs. I have had no heart history in my family or myself. My rights have been continually violated w/4th & 5th amendments violated. This undetectable torture has been constant bu some remote method. The stalking has continued & have seen certain neighbors in & around my house. One man blocks my driveway w/his dog that has prevented me from returning home & just driving by. The stalking is obviously organized & have had no cooperation from police. Their reports would label me as an insane person when I called in a complaint. Numerous events have occurred w/o justification & feel financial

Arizonians w/human rights being violated.

1. Bev in Mesa. I testified for the prosecution in 2000 & since noticed tremendous stalking by neighbors. I found blue shredded carpet in my shower, been reimbursed by Farmer's insurance for vigilante activity causing home damage. Constant entries into my home where my phone is dead each time I returned home in early am from my nursing job. I continue to have items removed from my home, mail from my retirement park mailbox, trash thrown in my driveway, afraid to enter my driveway because neighbor blocking it.

2. Regan of Scottsdale. Stalking & harassment by fellow employees @ Phoenix Biltmore, where she works as a message therapist. Frequent following & mention of God's Army people. She has ad home entry & damage by neighbors. One man came on property & shot an animal. Its ongoing.
3. Virginia in Apache Junction is 82 yrs old & walks w/cane. She has had male neighbors that enter her driveway, park in front of her house for periods of tims. She did talk to the police chief earlier this year & w/police assistance local harassment has decreased but the stalking by car has increased. She since has fallen & requires more MD visits & has been frightened by the cars.
4. Frederick of Glendale. He was ran down by a car & knifed. Electronics has caused severe abdominal pain & headaches. He was hospitalized twice last 2 mos but unknown cause. he lives in a group home & his many physical symptoms have blocked him maintaining a job.
5. Mary Ann of Mesa. She recently moved here from Ohio where she was actively trying to expose the stalking & electronic harassment by going to Washington DC w/our organized group called Freedom from Covert Harassment & Surveillance. Ted Gunderson assisted our group by introducing them to different legislators to give them a chance for education into this horrendous crime of citizens against citizens. We continue to expose this issue to our Az legislators & appreciate house bills such as 4513 & 4514, from MICHIGAN that makes it unlawful to terrorize, frighten, cause any home damage, or destroy. Mary Ann has had continous harassment on the job, electrical shocks, etc that has interfered with her health. Its been dangerous for her.

I have numerous other victims in Az but many have had more intense harassment if they contact other victims even by phone & preferred not to be in contact. We do have meetings for planning & nationwide conference calls for information & support.

WE DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Thanks, Bev Schweitzer

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

It's very difficult for me to explain the situation that I'm in. Apparently, nothing can be detected and when I try to talk about my harassment, what people think is that, this schizophrenic moron is a big failure and he is trying to hide his worthlessness by telling all these stories. But just because I have no other option, I thought of letting people know something through this anyway.

Initially the harassments were like:-

Inescapable voices inside my head and I'm not mentally ill

So many people can see thru walls, and produce sounds that "follow" me

No matter where I am, repeated instances where it seems my mind is being read.

Forced awakening, can't go back to sleep, as if I'm on high doses of caffeine

It seems that some people are blocking my way or trying to harass me in anything that I'm trying to do.

Tortures with hypersonic sound and acoustic waves.

Gradually the tortures became like:-

Total sacrifice of physical & mental privacy for 24 hrs., associated with tremendous psychological torture.

To begin with, this is draconian violation of privacy. Even though it sounds weird to the common people, it's a fact that, I get tortured the most by faceless voices inside my head. My brain gets tortured every moment by numerous other faceless voices that continuously negate & manipulate my thought process by interfering with my brain wave and in the process tortures me psychologically and damages my brain and nerves. My mind is always a battlefield in here, and my brain just "gasps" every second to take a breath and it seems like that these are just suffocating my brain to "death". I remain helplessly mentally handicapped in this condition. The perpetrators do it intentionally and increases the severity when it counts the most. They don't even let me sleep at night. This pushes me towards acute depression, mental retardation and insanity. This is the most sophisticated form of psychological torture one can think of. This is so intolerable that someone who has not gone through it can't even imagine. This continuous torture on my brain & nerves may result in permanent insanity, brain embolism, cerebral hemorrhage etc.

Frequent attacks of chemical poisoning of my body, which invalidates and incapacitates me slowly. These chemicals are any dangerous, harmful chemicals to acids to poisons, which are damaging me to a great extent.

Tortures with continuous intolerable foul smell that won't let me breathe/drink/eat and these not only damages my brain, but vitiates every cell and blood. They will sort of "inject" these into my system and make me inhale these poisonous smells involuntarily. One can't imagine how severe this torture can be. This includes smells of gutter, faeces and anything and everything that only supreme perverted psychopaths can think of. This is inhuman torture, and an example of extreme brutal perversion by some demonic psychopaths.

Frequent attacks with heat/chemical radiations, which can result in local atrophy of body parts.

Criminal denigration & criminal instigation with a fabricated fictitious negative image. Negative subliminal messages also through songs, music or through any source of sound.

Sometimes, continuous shrill, shrieking sound especially at hours of rest and at night, that affects your nerves so much that you can't go to sleep even with the help of sleeping pills.

The whole exercise is so nicely camouflaged with a huge hypocrisy and eyewash that you can never be suspicious about the real culprits and can never have any idea about the gravity of the situation. There is so much of mental pain, agony, anguish and trauma associated with the whole exercise every second, that normal people won't be able to imagine. Also, this exercise is so damaging and deadly that ignorant people won't be able to comprehend.

NB:

I became a victim of this weird kind of torture, 7 yrs. back in April 1999, when I was working in the USA. I had to come back from USA in a nervous breakdown condition. .But it was haunting me, no matter where in the globe I'm in. The torture got worse as the years progressed and from Mar 2003 it had made my life a living hell.

As far as I could get, two of the infrastructures in Kolkata (most probably Salt lake) is primarily from where this heinous crime is getting carried out. This is a den and a place where you can find the worst possible psychopaths. These are perpetrators with the most vicious mind and worst possible devilish brains. They have made my life a living hell for the last few years, and the more they are getting the "taste of my blood", the worse they are becoming.

There are so many abnormal scoundrels working as psycho-terrorists, and are torturing me through this, that you can't even imagine. Their full time job is to destroy me and to keep me in pain somehow. No one can ever imagine about the quality and mentality of people who live in this place. The combination of the meanest, brutal, vicious, devilish brains and fundamentalist psycho-terrorists is the deadliest. They are brutally stabbing a mistaken identity and carrying out this mayhem with terrorist conviction.

Some chronological events:

May 1999 - Became the first time victim when I was in US. Immediately came back to India within a month losing my job and in a nervous breakdown condition...

Apr 2000-Could somehow recover and felt like these devils released me...and I tried to get a job in Pune...

Sep 2000 - Again I got attacked and I came back to Pune sacrificing my job and in a terrified condition ...

Sep 2001 - They stopped doing it on me and I tried to get a job in Kolkata..

Sep 2002 - Again the same thing happened and I had to sacrifice my job ...

Mar 2003 - The intensity of the torture suddenly got triple folded and I lost all my nerves and it created havoc in my life and I had to go for a gruesome divorce suit just because of the misunderstanding arising out of this torture ...

The torture was increasing but I tried my best and got a job in Pune, but there also I had to lose the job because of devilish torture that was damaging my brain, nerves severely. The inhuman torture is increasing exponentially since thenand it has reached the stage of extreme brutal perversion and criminal deprivation of almost everything that would shock even the animal rights activists.

I'm in great danger Sir, as some of these brutal animals are not only making me paralyzed and crippled in this way, they are looking for opportunities to loot away my everything also...

So, PLEASE HELP ME OUT!!!!

For years I'm languishing helplessly as an innocent victim of severe mind control and psychotronic torture that is invalidating and incapacitating me slowly...This is actually the worst possible form of remote scientific torture that remotely monitors and tortures human beings with total sacrifice of privacy that destroys the human dignity and integrity in one fell swoop and destroys the brain and nervous system severely. This is associated with severe psychological and physiological torture and brutal perverted sadistic deprivation. This has reached the stage of extreme psycho-terrorism. The details of these tortures are in my web-site at http://www.geocities.com/i_am_deb_2006

I would like to charge the devilish brutes with the following charges. Would you please guide me regarding this..(I'm aware of the Article 21 of the Indian Constitution (Protection Of Life And Personal Liberty) and fundamental rights/individual rights/civil rights of an individual) but nothing more on criminal laws....)Would you mind giving me your valuable inputs in this regard.?

The charges I would like to bring against these brutal criminals are:

- 1.Draconian violation of Human rights.
- 2.Criminal violation of fundamental rights.
- 3.Severe intrusion of privacy through absolutely illegal, immoral and unethical means.

- 4.Criminal conspiracy and criminal public instigation of the worst kind.
- 5.Criminal character assassination, defamation and criminal denigration of the worst kind.
- 6.Illegal possession & indiscriminate use of the of the most dangerous electro-magnetic weapons of the world.
- 7.Extreme senseless psycho-terrorism that results in severest of psychological torture (aiming at making insane) and very damaging physiological torture aiming at local atrophy of body parts/death. This is associated with extreme brutal perversion..
This encompasses these charges like :
 - a. Voluntarily causing injury/hurt.(323)
 - b. Wrongful Confinement (342)
 - c. Criminal Intimidation (506)
 - d. POCA, POTA and TADA
- 8.Gross misuse and abuse of power by influential and devils.
- 9.Brutal merciless mental cruelty and oppression.
- 10.Gross Violation of Intellectual Property rights.
- 11.Absolutely black marketing and international money laundering .
- 12.Smuggling of dangerous weapons and machineries for the use of dangerous terrorists.
- 13.Running of prostitution racket.
14. Running of mind control racket and human trafficking.
- 15.Illegal international business of these dangerous weapons and machineries.
- 16.Illegal procurement of huge land.
- 17.Illegal construction of underworld township for the mafias.
- 18.Providing a facility to the worst possible perverted psychopaths to enjoy a ‘Reality Fuck Show’ and ‘The Gladiator Show’ all over the world.
- 19.This is a heaven and a safe haven for the mafias, criminals terrorists, anti-social and a breeding ground for the worst possible perpetrators.
- 20.These filthy monstrous devilish mafia gang “agents” are basically selling our country’s privacy and security to the foreigner that severely violates the country’s sovereignty and integrity to such an extent that amounts to severe criminal offense. This is practically like selling our country to the foreigners and destroying it silently (They are making it a “guinea-pig land” in fact). But this is cleverly camouflaged with a huge amount of outrageous lies, hypocrisy and eyewash.

1.Why One shouldn’t buy the devils?

Please try to understand the obvious and see the “content” in my points mentioned beforehand.....

A few more points on how I see it....

- 1.This is the not only worst possible heinous crime of the world, this is the worst possible filthy devilish sadism. Actually many a scoundrels were coaxed into this big hoax...
Not only that, if this is even acknowledged as a “caliber” then fundamentalists, nazis, terrorists and criminals should be getting some Noble Prize. Even the somewhat “scientific brains” involved in this exercise are at most the brains of some eccentric crooked “brain -hackers” and idiot devils, so please don’t get “bedazzled” by their “show”. Please don’t buy anything from these supreme scoundrels...
- 2.These worst possible scoundrels are all about “absolute black corruption”, “absolute black lies”, “absolute black money”, “absolute black power” and “absolute black crimes”...So please don’t buy anything from them.
- 3.These worst possible monstrous scum bugs of the earth don’t have any existence without this. They hide their “absolute blacks” by maintaining a supreme secrecy about everything and by creating a huge hullabaloo with insignificant, irrelevant mountains out of molehills...
- 4.Please keep in mind that, they are too corrupted and devilish to be taken as “ridiculously ignorant hypocritical brutes” only. They have turned into monstrous megalomaniac psychopaths long back.
- 5.Basically the “formulae” for this supreme underworld can be basically H4BP (The Big 4H’ s are Hollow, Hype, Hypocrisy and Hoax and BP for Brutal Perversion).

Desperately Looking for someone's help in this regard...

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

NSA/CIA severe radiation crimes on myself and my son while using John who was in Navy Intelligence, Area 51, Vietnam, and worked with KGB gangsters in black ops, claimed each day of his 'men in black bully ability' and how his name is all over the CIA books, while NSA/CIA increase torture on myself and my son, under surveillance how great he is, while they have the state keep committing crimes destroying our lives and then John keeps going in split personalities which the KGB programmed him in.

John is KGB programmed in split personalities, one for work, and ten for home, robbing anyone of trust, lying, only showing unconcern, despondency, to control, lying, and then claiming he doesn't remember anything, while committing crimes along with the NSA/CIA while they increase radiation and will not stop torturing.

By 2006, my son loses interest in any outside sports, because NSA/CIA has committed daily radiation crimes, he crying each day that his dad shows no emotions, will not do anything but then take him to barn sales. The Bush administration will not stop radiating me in the groin, up the legs, trying to keep terrorizing and committing crimes in any way to cause hysteria, as they have increased radiation to power-jet level from 2000 to present, when again, they fabricated lies downtown and still have my spouse torturing us. Because they have so many people involved in Bush cover ups of crime, only to fire them and arrest them later, they keep blocking any rights, including threats to blow me up and daily threats from 2000 to present. Like under Stalin and Yeltsin, and right now, they have blacklisted millions of Jewish people, not to mention anyone else. They intend to keep blacklisting me, including by blocking phone lines, through manipulating our move through torture, moving us to where my spouse begged would be temporary because of the circles they had him arguing in during home buying, and taking those homes I was interested in through 'cyber warfare' and making sure we did not see them, including canceling homes we had contracts on by intercepting and re-buying the property. This manipulation is going on nationwide as millions are losing their homes. As soon as we moved, NSA/CIA continued torturing my son and I where there are no kids to play with him. My spouse goes each week, from 'Just sell it then?' to 'You're not selling it?' to 'I'll leave?' and keeps going in the other argumentative circles and crimes each week, while NSA picked up radiation crimes on us.

The NSA/CIA by severe terrorizing and harassing my son and I get my son crying, yelling, while his dad, still tells him "I don't care" regardless of what he is approached with. John continues lying, going in circles. The NSA fabricates and ?FBI? phone call to have John fired. John discusses it. He then goes on to keep lying and committing trust issues with our son, causing him to cry each day. He never shows any real interest in what John does but mopes around outside, and each weekened after ignoring us and the plans we discussed, takes John to a sale. At each moment, NSA/CIA is radiating me on the highest possible radiation until they fabricate the lies down town. They then keep using radiation and neural monitoring, sending signals to increase the signals of feelings and anger on myself and my son from Johns abuse.

John was in Area 51 programming. The highest KGB/CIA programming. He has split personalities created by NSA/CIA to keep terrorizing myself and my son with radiation. He only discusses this in 2007, when NSA/CIA has terrorized my son and I increasingly with extreme weapons sine his birth, and with the most outward terrozing with agents, trauma, radiation weapons from 2000 to present John goes in circles and torturous behavior, along with throwing up blood, dizzy spells which goes along with the radiation. They began using doctors of death in the U.S. and Israel at this time (1989). With each discussion, John agrees to what is right, but then goes on to torture. And with each lie, each torture, robbing us of trust, causing such lies that each day we're swamped with his lies and financial crimes, and every other crime of taking out loans, taking over payments, claiming he made them, claiming he did other things he did not do. Each time John commits a crime, he discusses it, while NSA/CIA ?surveills? to commit more crimes on myself and my son to increase the torture we receive. Each time my husband does something I asked him not to do, CIA/NSA (like when they used Dee Arpino) fabricate the lies on myself. They are trying to have my son terrorized into violence having my husband torture him each day, lying, making sure we never go on any trips, while NSA/CIA harassed my son in public. John never takes his son anywhere. After they illegally reported me to the state for telling of the crimes again, they have Ms. Meyers ask, ?Well, what do you do?? Knowing very well of NSA/CIA crimes because I just got done telling her. I asked him not to watch violent shows in 2000, and NSA/C IA set Dee Arpino up to fabricate lies on myself and to set up 'mental' lies as they did to those around us after terrorizing them to isolate myself and our son here. With each discussion with John, NSA/CIA terrorized me and my son in public, and increased radiation crimes daily and are still doing it. I asked him to stop taking out loans day in and day out for 17 years. I would not be putting up with this if it were not for severe radiation crimes by NSA/CIA. Before there crimes on me in Dover by the state, John stated, "They just want to hire you, they're not harassing for any other reason". 'ignore them' while he commits crimes on us and lies for so long, I have over 16 years of financial planning not accounted for as it would be by myself, destroyed my career by the CIA/NSA and Johns lies each week, trying to attend school one day and having to run out for a job each time he goes months taking out loans as he just did again. This is a crime. These are severe crimes. I have already made complaints to many people and before the state retaliated with Johns doctor in Dover, again. John tells his son each day, ?I don?t care.? He piddles around, then goes back to his other personalities, from despondency, to then controlling, lying when we don?t know he?s lying (he went to see someone in 2003 about lying)?again, the CIA/NSA intercepting, increasing radiation on myself and my son, and John states, ?The guy told me ?you?d make a great spy??

Not one day in 17 years, has John every shown anything but disconcern, despondency, to anger, and mocking, lying, each day committing crimes, while the NSA/CIA increase crimes on myself and then my son.

Each month, while I had no bills or debts, NSA/CIA seeks to torture with increasing radiation crimes on myself and increase Johns programmed torture of denying life and living. Each month as I plan to pay off his debts, John takes out loans increasingly, through mind controls by NSA/CIA up to finally NSA/CIA committing all out war on us with highest radiation ever, and costing us over \$95,000 (in just 4 years spent on nothing but radiation crimes on us) having John help destroy our equity in the home. John has no idea why he does these things. Each week from 1989 to present, John says, ?I don?t know why I?m doing

these things.? The reason why is in the very set up by Dee Arpino and RICO crimes under Bush in 2000 on, not John, but myself to fabricate the ?opposite? each day of what I am. And whatever John does they continue fabricating those lies on myself and increase radiation to power jet performance, shock to the brain with signals, trauma, electromagnetic injury (as my friend Ruth also came down with by 1999), and increase different types of weapons from ?testing? labs, and then hook me up to satellite through daily lies based on Johns torture. Each time John is confronted about his crimes, they increase lies and torture, harassment on myself and my son in public places from 2000 to present to try to isolate.

In 2001, they continued knocking me out into unconscious states, while John goes in circles, still not being cooperative when I wouldn't be with him if it were not for CIA/NSA torture. Before the Dee Arpino, Bob Lilley, Terry Newman, Katz, Biden, Bush crimes with NSA, they watch each day as John argues in circles; one day agreeing to something, and only finding out later he has done other things.

Sue takes John every place from the day he is born. NSA/CIA increase radiation daily and send people out to every public place. They will not stop sending signals weapons to the groin and increase radiation and then pulse weapons by the time we get to Dover.

They begin radiating on our son in the morning, and never stop committing crimes on us. When, I, like other victims, get emotional, they send three times the amount in signals from those emotions from their torture so that they can increase the torture from daily lies from John, back and forth on my son and I each week, saying one thing and then saying the next, taking out loans for 17 years and lying about it, while NSA increases crimes on us.

NSA's goals were to destroy us financially, but after they set up more torture on me, because they decide that I am an ?intellectual? and anything else to keep committing crimes, that they are going to keep increasing crimes on myself and my son while having John increase crimes on us.

John, just recently discussed his crimes again, claiming he would speak to someone about how h just lied to us again, for months taking out 'drawn' loans, while they committed crimes on me dow town for reporting the crimes of the Bush administration and NSA/CIA radiation increasing on us. He then said he se up a meeting with a governor and would get help for himself and us. He then turns around, after forcing me into not knowing that he lies aobt paying bills for 6 months and did not, forcing me into having to sign a refinance loan (now over 95,000 NSA/CIA and John has cost us). But, then turns around and says, "There's not a damn thing you're going to do about it."

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

MY DIRECTED ENERGY AND NEUROLOGICAL WEAPONS TORTURE AND ABUSE CASE SUMMARY

I sent a series of human rights activist emails to public authorities and forums beginning in 2003 up to 2006. I came to the attention of an extremist US security organisation in 2004 for this exercising of my democratic right to free speech and since then I've had my human rights, liberty and privacy completely violated and ALL aspects and degrees of my human freedom, individuality and mental and physical integrity and health profoundly assaulted, tortured and wrecked.

Using "star wars" and directed energy weapons technologies coupled with advanced neuro and medical science (psychotronics), and also using nanotechnology and holography technologies (or some such technical combinations) these people have the ability to :-

- a. place a human subject under continuous surveillance, no matter where he/she is, from remote locations.
- b. continuously monitor a human brain from remote locations, including thought, reaction, motor command, auditory event and visual image reading.
- c. continuously input directly into a human brain from remote locations, including the ability to override, control and alter consciousness, and to introduce voices, noises, other disturbances, images and "dreams" into the brain.
- d. directly interfere with, abuse, torture and hit bodies - including performing advanced medical procedures - and objects - from remote locations
- e. directly interfere with, alter, insert etc. data, files, communications and legal evidence from remote locations - even during transmission
- f. make live TV, and other screens and monitors, two-way - for surveillance, invasion of privacy etc..
- g. control the flow of information and orchestrate the media worldwide.

By these means I have been :-

1. continuously - 24 hours a day 7 days a week mentally and physically monitored. (2004-present)
2. subjected to sleep deprivation torture. (2005)
3. continuously subjected to sensory and mental torture by being verbally and aurally abused, goaded, disturbed and engaged with - directly into the brain. This takes the form of a running commentary with a personally codified system of comments and responses to my thoughts, activities and biorhythms - both straightforwardly and with echo, repetition and distortion effects. This sensory and mental torture directly into the brain has varied from extreme causing near-complete mental breakdown and desperation, to loud, intensive and continuous, to milder. It is all, however, unignorable and inescapable, and it has profoundly degraded and wrecked my mental and physical life and being. (2004/2005-present)
4. repeatedly and relentlessly subjected to electrical abuse and torture on the genitals - electric currents are applied to my genitals at different intensities and positions, often continuously for extended periods of time. This ranges from mildly disturbing to extremely torturous. The cumulative affect is sickening and

constant mental and physical stress and tension. This electrical abuse and torture on the genitals is applied at any time of the day or night. I am often woken up by the application of electric currents to my genitals - night after night after night. My genitals have also been liposuctioned, collagened, vasectomied, and my scrotum subjected to repeated reductions and enlargements. Also my nipples are often "electrocuted", and more recently what feels like my semen glands, and other internal organs are also being intensively "electrocuted"(2005-present)

5. continuously subjected to multiple nightly neurological experiments and interventions - night after night after night 2,3,4,5 or more times per night artificial "dreams" are introduced into my brain and therein experienced and processed "organically" (?). This has resulted in mentally and psychically exhausting, degrading and wrecking me. I haven't had an uninterrupted nights sleep in over 2 years. (2005-present)

6. subjected to "deep" neurological interventions on my brain creating a lasting "lobotomised" effect. Repeatedly subjected to multiple other experiments and interventions on other areas of my brain. (2005-present)

7. subjected to various other mental, physical and social tortures, degradations and dirty tricks. This includes being extensively publically exhibited via internet and TV which has greatly magnified the complete violation of my privacy. (2004-present)

As an ancillary to these each and every night I am repeatedly put to sleep, woken up, made to go to the toilet, and mentally mood and temper controlled on waking. Other nights I am given erections, and occasionally voided of semen (my sperm production has been stopped). I am being used like a lab rat. This regime has been ongoing now since 2005.

Each and every waking hour I am thought and image read, and continuously subjected to the various forms of sensory and mental torture by being verbally and aurally abused, goaded, disturbed and engaged with - directly into the brain. Coupled with the various forms of genital abuse and torture. This regime has been ongoing now since 2005.

Thus my human rights, liberty and privacy have been completely violated and ALL aspects and degrees of my human freedom, individuality and mental and physical integrity and health profoundly assaulted, tortured and wrecked in this ongoing totalitarian nightmare.

There is massive ignorance and secrecy regarding these technologies and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. Despite, since 2004, continually appealing for help to Government Representatives, Government Officials, Government Agencies, Military, Security, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media I have received virtually no help, or even acknowledgement, from anyone at all! Both the technologies and the perpetrators of these atrocities remain secret and unprosecuted!

For anyone at all concerned about human rights, liberty, democracy, privacy and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this uncontrolled and unacknowledged technology and abuse is intolerable!

As such

-we would call for an acknowledgement of such technology at a national and international level. Politicians, scientists and neurologists, neuroscientists, physicists and the legal profession should, without further delay, demand public debate on the existence and deployment of psychotronic technology; and for

the declassification of information about such devices which abuse helpless people, and threaten democratic freedom.

-Victims' accounts of abuse should be admitted to public account, and the use of psycho-electronic weapons should be made illegal and criminal.

-The medical profession should be helped to recognise the symptoms of mind-control and psychotronic abuse, and intelligence about their deployment should be declassified so that this abuse can be seen to be what it is, and not interpreted automatically as an indication of mental illness.1

Because -

-The calculated and technological entry into another person's mind is an act of monumental barbarism which obliterates- perhaps with the twiddling of a dial - the history and civilisation of man's mental development. It is more than an abuse of human rights, it is the destruction of meaning. For any one who is forced into the hell of living with an unseen mental rapist, the effort to stay sane is beyond the scope of tolerable endurance. The imaginative capacity of the ordinary mind cannot encompass the horror of it. We have attempted to come to terms with the experiments of the Nazis in concentration camps. We now have the prospect of systematic control authorised by men who issue instructions through satellite communications for the destruction of societies/individuals.....2

Please assist urgently.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely

John Finch, 5/8 Kemp St, Thornbury, Vic 3071, Australia

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Helen, I am a victim of Directed energy weapons and organized torture. This is my story, and I testify that everything described below is truth.

I am a Canadian Citizen, IT professional, arrived in Canada in good health in February 2004. My IQ was 145. I have been involved in a cruel experiment since my arrival, especially from the beginning of the 2006. It is not a clinical trial, and I have not signed any consent forms.

I am affected by bio-terrorists, who perform a mind control over me. They proposed me to work as a guinea-pig for RCMP several times and offered money: 25000 CAD per year. I refused every time.

Maybe it is not RCMP, maybe it is another Canadian structure, but it is a Canadian structure, because I live in Canada and the police, RCMP, Ministry of Health, doctors, etc. have been informed many times since the beginning of 2006. Nothing has changed. It points directly at the local authorities.

This influence at a distance is possible with a microchip or a filament implanted in a human body (if a filament is implanted, then a microchip may be somewhere outside). By means of the microchip, they play with a person's brain as if it were a computer device. The following are the symptoms of this influence:-

- 1) A feeling of living in an unreal world, as if I'm taking drugs.
- 2) Permanent scanning: waves from the top of the head to the bottom, which delete memory. I lose memory and cannot remember what I did 2-3 seconds before.
- 3) They receive all my perceptions: see what I see, smell what I smell, hear what I hear and so on. They can send perceptions to a person, for example, they send to me very clear visual images.
- 4) They can suppress a person's will, delete feelings, emotions, desires. They can send and substitute artificial ones for my own. They scanned and recorded my different mental states in the beginning; now they manipulate me by sending these recorded states and suppressing mine. They can change emotional attitude and relationships with other people.
- 5) They can destroy interest in an occupation.
- 6) They can manipulate reflexes (for instance, desire to eat and sleep).
- 7) They inhibit and suppress thoughts when a person tries to focus and analyse the situation. They can send and substitute their own (or computer) thoughts, words and solutions. They intrude into my thoughts with my own voice, my intonations, my vocabulary. Their purpose is to send thoughts and impulses to a person, so that he or she can not distinguish them from their own, manipulate him/her as a computer device. When they send me wrong ideas, I can percept them as right ones, because I can not analyse them. Sometimes they tell me their solutions, sometimes they send me computer perceptions and thoughts and try to camouflage them as my own.
- 8) They talk to me days and nights like over a cell phone. They can use an individual's head as the Internet and chat to each other. There was one moment when they talked to me as usual, but something happened and this speech started to sound loudly in the room. They pronounced several phrases this way, loudly.
- 9) They can affect and move every part of the body: mouth, tongue, hands, legs. They can easily change facial expressions, tone and pitch of the voice. They can cause artificial laughter and tears.
- 10) They can send impulses to do certain things: to look at something, to turn, to say certain words loudly etc.
- 11) They can trigger actions and delete memory of them later. A person acts as a biological machine. They impose pressure on a head (especially on the left side of the head), bring the person in a grave hypnotic, "twilight" state and manipulate him in this state, make him say or dosomething that he does not

want to do and delete memory of it afterwards. This pressure debilitates mental abilities very much. When I experience pressure on forehead, temples, eyes and ears, I cannot read and understand meaning of words, cannot speak properly, lose coordination of movements, feel dizzy, cannot concentrate. They improve blood circulation in the throat and in the crown of my head after this pressure. My son saw very strong blood pulsation in my throat.

12) They can inhibit and stimulate mental abilities (for example, ability to understand foreign languages, think logically, and so on). They can do it very quickly, within minutes. But they are not going to improve victims, they are interested in experiments with psychics.

13) They have methods and tools to get and decipher all of the person's memory for his entire life.

14) They can send such strong states to a person that surrounding people can receive and feel them (for example, sleepiness, tension, rage, aggression).

At the beginning of 2006, I went to hospitals and immediately changed my family doctors Sara and Naomi Pliamm (I am almost sure that they disclosed my medical data to somebody in their Jewish community and at least were aware of these experiments with psyche), went to hospitals, neurologists, psychiatrists, passed an

MRI brain scan. All the doctors refused to send me to a full-body Computer Tomography scan in Canada. I am sane at this moment. I visited two psychiatrists (Dr. Deaf and Dr. Gratzner) in June, 2006. Both of them did not do any objective examinations and tests, both refused to explore the real cause of these symptoms and formed wrong psychiatric diagnoses for a healthy person who was involved in experiments and who was in a dangerous situation. My family doctor Kenneth Chow wrote down a false diagnosis: "Psychiatric disorder" in my medical records. I was almost 47 years old when they made these diagnoses. I am sure that such false diagnoses are a shame for Canadian doctors, like false psychiatric diagnoses in Russia in Soviet times. As usual, it is necessary to spend 7-10 days in a psychiatric hospital in order to form or cancel a psychiatric diagnosis. It means that all these Canadian "doctors", who watched me for several minutes in total and formed the false diagnoses based on this diary, are profanes, bad specialists or criminals.

I know names of some people who conduct these fascist experiments (I am sure that the tenant of our former landlords Xia (Lei) Chen, who lived with us at 73 Mossbrook Cres. Scarborough and worked for Chinese government for 10 years, was one of them). On the 18th of September 2006, in the evening, I lost my watch. I said to them of it next day in the morning, when I was leaving home. When I was returning from college on the 19th of September about 4 p.m., I found absolutely new watch of the same brand in front of the house, where I lived at that moment. Its requisites are: CITIZEN, WATER RESIST, BASE METAL, 5421-S93967, 150 120, HSB-9, MOV'T JAPAN. It is really brand new: its inside surface is not worn, and there are all sections in the bracelet (when I bought the first watch in the spring 2004 in the CenterPoint Mall at the intersection of Steeles and Yongue in Toronto, I asked to remove one section, because a standard bracelet was too large for me). They are afraid to touch people who work for secret police or intelligence services of other countries, they just legalize these spies. They look for defend less civilian people who are not connected with any intelligence services and make guinea pigs of them. Those Canadian military men, who sold us for the experiments, are not soldiers, defending their country and sacrificing their lives for its sake. They are fascist executioners, who torture innocent defend less civilians and kill them for money, carriers, "genius" scientific achievements. They should not be decapitated or executed physically. If they do not consider such experiments and debilitation as a crime, if they do it with families of innocent people, they must get it themselves. They must hear idle talk day and night, they must be debilitated, their IQ significantly lowered (they say to me that my IQ is 60-80 now), their memory and professional knowledge deleted. They must stay happy and satisfied with all these changes (they send to me sense of happiness all the time). They must lose their jobs and money (for the benefit of

the victims and their families), clean floors and wash dishes as they force other people to do. If experiments with psyche need guinea pigs, they must become the guinea pigs, nobody else. No innocent civilian people must suffer because of their crimes, only these fascists and military men like them. They say they are programming, modelling a cybernetic double. They want to replace my consciousness with the control from the cybernetic twin and “turn off” my own consciousness: “You will not exist in a short period of time”.

Every person may be affected, recorded and transformed into a biological machine by means of this computer system very quickly. They say that a race of completely controlled people should be created in every country. This is the most dangerous weapon nowadays, it can be compared to atomic bomb. I wish everybody who scans me and destroys my abilities the same influence and the same result. They must get what they do for other people. All “scientists” and the military men, who involve alive and healthy people in this program and experiment with them, must be considered as criminals, who commit crimes against humanity, they must get what fascists got after the World War II..

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Sincerely,
Helen Kurdin

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I am a victim of electronic harassment from NSW Australia. I have been a victim of directed energy weapons and remote harassment since May, 2006.

The symptoms I am experiencing are hissing and clicking in the brain, feeling pinpricks on various parts of the body, especially the feet, and a continual pulse on my lower back. I feel some kind of energy moving inside my body continually and my electromagnetic meter confirms this. Like a force field. Experiencing extreme head pain. Hear the voices of other people inside your mind with no other signs of mental illness. Visual images. I have also experienced uncontrolled by me movements of my fingers. I am under constant surveillance day and night. They can see everything through my eyes. What I see they see. This is a violation of International Law, as well as human rights. There is massive ignorance and secrecy regarding this, and victims such as I are being subjected to uncontrolled and unacknowledged torture and mental and physical destruction. This has remained completely unreported and undiscussed publicly. There are many others, all over the world, who are being subjected to similar torture and abuse – some of us are being subjected to the most extreme and totalitarian violations of human rights in human history.

As well as being inhumane and criminal the crimes being committed against us are contrary to the Principles and Values of all the major religions and ethical systems – and yet our appeals for justice, protection, assistance and/or publicity to Government Representatives, Government Officials,

Government Agencies, International Organisations, Human Rights Organisations, Universities, Scientific and other Institutions, and the International Media have been almost completely ignored and suppressed.

For anyone at all concerned about human rights, liberty, democracy, privacy and ALL aspects and degrees of human freedom, individuality and mental and physical integrity and health this uncontrolled and unacknowledged technology and abuse is intolerable!

Your attention is urgently needed to halt these atrocities, control and regulate the use of these technologies, and bring these extremist elements to justice.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS!

Please assist urgently

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

AUGUST 29, 2007

Dear Public Officials:

My name is Miriam Snyder. I have developed a website dedicated to ending the below identified ruthless, senseless, psychotic and deadly organized hate crimes and administrations. My web site is:
<http://www.endorganizedcrimeuniverse.com/>

I have recently discovered the attached evidence and have not been able to post it on my web site yet. Consequently I urge you to read the attached and below carefully. I have been asked to add my complaint regarding the lawlessly inflicted, scripted, psychological warfare, organized hate crimes, to the petition. As such, I am proof reading, correcting, adding the deadly crimes inflicted on me, and attaching the research that verifies the authenticity of these universal crimes against humanity.

Since 1994 I have been relentlessly victimized by the below inflicted crimes. The crimes which have been inflicted on me are identified with the below stars. I am listing the many scripted organized hate crime administrations on behalf of clarity. I have been a victim to all but one of the crimes, which is v2k. The inflicted and disregarded, vicious and malicious organized hate crimes that advance defraud killings and have killed innocent people under defraud and or induced conditions are:

1. V2K-VOICE TO SKULL/BRAIN OBSTRUCTIONS ARE VERIFIED IN THE ATTACHED CRIMINAL, NEVER REGULATED, CHATTERING PROJECTS UNDER THE GRAY FAMILY NAME AND CRIMINAL RECORDS. SEE THE ATTACHED RESEARCH.

2. **** CRIMINAL, DEADLY, LETHAL MIND CONTROL VERIFIED IN THE ATTACHED CRIMINAL, NEVER REGULATED, MKULTRA PROJECTS UNDER THE GRAY FAMILY NAME AND CRIMINAL RECORDS. SEE THE ATTACHED RESEARCH.

3. *****CRIMINAL, DEADLY, LETHAL LSD POISONING VERIFIED IN THE ATTACHED CRIMINAL, NEVER REGULATED, MKULTRA PROJECTS UNDER THE GRAY FAMILY NAME AND CRIMINAL RECORDS. SEE THE ATTACHED RESEARCH.

4. *****CRIMINAL, DEADLY, DEFRAUD SLEEP RESEARCH/ TORTURE, DEADLY, TORTUROUS INDUCED SLEEP DEPRIVATION, VERIFIED IN THE ATTACHED RESEARCH.

5. **** CRIMINAL, DEADLY EMF WEAPONRY ATTACKS: THESE ARE ELECTROMAGNETIC ATTACKS OF ELECTRONIC BEAMS TO THE BODY THAT CAN AND HAVE KILLED UNDER DEFRAUD CONDITIONS THAT HAVE INDUCED DEADLY AILMENTS INCLUDING, CANCER, SEIZURE, HEART ATTACK, ETC... THESE CRIMINAL ATTACK BEAMS ARE NOT VISIBLE TO THE HUMAN EYE, BUT EFFECTIVELY SWELTER VITAL ORGANS AND LEAVE MARKS OF MASS DESTRUCTION ON THE BODY. THIS WEAPON INITSELF IS A WEAPON OF MASS DESTRUCTION AS IT CAN KILL AND HAS KILLED UNDER DEFRAUD AND EXPLOITED CONDITIONS.

6. ***** CRIMINAL, DEADLY, LETHAL DEFRAUD NEUROSCIENCE: THIS INCLUDES USING EMF, ELECRTOMAGNETIC WEAPONS TO THE BRAIN/HEAD AREA TO DRIVE THE VICTIM TO A BREAKING POINT! BUT GOD!!!!

7. *****CRIMINAL, DEADLY, ANTAGONISTIC, OCCULT LIKE, INHUMANE, HOME AND WORKPLACE GANG STALKING: I WILL DISCUSS THE HOME/ NEIGHBORHOOD ORGANIZED GROUP STALKING CRIMES FIRST. THIS INVOLVES ENJOINING PEOPLE IN CRIMINAL ACTIVITIES THAT ADVANCE THE ABOVE HATE CRIME INDUCING DEFRAUD KILLING. DIFFERENT PEOPLE HAVE BEEN ENJOINED IN ORGANIZED HATE CRIME ADMINISTRATION VIA ILLEGAL ENTRY AND EXIT FROM MY HOME AND MY MOTHER'S HOME. MY FAMILY AND I HAVE BEEN RELENTLESSY INFLICTED WITH THE FOLLOWING:

BURGALRIZING, TAKING LEGAL DOCUMENTS, MISPLACING THINGS, LEAVING MARKS ON CARPETS, DESTROYING APPLIANCES, CHIPPING PAINT THROUGHOUT OUR HOMES, DISMANTLING UNDER GARMENTS, PASTING GLUE ON THE ELDERLY'S TELEPHONE NUMBERS ON A TELEPHONE, SO WHEN SHE DIALS, THE NUMBERS DO NOT MOVE, ATTACKING THE ELDERLY VIA PACKING BAGS WITH HER GOODS AND PLANTING THEM IN UNKNOWN PLACES, BUSTING OUR APPLIANCES, PLACING A FREEZE DRIED MOUSE IN MY CLOSET, BUSTING SHELVES EMBEDDED IN WALLS, CUTTING CEMENT ON SINKS, REMOVING FAUCETS FROM SINKS, MOVING A CAR FROM A PARKED PLACE TO ANOTHER TO CAUSE A LAWLESS TICKET OVER 100 DOLLAR TICKET WHILE ECONOMIC CRIME ADMINISTRATION FESTERS, DIS ENGAGING DOORKNOBS TO THE POINT OF CONTINUOUS TURNING AND NON UTILIZATION, BREAKING THE REFRIGERATOR, BREAKING THE OVEN, MIRRORS LEFT ON THE WALL ARE ON THE FLOOR NICELY SET WHEN YOU COME BACK, TAMPERING WITH FOOD AND DRINKING WATER CAUSING INDUCED VOMIT AND SWELLING OF THE BODY, TURNING THE CLOCK UPSIDE DOWN JUST SO YOU KNOW SOME ONE WAS IN YOUR HOME, EMPTYING THE INK FROM ALL THE PENS IN MY HOME AND POCKET BOOK, CUTTING UP POCKET BOOK HANDLES, STEALING ALL LARGE BATH TOWELS, STEALING ONE EARRING TO ALL SETS, AND TAMPERING WITH TOOTH PASTE, ETC?

THESE CRIMES MAY PUT A SMIRK ON ONE'S FACE AS THEY ARE INSANE, BUT THEY ARE DANGEROUSLY SCHEMED CRIMES THAT CAN ZAP AN INNOCENT PERSON IN THE HOSPITAL FOR A MASTERMINDED, PREMEDITATED, INDUCED TRAUMA HOSPITAL PLACEMENT WHEN THESE PSYCHOTIC CRIMES ARE ADMINISTERED TOGETHER WITH DEADLY EMF BEAMING, DEFRAUD NEUROSCIENCE WEAPONRY, LSD POISONING, COUPLED WITH DEFRAUD DEADLY TORTUROUS SLEEP RESEARCH. THERE IS NO SMIRK ANYMORE BECAUSE THIS IS AND WAS A BONAFIDE DEFRAUD ATTEMPTED MURDER. GOD CHOSE TO RESCUE ME AND AS SUCH I BOLDFACEDLY ACKNOWLEDGE HIS AUTHORITY, BECAUSE THIS WELL FINANCED, CRIMINALLY EXPERT OPERATION LEAVES NO ROOM FOR SURVIVORS. BUT GOD!!!! MY HEART, SOUL AND PRAYERS GO TO THE MILLIONS OF VICTIMS AND THEIR FAMILIES THAT HAVE FALLEN PREY.

8. **** WORKPLACE GANG STALKING INCLUDED PITTING PEOPLE TO WORK AGAINST THE SCHOOL PROGRAM, TO TARGET ME, NOT ALLOWING CLASSES TO START WHEN ALL THE OTHER CLASSES STARTED, CONTINUOUS CLASS ROOM OBSTRUCTIONS VIA LOUD SPEAKER CALLS ACROSS THE BUILDING FOR NOTHING, OTHER THAN HARRASSMENT, INSTRUCTION WAS PLACED ON HOLD AND ACADEMIC PROGRAMS WERE SHUT DOWN, DESPITE STUDENT NEED, TO TARGET ME. CONTRACT VIOLATION AND CONTRACT NON ENFORCEMENT WAS THE PITTED METHOD OF OPERATION, REMOVAL FROM THE PROGRAM WITHOUT CAUSE OR REASON THE DAY BEFORE THE STUDENTS CHRISTMANS/HOLIDAY FESTIVAL AND AFTER THE PARENTS AND I HAD COOKED AND BROUGHT THE FOOD IN A DAY EARLY. ALL THE FOOD WAS BROUGHT IN ALREADY AND I WAS KICKED OUT OF THE BULDING WITH A WEEK BEFORE EXEMPLARY CONTRACTUAL OVERALL EVALUATION. NO REASON WAS EVER GIVEN FOR THE LAWLESS OUSTER DESPITE FILING IN FEDERAL COURT. SEE THE COURT DOCUMENTATION ON MY WEB SITE AT:

<http://www.endorganizedcrimeuniverse.com/>

THE RULES, CONTRACT, LAW DID NOT MATTER. WHAT MATTERED ABOVE EVERYTHING IS THAT I WAS TARGETED WITH A VENGEANCE. THE STUDENTS AND I CRIED AS THE CHILDREN'S HOLIDAY WS RUINED BECAUSE OF THE PRIORITIZATION OF THIS HATE CRIME ADMINISTRATION.

ALL OF THE GANG STAKING CRIMES WERE INFLICTED UNDER THE SATANIC CAN YOU PROVE IT PHENOMENA. YOU LEAVE HOME AND THINGS ARE WORKING, PAINT ON THE WALL IS CHIPPED EVERY WHERE. YOU COME HOME AND YOUR HOME IS OBSTRUCTED AND THE POLICE TELL THE VICTIM A REPORT CAN NOT BE TAKEN. UNKNOWN PEOPLE ARE SENT TO BUMP YOU, BE RUDE AND OBNOXIOUS, LOCKS WERE TAMPERED WITH ON A REGULAR BASIS, \$1,500 DOLLAR SURVEILLANCE SYSTEM AND CAMERAS WERE PUT IN TO STOP THESE CRIMES AND THEY WERE OBSTRUCTED TWICE, UNDER CAN YOU PROVE IT, WELL FINANCED, CRIMINALLY EXPERT PHENOMENA! ONE TIME I WENT TO A RESTAURANT AND CAME OUT AND THE WHOLE FRONT END OF MY CAR WAS DEMOLISHED. THANK GOD MY GOD GIVEN RIGHT TO EARN SOME KIND OF INCOME WAS RESPECTED AND I HUMBLY FIXED THE CAR. SEE THE ATTACHMENTS AND SEE THE ORGINAL SCRIPT I FOUND FOR THE GANG STALKING CRIMES UNDER THE CRIMINAL RECORD OF THE GRAY FAMILY NAME:

[Click here: OSS -- The Psychology of War, by Paul Wolf](#)

<http://www.tioh.hqda.pentagon.mil/branches/PsychologicalOperations.htm>

9. LAWLESS 24 HOUR SURVEILLANCES WERE INFLICTED ON ME. HOME ACTIVITIES WERE DISCUSSED IN THE WORKPLACE IN A MALICIOUS CRIMINALLY ENJOINING AND PITTING

MANNER. SAME TIME ENTRY AND EXIT SET UPS WERE DESIGNED WITH NEIGHBORS. THESE CRIMINALS LIVED WITH ME!

10. VICIOUS AND MALICIOUS ECONOMIC CRIME INFLICTION VIA THE IMPOSITION OF LETHAL LIVING CONDITIONS. I HAVE BEEN LEFT TO BE KILLED UNDER THE DEFRAUD OF CRIMINAL, MASTERMINED, AND MANIFESTED ECONOMIC WARFARE AND CRIMINAL ECONOMIC CRIME ADMINISTRATION. SEE THE BELOW ECONOMIC WAR FARE CRIMES AND BLACKLISTING CRIMES I FOUND WHILE RESEARCHING BOYDEN GRAY FATHER'S CRIMINAL RECORDS IN GOVERNMENT. ALL OF THE INFLICTED CRIMES INFLICTED ON ME ARE IDENTIFIED IN THE CRIMINAL RECORDS OF BOYDEN GRAY'S FATHER DEFRAUD AND CRIMINAL REIGN IN GOVERNMENT.

In closing, my web site and the attached 70 pages or more of research verify where, who, and how these crimes were administered. The question is what humane reason provides for the disregard of such? I have been victimized for over 15 years. I have researched these crimes, patterns, and authenticity thoroughly. My research indisputable shows that these defraud killing psychological war fare and criminal human experiment hate crimes and administrations disguised as projects erupted out of Gordon Gray's defraud legal adviser position to President Truman and Eisenhower years ago. Gordon Gray is Boyden Gray's father. Boyden Gray works under the current president and has used his defraud positions to resurrect these criminal scripted inhumane psychological warfare crimes identified under his father's never regulated criminalities and defraud. Please see the attachments and the defraud insurance programs aligned with these defraud murders and defraud attempted murder administrations. Please read carefully the attached forward with substantial verification of the authentication of these scripted organized hate crime administrations. Please read my web site. DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I hope this make sense to you as I am finding typing very difficult, and my thought process is being interfeared with as i try to do this. i have had this horrific form of torture controlling my life since 1992. I heard them talking to me in about february 1992 but I think they started interfering with my thoughts about six months before that. The first words directed at me were WHAT HAVE WE HERE A THIRTY FOUR YEAR OLD WOMAN AND CHILD. Then all my word and thoughts were echoed, so everything was sort of doubled. Then of course this was changed so they interjected some words which i was meant to echo.. as all the victims of this EVIL torture i have been subjected to immense pain and mental anguish

twentyfour hours a day 7 days a week. I have no silence in my life not even for 2 seconds, there is always a running commentry or some form of humiliation, or interjection. I have had many many suicidal episodes, sleep deprivation, manipulation of my moods and behaviour, manipulation of my emotions, they transmit specific emotions into my subconscious mind. Inject words into my brain via these neurological weapons, they see all i see and hear all i hear, which has made any sort of relationship totally impossible. My dreams are constantly being interfeared with. My son is so worried about me, he left universaty as he thought I would end my life, as my day to day life is so difficult, each time I have thought about putting to action my suicidal thoughts I seem to all of a sudden be put into a very positive mood, I suspect it's a way of protecting their investment in me. I could go on and on, but this EVIL TORTURE MUST STOP. I will try to retype this in some form of recognised complaint but can you please use this untill this happens yours faithfully,

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

My name is Margaret Down and I live in New Zealand. In November 2002 I resigned from the New Zealand Herald, owned by APN Sir Anthony O'Reilly's media conglomerate, because I could no longer pass off as mere coincidence the many strange things that took place in the office and in the newspaper which coincided with events happening in my personal home private life including my words, thoughts, actions. I hoped that once I had resigned they would stop bugging me. But in four and a half years and five workplaces later my privacy is still being invaded and I receive "surveillance feedback" not only in the New Zealand Herald newspaper but also on TV One, TV 3 - owned by CanWest media and Viva radio station owned by APN News Media. I have written to both the privacy and human rights commissioner about my plight and also the police. No one is able to help me as the technology used to invade my privacy and harass me is "classified" and noone is aware of the capabilities now in private hands - both private citizens and corporations - to harass people. I beleive that my brain waves were scanned when I was working at the New Zealand Herald and I am now being tracked 24 hours a day. I have no privacy anywhere. My coworkers make comments which mock me on a daily basis about things which they couldn't possibly know anything about unless my privacy were being invaded in this way ie. it is all current. I have left job after job trying to find an employer who wouldn't buy into it, but Wayne Harman, the editorial manager of the New Zealand and the man behind my becoming a target is a very influential man with huge reach. He has been able to assassinate my character and convince several former managers that it is ok to harass me in this way and to use my coworkers in this mobbing of me during working hours. I would ask that you pass legislation to prevent the use of this technology against innocent civilians for vendetta purposes.

Thank you for your attention to this matter.

Victim of electronic telepathic link with monitoring personel from undisclosed location. With intention of slow destruction...

I would like to share intelligence I have gathered on these beings / people so others will not be victims as I was since childhood.

USA military is entirely taken over and controlled by same subjects from their bases. USA goverment 80% attempts are made to control all human thoughts world wide. By 2012 cause shift to dimension of dream, physical reality, potency charge suppressed with intentions to annihilate human race. To make it look as naturally as it possibly can.... one example: subject in coma and is thinking they are living normal life.

Only example reality is a different mater and reality manipulated with etc. On large scale. What these are planning not aliens no other side or parallel just organisation of subject with technology developed since 1949.

Introduce your self as builder Adam since my line is business line but is monitored by same people. With total control of CIA I am suspect as terrorist on some list giving them excuses to do as they please in hidden here in Canada...when these will gain total power extermination camps are feasible same as they done in South America.

My name is **RODIN ANDRIA**. I come from **FRANCE**. **I HAVE BEEN A TARGET FOR
ORGANISED STALKING, DIRECTED ENERGY WEAPONS, NEUROLOGICAL WEAPONS
AND ELECTRONIC TORTURE SINCE JANUARY 2004.**

I am being attacked 24 hours a day, 7 days a week, 365 days a year. Because of the countless episodes of the story, I will only give a broad outline of the situation.

CURRENTLY THE CRIMINALS ARE CONDUCTING THE FOLLOWING TORTURES:-

- 1.MY WHOLE HOUSE IS SET UP AS A TORTURE CHAMBER BOMBARDED WITH ELECTRONIC ENERGY AND MICROWAVES.
- 2.MICROWAVES INDUCE DIZZINESS, WOOZINESS AND EXTREME DISCOMFORT IN THE HEAD.
- 3.DISRUPTIONS OF BODILY FUNCTIONS SEEM TO BE THESE CRIMINALS' MAJOR DELIGHT - EVERY AREA OF MY BODY HAS BEEN HIT BUT THEY TEND TO FOCUS ON MY GENITALS. THE NEXT TARGET IS MY BOWELS. CONSTANT PRESSURE AND PAIN IN THE LOWER ABDOMEN CAUSE DIARRHOEA. .CROTCH ASSAULT WITH THE OCCASIONAL "ELECTRIC CATTLE-PROD" BEAM UP THE POSTERIOR. .JABBING AND POKING SENSATIONS WITH HOT FLUSHES IN THE ANUS.
- 4.VERY HIGH BODY HEAT OR ALTERNATE HOT AND COLD SENSATIONS.
- 5.ARTIFICIAL NIGHT SWEATS THROUGHOUT MY WHOLE BODY, PARTICULARLY THE GENITALS AREA.
- 6.SORE MUSCLES OR CRAMPS IN MY LEGS. I'M ACHING AND STIFF ALL OVER EACH AND EVERY WAKING HOUR.
- 7.SLEEP DEPRIVATION. LACK OF SLEEP IS WHITTLING MY STRENGTH AWAY.
- 8.FORCED NARCOSIS ACCOMPANIED WITH EXTREME DROWSINESS (FORCED INTO SLEEP).
- 9.VISUAL DISTURBANCES...ETC
- 10."STREET THEATER" OR ORGANIZED STALKING EVERY TIME I GO OUT AND WHEREVER I GO.
- 11.I COULD GO ON AND ON, I COULD WRITE FOR A HUNDRED PAGES ABOUT WHAT I HAVE BEEN THROUGH.

It all started in 2004 after a few petty squabbles with a female Ukrainian neighbour in a workers' hostel in Paris, where I was to stay on a temporary basis i.e until I found new, permanent lodgings. During the last quarter of 2003 my neighbour and myself were really good friends showing mutual respect and always taking care not to upset each other. Unfortunately, things started to change from mid-January 2004 onwards. As my neighbour was becoming noisy at night, I went and asked her kindly to be quieter. I then thought that the situation would be back to normal but she was noisier than ever. I tried to understand this drastic change and I discovered that my neighbour was a prostitute. I then made it clear that I was not finding fault with her activity, I only wanted her to respect my need for peace and quiet. As all my efforts to make her see reason were fruitless, I had to appeal to the hostel manager who listened to my grievances with only half an ear. As a last resort I went to see the police for breach of the peace at night. Sadly, they would not believe me when I started to explain the situation. They asked me to give them proof of my neighbour's being a prostitute, although I had made it clear I was not coming to expose her but I only wanted peace and rest. I went back home feeling desperately lonely and defeated. My neighbour's noise would not stop so I had no option but call the police emergency services. They came and merely pointed out that I was just a violent, worked-up person posing a threat to my neighbour so the following day, I was taken by force to a clinic in the outer suburbs of Paris for what they would call psychiatric treatment. And that was the beginning of my present ordeal. I quickly lost my good name in the hostel and in the community because my neighbour started to smear my reputation by spreading false rumours that I

am a paedophile. I am NOT a paedophile nor a drug dealer nor a criminal in any way but it seems that a whole cabal including my neighbour has decided that I am a sex offender and has somehow convinced the community that I pose a threat to them.

To cut a long story short I HAVE BEEN A TARGET FOR ORGANISED STALKING, DIRECTED ENERGY WEAPONS, NEUROLOGICAL WEAPONS AND ELECTRONIC TORTURE SINCE THEN. Again, it is singing the same old tune : LIE ! Lying is the cornerstone of organized stalking. The "paedophile rumour" seems to work quite well because the stalkers mistakenly believe it is their civic duty to destroy the perceived enemy of the community. Taking part in this activity gives them some sense of power. I repeatedly made attempts to friends, family members and general practitioners and specialists describing what had been transpiring only to have it rebuffed with "it's so far-fetched" or "it's all in your head". The general public is still ignorant of these weapons mistakenly called "non-lethal".

THERE IS MASSIVE IGNORANCE AND SECRECY REGARDING THESE TECHNOLOGIES. THE PERPETRATORS OF THE ATROCITIES REMAIN UNPROSECUTED.

I am appealing to you to take this matter very seriously and consult with experts about these technologies and tortures. As you are well aware of, so-called Non-Lethal Weapons are openly being developed by NATO countries. By writing you I hope that you would acknowledge my protest, aid in raising public awareness and legally support my appeal for justice. I cannot accept that this is an injustice for which there is no known remedy.

I am pleading for your help to be unleashed from these atrocious cybernetic shackles! Please address the outcries of all victims in ending all forms of electronic genocide.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.

Thank you for your attention.

Sincerely

RODIN ANDRIA

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

Victim of Organized Stalking and Direct Energy Weapons, Psychotronics, Slow-kill weapons. Been targeted since 1988, by a single stalker first, then by a team of psychopaths,... became government experiment of electronic torture, and harassment, since the late 80's.

Been abused, Technology used to sexually assaulted me, night programing..constant raped.

Is there's a name for what the group of stalkers that are abusing me 24/7 electronically, that would be: SICK BASTARDS FROM HELL!!!!!!

Since I decided to stand up since 2004, when finally I found internet and the network of victims been abused in the same manner as I've been....I declared WAR to this CACA, this "ZOMBIES" FROM HELL, because before this date, I was the '**PERFECT VICTIM**' for this psychopaths groups, I summit after 10 years of stalking and torture in 1996, and because the pain was so unbearable(they used some type of TECHNOLOGY WEAPON where they aim at my head, and I felt that a hot knife was stabbing me in the head!!) and the act so **coward**, that I didn't have other choice, I could it been kill by then with the use of this "**WEAPON OF TORTURE**" that they had at the time, and because I have 4 children (**at the time, they were all little**) even though a few days after I summit, they attacked one of my twins, also in her head.

But today after 3 years that I "**rebelled against them, with an attitude, and no more "doing what they want me to do"**" (because that exactly I did) they started over with the "pain" but this time, I didn't back up, because I knew the NEW NEIGHBORS were listening, and since I knew they **INTRODUCED THEMSELVES** as a **ORGANIZATION OF GOODNESS**, I knew they wouldn't **TORTURE ME** in the same manner that I was years ago, so after the initial **ATTACK....**

I took a **DEFIANT ATTITUDE AND TALKED BACK!!!!** and telling them **THINGS ARE NOT THE SAME LIKE IT WAS BEFORE**", I wasn't afraid anymore, because I wasn't the only victim, I felt **OVERPOWER** by the fact that there's already thousands and possibly millions of victims all over the world, that I felt **STRONG**, with this, they simply couldn't do anything to change my "attitude", and because I took it for so long, I immediately "**TOLD THEM**" sore of speak that **I WASN'T GOING TO CHANGE MY ATTITUDE, THAT THE PUPPETER THAT THEY THOUGHT THEY HAVE IS GONE, AND THIS IS ME THE REAL PERSONA, AND I WASN'T TO TAKE THEIR BULLSHIT ANYMORE!!!!!!!!!!**

Been said this, I started searching in Internet for information about the abuse and the weapons that this psychopaths groups are using on innocent Americans, and I was **OVERWHELM** by the **HORROR STORIES** of the **TARGET INDIVIDUALS** and what their immediate **FAMILIES ARE GOING THROUGH**, the information about the **TECHNOLOGY WEAPONS** that are used by the Government, the Agencies including **CIA, FBI, NSA, HOMELAND SECURITY, DOD, DOJ, ETC. and mainly, the VERY WELL DOCUMENTED INFORMATION OF THE TECHNOLOGY IN THE WEB. Including the well documented ORGANIZED STALKING AND TORTURE RUN BY NEIGHBORHOODS** (sort of speak) settled in Neighbourhoods, under the sponsored of **OUR Government**.

MR BUSH, YOU ARE NOT GOING TO TELL ME THAT YOU DO NOT ACKNOLEDGE ALL OF THIS CORRUPTION HAPPENING.....YOU KNOW EXACTLY WHAT'S GOING ON.....

I have join support groups, send letters to Congressmen, Senators, Representatives in the Government, also have join International groups of victims where I have sent my "**testimony of events**" since my **harassment began**.

Today since this coward group of "**SLAVES**" realized, I 'm not changing in the old ways, they decided to '**GET ME**' in any way possible, I learned through other **TI's** that they've **BEEN ASSAULTED SEXUALLY** , and I realized I wasn't the only one, then I knew **WE** all get the same thing

Also that some of the **TI's** stated that they "**forced her**" through holograms, to "**see**" **aberrant sexual scenes**" , that she felt that she was starting "**likening**" what she was forced to see every night, that I thought how that could happen, but then I told "**them**," that "**THEY WOULD NEVER TAKE MY WILL**" and since **WE ALL KNOW** how this psychopaths groups work with "**what the TI says or does**", then they started during the nights to run some kind of "**BEAM**" where suddenly I've been wakened up at 3 o'clock in the mornings and some kind of "**VOICE**" comes and say **PHRASES**, sound incomprehensible, and some other times can actually '**CATCH**' what is saying, (**ITS NOT MY VOICE, A DIFERENT VOICE**) and I realized that they are trying to **PROGRAM** for me to take it in a way that

I won't noticed a possible **CHANGE** in my **BEHAVIOUR**. Of course this is not new, because one main thing this **PROGRAM IS OUT THERE** , is called **BEHAVIOUR MODIFICATION for the INDESIRABLE** and that's one of the **EXCUSES THIS GROUPS GIVE FOR THE NEIGHBOR TO JOIN: DECEPTION**

I learned to **talked back**, (in my mind)during the process when I was awakened, and I would say demeaning things, that I cannot repeated in this blog, (**you know what I mean**), since they had violated me for so long, I decided to **AGRAVATED THEM** with words, (**In my mind, I can hear my own voice**) I told them **I'M GOING TO MAKE YOU PAY FOR ALL OF THE YEARS OF TORTURED THAT I'VE TAKEN AND ALL YOU ARE GOING TO HEAR IS AGRAVATION, FOR EVERY SINGLE SECOND OF MY PRIVACY THAT YOU HAVE TAKEN AWAY FROM ME AND MY FAMILY"**

Been said this **THE SLAVES"** began a program of **PERVERTION**, first was with my dog, I am very playful with my pet, and suddenly one day that I was petting him **I FELT STRANGE...IN THE SENSE OF THE WORD... I thought : this is strange, and then afterwards that STRANGE SENSATION continue, then in that moment I realized that was IMPOSED, so I thought: look at this LOOSERS, don't know how to put me down and they are doing this...**

So I told them that **I KNOW WHAT YOU ARE TRYING TO DO, and I started laughing, and then I said again out loud : YOU'LL NEVER TAKE MY WILL ..AS.....s**, so just to show them that I meant what I said: **I kept playing with my dog, and even though that ATTACKS continue, I don't let them GET ME.**

TODAY..they continue with the **PROGRAMING of perversion** but this time they are aiming in the use of people, better said young people, also children and homosexuals.

When I aggravated them I usually called demeaning names and one of them is referring to homosexuals (for me all of this **SLAVES** are misfits, society haters, scumbags etc) No, I don't have anything personal against them (homosexuals) , but is my way to aggravated the **SLAVES**, and since they **LOVE TO USE CHILDREN** for the **TORTURE AND STALKING, STREET THEATER ETC. specially teenagers for the stalking at close range with an ATTITUDE, they are using them during my sleep in the PERVERTION PROGRAM, and so you can imagine what the SLAVES of TORTURE are pretending to do to me.**

In the last days, as today 09/09/07, anything I do, either watching tv, or reading of whatever I'm doing, they **BRUSH ME** sort of say, I feel like I'm **AROUSE** all day and I feel the **PALPITATIONS IN MY GENITALS**, for what I'm thinking, and since the **ATTACK COMES SO QUICKLY** , I realized my **programming is been set ON AUTO, in their central computers, no handlers could do something like this that quick, what make me realized, THE SLAVES are desperate to GET ME.**

Unfortunately for them they are facing **A STRONG WALL** where no matter how much their Computer **ZAP ME**, I know I'm not changing....

As I said, I feel like they been set-up a **BEAM** where I feel **CONSTANTLY STIMULATED**, I'm **talking SEXUALLY**, like a **HEAT IN MY GENITALIA**, like getting **AROUSSED** constantly, trying to make me feel **UNCOMFORTABLE**, because it doesn't stop, it happen even when I go sleep, what ever thought it comes to my mind would happen.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I have been a non-consensual experimental subject of directed energy/ electronic harassment and torture since 1991. I have also been the focus of a mind control program (organized stalking) since leaving a US Army training base in 1976. In Feb of 1991 my apartment in Minneapolis, Minn. was entered while I slept, I was gassed, and newer implants done to my body so that direct control of my nervous system (all body functions included) could be manipulated at will by a US Government agency. I witnessed the next day, the needle mark on my right hand into a vein. I immediately began to experience physical reactions to my thoughts. This eventually graduated to outright electronic torture to various parts of my body-- increasing to hideous unbearable pain lasting for long periods, or sometimes being turned on and off as a light switch. I have been treated to sleep deprivation for many years-- not allowed to function normally as to fall asleep and wake normally as a human being, or, feeling my flesh being "fried" all night long in my bed. I have been subject to mind games (organized stalking) in every workplace and residence I have been since leaving the US Army in 1976. The stalking includes the use of " colors " and incessant whistling by coworkers (and neighbors). At one point the whole scene was unbelievable as the entire office building wore white/black clothing to work and dozens of people whistled as they passed by my work station.

They came into my new work place and spread misinformation so that co-workers would "play mind games" as if I never left the Army. That was in 1976!! In 1991 my apt. was gassed in Minneapolis, MN and I was implanted with newer technology which interfaced my brain with computer so that my "controllers" gained full control of my nervous system. including ability to torture any parts of my body they want; Also used for sleep deprivation, electronic assaults all night to keep me awake; I am only allowed to sleep IF they let me. The degree of all the electronic harassment varies from day to day; the other night i was awakened at 3am and horribly tortured in a very private area of my body, until THEY decided to stop. I feel the "electronic feedback " thru out the day at my employment which also varies in degree of severity; Many many awful hours of suffering while trying to do my job. This all goes on year after year.

Two years ago they "induced" diabetes in my body--I have my reasons to believe this. Among other reasons, I believe the diabetes is meant to quicken my demise. I would not wish this dread disease on anyone, much less INDUCE it on someone who wished no harm to anyone and loves peace. I continue to be haunted in the workplace by "psy-ops" mind games that never vary since 1976!! Co workers easily believe the bogus lie that I am "mentally ill" and a "threat to society" in some fashion, and patriotically band together to play "mind games" using colors and whistling. At one time EVERYONE in the building wore "white" to work! It is all so unbelievable. Jesus said in one passage: "they hated me

without a cause". This is a similar situation, as the military pursued me for no valid reason, other than to trip up my life and crucify my existence until death-- which is exactly what is happening.

These "games" continue to this day -- at work, and to an extent- where I live; all being perpetuated by the sponsors of my crucifixion (an Agency of the US government). Two years ago my body was induced to have diabetes. I beg you to please believe what I am saying is true. This technology and treatment of human beings as live animal experiments, is being performed by Agencies of the United States government. I have been perceived as a "psycho", or some how a "threat"to our national security by those in the public who join in the organized stalking. Nothing could be further from the truth-- as I have always been a peaceful, loyal, kind spirited American. I am trying to hang on to life itself at this time. After beginning my mental torture back in 1976, this agency became interested in my sister- Jane Zis, now of Portland, Maine, and they implanted her to "hear voices" that try to direct her life. This has caused her much misery and anguish and made her react in many ways to life situations that she would not do normally. They also pursued organized stalking on to her, and wrecked her life as well.

Please help us. Please uncover the Agencies responsible for these technologies and programs from hell. Please help to stop all electronic torture and harassments by any governments on earth, as well as their accompanying " mind control" psychological operations.

My name is Stephen Zis - I am a United States citizen; (born USA)

I have been a victim of organized stalking since 1976 and

I a victim of electronic torture and harassment since 1991. Everything began during basic training in the US Army in 1976, and has proceeded to wreak horrors on my life ever since.(for 31 years).

If people believe nazi germany can not happen here, please, think again. It is already here. Our government can out do anyone, evil for evil, using untraceable and invisible technology capable of making human life into a living hell. As always, I believe in peace and justice for all mankind, and pray for the day that our country will do the RIGHT thing, and stand for human justice and compassion- - not just words. First step needs to be the systematic abolishment of ALL psyhotronic/ electronic use by ANYONE on the planet. This technology must be forbidden, just as nuclear weapons use are banned.

I am praying for all victims of electronic torture and harassments, including those implanted to "hear voices," and all of us that are subject to mortifying, dehumanizing "psy-ops" for life. We are human beings made of flesh and blood and feelings, but many of us are used as if we were made of wood. May God help our government to stop the tortures.

I write this with respect and appreciation for your dedication to humanity and the betterment of mankind, and in the prayerful hope that electronic torture/harassment of live human beings be outlawed much the same as nuclear weapons are now outlawed.

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.

DEAR SIR/MADAM

I SUPPORT THE WORLDWIDE CAMPAIGN AGAINST TORTURE AND ABUSE USING DIRECTED ENERGY AND NEUROLOGICAL WEAPONS

I don't know how else to put this but it will take some time, i will be 45 on the 8 October, I was informed some time ago i have been a TI since birth which was 1962, i have so many experiences over those years it would literally fill a great many pages, they say we all have a book in us and when I have all the information, all the recollections they are saying they would let me have they say we want a promise you won't prosecute if it becomes a possibility and I can only laugh because its absolute rubbish anyone of us could successfully prosecute any of them if they have stayed with-in their own legal guidelines. They say if anyone of them steps out of line that's when they do end up in court and in jail if found guilty they said the legal guidelines are online but I don't about that sounds like BS.

All through my teenage years up to 26 years of age and beyond to a lesser degree I was told or given the impression I was going to die today.

This was said many times daily in fact. now and then they would stick the emotional side of those words into my body wracking me with mortal fear and certainty of my imminent death which they only ended by forcing me into an unconscious state.

At night I found I could be close to sleep and id get a feeling vaguely similar to warm water slowly covering my body. Over a period of half an hour I felt I was about to float free from my body.

I was not scared but I was very much aware of this happening. I took it for granted they were responsible for doing this, they were also responsible for the fact I did not feel any fear.

Once I felt what they were doing I opened my eyes and kept them open looking at my ceiling and around my room though I didn't move which I now find strange so also something they did.

They did this over the same years very often night after night after night, again and again as I say above, they are persistent.

I did not leave my bed but too right I moved around in my bed once I found that ended it. I did get to sleep after they had tried to put me through this. It did not seem to enter my head I should get up so again something they did which at least meant i could still enjoy my own bed.

They may try the religious angle on some people, so they may be too scared to say no to god ? or too wanting to be saved, to be free from the stress they've been put through ?.

If the TARGET does happen to be religious they could be very vulnerable to this form of attack.

They did try this with me and I lay in there thinking like fu**

They did drop the religious perception act and actually got verbal and put across a humorous perception as if they were a team sitting there someone having a laugh trying to relate that sense of humour to me. this was the only perception they forced that was probably real. I did not lay in bed joining in that sense of fun I did note it and went to sleep.

They said not to say anything and this would be taken as "no" they also said this in general saying its because I gave them verbal back that I got physically assaulted,

This is MY MIND! MY SPACE! "I" will decide what "I" will do or think or say! they are simply not relevant even if they think otherwise they do not enter into the equation

I DEMAND AN INTERNATIONAL INVESTIGATION INTO THESE CRIMES AND HUGE VIOLATIONS OF HUMAN RIGHTS.
